A Royal Affair Series Book 1 Royally Fucked Book 2 Royally Screwed Book 3 Royally Obsessed *A Royal Affair - 4 Book Box Set/The Defiant Princess/The Irredeemable Prince/The Formidable King/The Irresistible Royal* Alyssa J. Montgomery, 2020-09-01

Four royal affair romances from USA Today bestselling author Alyssa J. Montgomery. *The Defiant Princess*: When choosing between the life she's built and the duty she's left behind, what's a reluctant princess to do? Australian-raised Sabrina has had nothing to do with the conflicted desert region of Rhajia, the land of her birth. But now her life is in danger, and the only way to save her country is through a temporary marriage to Khalid, the Crown Prince of Turastan. Khalid has already chosen a wife, a woman who understands the rules for a good consort. He just needs to deal with Sabrina and her ridiculous plan. After all, the defiant princess may be beautiful, but she's the last woman he would ever want to marry. *The Irredeemable Prince*: The ultimate royal bad boy is about to meet his match. If one ever needs to find Prince Devereaux of Santaliana, one needs only look for the nearest newspaper. His Royal Highness is sure to be splashed across the scandal pages. But enough is enough. No more night clubs, no more drinking, absolutely no more one-night stands. Devereaux will step into his responsibilities, or he will be cut off. But the recalcitrant prince is about to find out that self-improvement can be surprisingly seductive. *The Formidable King*: A chance meeting, a misunderstanding, and a second chance for a royal love affair. Once King Gabriel was bewitched by a violet-eyed beauty at a masquerade ball who disappeared without a trace. Now Cinderella has a name, and Gabriel is determined to expose India Hamilton as the gold digger he knows her to be. But as Gabriel gets to know India, his attempt at revenge loses its appeal. It's becoming clear that this is not a Cinderella story at all. India is a beauty, and Gabriel has been behaving like a beast. *The Irresistible Royal*: He's everything a bad boy royal should be. He's everything she doesn't want. But he might be just what she needs. Prince Marco of Ralvinia is lethally handsome, incredibly rich, and irresistibly sexy. But after tragically losing the one woman he's ever loved, Marco indulges only in casual affairs, never risking his heart. Thrown into Prince Marco's path by her social-climbing mother, Chloe Salvatore isn't interested in his glamorous life. But just one night of hot, no-strings-attached sex can't hurt. Until their explosive interlude has unexpected consequences.

Defending Christian Faith Abjar Bahkou, 2014-01-01. The book by Abjar Bakhou presents Medieval Christian author Gerasimus and his discussion with Islam. His aim was to show that Christian teachings are not irrational but rather subtle and complex. As a Christian philosopher and theologian, Gerasimus used the experiences of those of the past to facilitate his own response to critics. However, two important differences separated him from earlier apologists: which demand his own insight and innovation. First, the new language of intellectual discourse was Arabic, which was not accommodating for expressing traditional Christian doctrine and required the development of a vocabulary out of terms already heavily influenced by the Qur'anic worldview. Second, the new religion challenging Christianity was one of absolute

monotheism which shared neither a common scriptural nor cultural heritage and rejected the very possibility of a Trinity and Incarnation. Although a common theme in early Christian apologetics was the refutation of Judaism, the debate generally centered on the interpretation of the Old Testament showing that Jesus was indeed the Messiah. The Qur'an while acknowledging Jesus as the Messiah explicitly rejects the Christian doctrines of the Incarnation and the Trinity and presents itself as the revelation which supersedes all previous revelation. Thus although Christians and Muslims share certain themes and figures such as Creation and the Last Judgement, Abraham, Moses, Mary and Jesus, Muslims refuse evidence contrary to the Qur'an leaving Christians without recourse to traditional scripture-based arguments. Gerasimus as a Christian apologist and mutakallim accepted these challenges and began the process of explaining and translating his faith in the new milieu to make it coherent and rational. In his treatise Gerasimus reveals himself to be a full participant in this important period of intellectual history; he sets down the basic points of controversy and outlines a response to them in a form that would be an excellent introduction to Christian theology written for the Muslim environment. Gerasimus was also a mutakallim in his own right, the Christian counterpart to those Islamic scholars who sought to defend their faith through rational arguments. In an effort to argue the legitimacy of Christianity, Gerasimus attempts to create a common language that influences the meaning of terminology and concepts of intellectual development in Muslim-Christian debates. Such language would set the stage for centuries to come. This is certainly his greatest contribution.

Violence in Medieval Europe Warren C. Brown, 2014-06-11

The European Middle Ages have long attracted popular interest as an era characterised by violence, whether a reflection of societal brutality and lawlessness or part of a romantic vision of chivalry. Violence in Medieval Europe engages with current scholarly debate about the degree to which medieval European society was in fact shaped by such forces. Drawing on a wide variety of primary sources, Warren Brown examines the norms governing violence within medieval societies from the sixth to the fourteenth century over an area covering the Romance and the Germanic speaking regions of the continent as well as England. Scholars have often told the story of violence and power in the Middle Ages as one in which private violence threatened and sometimes destroyed public order. Yet academics are now asking to what degree violence that we might call private, in contrast to the violence wielded by a central authority, might have been an effective social tool. Here Brown looks at how private individuals exercised violence in defence of their rights or in vengeance for wrongs within a set of clearly understood social rules and how over the course of this period kings began to claim the exclusive right to regulate the violence of their subjects as part of their duty to uphold God's order on earth. Violence in Medieval Europe provides both an original take on the subject and an illuminating synthesis of recent and classic scholarship. It will be invaluable to students and scholars of history, medieval studies and related areas for the light it casts not just on violence but on the evolution of the medieval political order.

Esoteric Buddhism in Mediaeval Maritime Asia Andrea Acri, 2016-09-05 This volume advocates a trans-regional and maritime-focused approach to studying the genesis, development, and circulation of Esoteric or Tantric Buddhism across Maritime Asia from the seventh to the thirteenth centuries CE. The book lays emphasis on the mobile networks of human agents. Masters' textual sources: Texts and images. Icons through which Esoteric Buddhist traditions spread. Capitalising on recent research and making use of both disciplinary and area-focused perspectives, this book highlights the role played by Esoteric Buddhist maritime networks in shaping intra-Asian connectivity. In doing so, it reveals the limits of a historiography that is premised on land-based transmission of Buddhism from a South Asian homeland and advances an alternative historical narrative that overturns the popular perception regarding Southeast Asia as a periphery that passively received overseas influences. Thus, a strong point is made for the appreciation of the region as both a crossroads and rightful terminus of Buddhist cults and for the re-evaluation of the creative and transformative force of Southeast Asian agents in the transmission of Esoteric Buddhism across mediaeval Asia.
