Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today *Wozu Literatur(-wissenschaft)?* Andreas Haarmann, Cora Rok, 2019-01-21 Der vorliegende Band widmet sich in drei Sektionen den Fragen nach Sinn und Zweck der Literatur und Literaturwissenschaft und bietet Einblicke in die Praxis literaturwissenschaftlichen Arbeitens Die Geschwindigkeit in der sich technischer Wandel mittlerweile vollzieht lässt das alte Medium Literatur zunehmend berholt erscheinen In Zeiten von Tablets und digitalen Klassenzimmern droht nicht mehr nur Entauratisierung sondern der völlige Bedeutungsverlust von Literatur und der Beschäftigung mit ihr In diesem Band unternehmen namhafte Vertreterinnen und Vertreter ganz unterschiedlicher Forschungstraditionen den Versuch wieder in Erinnerung zu rufen was Literatur zu leisten imstande ist und warum es eines professionalisierten Umgangs mit ihr bedarf The present volume focuses in three parts on the question of sense and meaning of literature and literature studies and gives insights in the work of literature studies The speed in which technical changes are implemented has rendered the old medium literature more and more obsolete In times of tablets and digital classrooms we are not only threatened by a demystification but also by the fact that literature becomes absolutely meaningless In this volume important scholars of various study fields demonstrate what literature is able to offer and why a professionalised approach is needed *Sir Thomas More* William Shakespeare, 2020-10-15 This edition of *Sir Thomas More* is the first to bring the play into the context of a major Shakespeare series to provide a substantial critical analysis and to offer a comprehensive modern stage history The introduction deals with issues such as the strange involvement of the anti Catholic spy hunter Anthony Munday as chief dramatist the place of *Sir Thomas More* as a Catholic martyr in Protestant late Elizabethan culture and the play's representation of a multi cultural London The text itself supported by a searching and detailed commentary adopts a distinctive presentation that enables readers to keep track of the manuscript and the hands that produced it whilst engaging with the play as a fascinating theatrical piece *Sir Thomas*

More deals with matters so controversial that it may never have reached performance on stage The authors determination to deal with rioting and religious politics led to a play that is compelling in its own right but also intriguing as a document of what could and could not be articulated in the early modern public theatre Surviving only as a manuscript text on which Shakespeare was thought to have worked it can be considered to be the most important play manuscript of the period owing to its highly complex witness to collaboration between dramatists and to censorship

**Sir Thomas More** Régis Augustus Bars Closesl,2024-10-29 Uma peça sobre desobediência civil e rebelião Uma peça sobre retaliação contra imigrantes Uma peça sobre responsabilidade individual quando o Estado amplia os seus poderes Uma peça sobre dignidade humor e benevolência diante da opressão Em todos esses aspectos Sir Thomas More uma obra para os dias de hoje Ainda que não situada oficialmente dentro do cânone tradicional de Shakespeare ele colaborou em uma cena crucial na qual Thomas More advoga por tolerância aos imigrantes e convence os manifestantes a baixarem suas armas Sir Thomas More portanto fornece uma fascinante e inesperada imagem de Shakespeare trabalhando com um time de revisores Eles buscaram recuperar o texto que havia sido banido de ser encenado Sir Thomas More portanto uma peça que lida tanto com o conflito político e os limites da aceitação como também um documento a respeito de censura colaboração e sobrevivência
