*The Christian Political Theology of Dr. John Henry Okullu* Jemima Atieno Oluoch, 2006      *The Mushroom in Christian Art* John A. Rush, 2018-11-06 In *The Mushroom in Christian Art* author John A. Rush uses an artistic motif to define the nature of Christian art establish the identity of Jesus and expose the motive for his murder Covering Christian art from 200 CE common era to the present the author reveals that Jesus the Teacher of Righteousness mentioned in the Dead Sea Scrolls is a personification of the Holy Mushroom *Amanita muscaria* The mushroom Rush argues symbolizes numerous mind altering substances psychoactive mushrooms cannabis henbane and mandrake used by the early more experimentally minded Christian sects Drawing on primary historical sources Rush traces the history and face of Jesus as being constructed and codified only after 325 CE The author relates Jesus's life to a mushroom typology discovering its presence disguised in early Christian art In the process he reveals the ritual nature of the original Christian cults rites and rituals including mushroom use The book authoritatively uncovers Jesus's message of peace love and spiritual growth and proposes his murder as a conspiracy by powerful reactionary forces who would replace that message with the oppressive religious political system that endures to this day Rush's use of the mushroom motif as a springboard for challenging mainstream views of Western religious history is both provocative and persuasive The package includes a link to 252 striking color images depicting Christian art with key motifs indicated by the author      **Beyond the Evangelical Gender Roles Gridlock** Paul J. Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchalism *Beyond the Evangelical Gender Roles Gridlock* Reimagining Paul's Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society      *The Mystic Rose* F. L. Kenzel, 1905      **The Glories of Mary in Boston** John Francis Byrne, 1921      **Meditation in Judaism, Christianity and Islam** Halvor Eifring, 2013-10-24 Meditative practices have flourished in widely different parts of Eurasia yet historical research on such practices is limited Research to date has focused on contexts rather than actual practices and within individual traditions For the first time in one volume the meditative practices of the three traditions of Judaism Christianity and Islam are examined They are viewed in a global perspective considering both generic and historical connections to practices in other traditions particularly in India and East Asia Their cultural and historical peculiarities are examined comparing them both to each other and to Asian forms of meditation The book builds on a notion

of meditation as self administered techniques for inner transformation a definition which focuses on transformative practice rather than notions of meditative states and mystical experiences It proposes ways of studying meditative practice historically and concludes with an essay on the modern scientific interest in meditation
