Moncure, 1992 *In Search of Song: The Life and Times of Lucy Broadwood* Dr Dorothy de Val, 2013-01-28 Born into the famous family of piano makers Lucy Broadwood 1858 1929 became one of the chief collectors and scholars of the first English folk music revival in the late nineteenth and early twentieth centuries Privately educated and trained as a classical musician and singer she was inspired by her uncle to collect local song from her native Sussex The desire to rescue folk song from an aging population led to the foundation of the Folk Song Society of which she was a founder member Mentor to younger collectors such as Percy Grainger but often at loggerheads with fellow collector Cecil Sharp and the young Ralph Vaughan Williams she eventually ventured into Ireland and Scotland while remaining an eclectic contributor and editor of the Society's Journal which became a flagship for scholarly publication of folksong She also published arrangements of folk songs and her own compositions which attracted the attention of singers such as Harry Plunket Greene Using an array of primary sources including the diaries Broadwood kept throughout her adult life Dorothy de Val provides a lively biography which sheds new light on her early years and chronicles her later busy social artistic and musical life while acknowledging the underlying vulnerability of single women at this time Her account reveals an intelligent generous though reserved woman who with the help of her friends emerged from the constraints of a Victorian upbringing to meet the challenges of the modern world **Life and Times of Her Majesty Caroline Matilda, Volume.1 (of 3)** C. F. Lachelles Wraxall , 2015-02-05 Example i n this ebook If there be a story which may be supposed to be thoroughly familiar to the reading public it is surely that of the Queen of Denmark who is believed to have loved not wisely but too well The fate of Struensee has supplied the motive for countless works more or less historical for novels and even for an opera Hence it might reasonably be assumed that the man who ventured on intruding on the English public another work on such a thoroughly worn out topic must be either very impudent or very foolish and yet I have ventured to do so through neither of these failings but for reasons which have been duly weighed and which appear to my mind to convey their justification The first of these motives is that within a very recent period a perfectly new light has been thrown on the whole affair by permission being granted to examine the privy archives of Copenhagen From these I have been enabled to derive the hitherto unpublished documents and reports of the judges and thus prove on what worthless evidence the divorce of the queen was passed At the same time a great deal of fresh matter has been rendered available about the two unhappy men who fell victims to a mistaken sense of justice The late King of Denmark who wisely thought that publicity was the best safeguard of thrones also allowed the *Mmoires de mon Temps* of the Landgrave Charles of Hesse Cassel brother in law of Christian VII to be printed for private circulation I have been enabled to procure a copy of this work through the kindness of Baron von Jenssen Tusch who obtained it from the Prince of Augustenburg and the many curious details of the Court of Denmark it contains have been woven largely into my text Another work which has afforded me very material

assistance is the Memoirs of Reverdil Secretary to Christian VII which appeared two or three years ago but is little known in this country Lastly the private journals of Sir N W Wraxall have been laid under contribution to a great extent It was made known by the publication of the Post humous Memoirs that he had been connected with the Queen of Denmark but it was only during last year that I discovered how much my grandfather knew of the affair and how well he had kept silence on the subject I have ransacked his journals correspondence c in the interests of the present work and these have enabled me I hope to bring together much not hitherto known or if known forgotten As a humble follower of Lord Macaulay I have also recognised the value of pamphlets and chap books and have been able to obtain with some cost and trouble nearly everything published on the palace revolution during 1772 and 1773 in Germany Denmark and England I have also considered it my duty to consult every work at all connected with the subject and do not think that any one has been omitted Whether it has been in my power to prove the innocence of the Queen of Denmark is a question for my readers to decide I however take some credit to myself for publishing for the first time the letter which she wrote on her death bed to her brother This letter passed through the hands of the late King of Hanover to the Duchess of Augustenburg from whom my copy is derived To be continue in this ebook **Subject Catalog** Library of Congress,1965 **Adult Catalog: Subjects** Los Angeles County Public Library,1970
