The Washington Times      **Rube Goldberg** Maynard Frank Wolfe, Rube Goldberg, 2000-11-20 Welcome to the world of that archetypal American Reuben Lucius Goldberg the dean of American cartoonists for most of the twentieth century For more than sixty five years Rube Goldberg s syndicated cartoons he produced more than fifty strips appeared in as many as a thousand newspapers annually He was earning a hundred thousand dollars a year in 1915 He wrote hit songs and stories and was in succession a star in vaudeville motion pictures newsreels radio and finally television He even at the age of eighty began an entirely new career as a sculptor and in inimitable Goldberg fashion was soon selling his work to galleries collectors and museums all over the world Sure Rube won the Pulitzer Prize Every yearsomecartoonist wins the Pulitzer Prize But the National Cartoonists Society named its award the Reuben after you know who But it was Rube s Inventions those drawings of intricate and whimsical machines that earned Rube his very own entry in Webster s New World Dictionary Rube Goldberg adjective Designating any very complicated invention machine scheme etc laboriously contrived to perform a seemingly simple operation Inventions even the earliest ones that date from 1914 are still being republished and recycled today as they have been over the last eighty five years New generations rediscover and enjoy them every day even though their creator cleaned his pens put the cap on his bottle of Higgins Black India Ink and cleared his drawing board for the last time almost thirty years ago The inventions inspired the National Rube Goldberg Machine Contest held annually at Purdue University an Olympics of complexity in which hundreds of engineering students from American universities and colleges and even middle and high schools compete to build and run Rube Goldberg invention machines that perform in twenty or more

steps the annual challenge In 1970 the Smithsonian Institution hosted a show honoring Rube Goldberg s lifework In a life filled with superlatives it hardly needs mentioning that Rube is the only living cartoonist and humorist to have been so honored In his speech at the show s opening Rube said Many of the younger generation know my name in a vague way and connect it with grotesque inventions but don t believe that I ever existed as a person They think I am a nonperson just a name that signifies a tangled web of pipes or wires or strings that suggest machinery My name to them is like spiral staircase veal cutlets barber s itch terms that give you an immediate picture of what they mean So welcome to a collection of spiral staircases and veal cutlets to the inventions of an American original a creative genius named Rube Goldberg Catalog of Copyright Entries Library of Congress.
