Old Names, New Peoples: Listing Ethnonyms in Late Antiquity Salvatore Liccardo, 2023-10-30 No people is nameless and lists of words are as old as writing systems And yet both subjects can appear unpromising to historians This volume shows the contrary by examining the various meanings and functions of ethnonyms in Late Antiquity added to catalogues of provinces they reflect the political messages and the regulating power of the imperial bureaucracy included in schoolbooks they mirror educational practices and reveal the geographical and ethnic landscapes taught at school placed on a map they help make sense of the world in times of transition

Non-Normative Sexualities in US Latinx and Latin American Literature Through a Capitalist Lens Kathryn Quinn-Sánchez, Michele Shaul, 2023-12-06 Non Normative Sexualities in US Latinx and Latin American Literature Through a Capitalist Lens studies how Latin American and Latinx authors represent non normative sexualities through a capitalist lens In our society heterosexuality manifests as privilege and has been normalized to such an extent that any sexuality that is perceived as different from the dominant cis gendered heteropatriarchal norm is considered deviant Non normative sexualities continue to be viewed by society as detrimental to the health of the nation Consequently how one is perceived by the dominant culture continues to limit one's ability to thrive Each chapter serves to analyze how one's perceived gender identity or sexuality can block access to economic opportunity Queer trans spatial and intersectional theories form the base of the literary analyses One of the contributors goals is to present capitalism as it is intersectionally present in life identity and society The authors studied in this collection come from the USA Puerto Rico Mexico and the Southern Cone of Latin America

Tibetan Muslims Fabienne Le Houérou, 2024 This book focuses on the minority of Tibetan Muslims among the Tibetan Diaspora Most scholars remain unaware of the Tibetan Muslim community or its associations with Buddhism and the Dalai Lama As a religious and political leader he is the embodiment of Tibetan space territory population religion and identity The Western public has assumed a monolithic vision of Tibet as a pure Buddhist Theocracy However Tibet was impacted by other religions i.e Christianity and Islam The 1 000 000 Tibetan refugees in India are one of the largest Tibetan Diaspora the majority are Buddhist and the Muslim minority is estimated at no more than a few hundred families Tibetan Muslims constitute a minority within another Tibetan Buddhist minority of exiled Tibetans in India The study based on field research emphasizes a hybrid process of the Tibetan Muslim's Diaspora in exile A cultural Buddhist Tibetan heritage associated with Kashmiri Muslim rituals and customs creates hybrid cultural practices and traditions which could be characterized as rhizomatic

Writing Off the Hyphen Jose L. Torres-Padilla, Carmen Haydee Rivera, 2011-12-01 The sixteen essays in Writing Off the Hyphen approach the literature of the Puerto Rican diaspora from current theoretical positions with provocative and insightful results The authors analyze how the diasporic experience of Puerto Ricans is played out in the context of class race gender and sexuality and how other themes emerging from postcolonialism and postmodernism come into play Their critical work also demonstrates an understanding of

how the process of migration and the relations between Puerto Rico and the United States complicate notions of cultural and national identity as writers confront their bilingual bicultural and transnational realities The collection has considerable breadth and depth It covers earlier undertheorized writers such as Luisa Capetillo Pedro Juan Labarthe Bernardo Vega Pura Belpr Arturo Schomburg and Graciany Miranda Archilla Prominent writers such as Rosario Ferr and Judith Ortiz Cofer are discussed alongside often neglected writers such as Honolulu based Rodney Morales and gay writer Manuel Ramos Otero The essays cover all the genres and demonstrate that current theoretical ideas and approaches create exciting opportunities and possibilities for the study of Puerto Rican diasporic literature Medicine Stories Aurora Levins Morales,2019-03-14 In

this revised and expanded edition of Medicine Stories Aurora Levins Morales weaves together insights and lessons learned over a lifetime of activism to offer a new theory of social justice Calling for a politics of integrity that recognizes the complicated wholeness of individual and collective lives Levins Morales delves among the interwoven roots of multiple oppressions exposing connections crafting strategies and uncovering the wellsprings of resilience and joy Throughout these twenty eight essays twenty one of which are new or extensively revised she exposes the structures and mechanisms that silence voices and divide movements The result is a medicine bag full of techniques and perspectives to build a universal solidarity that is flexible nuanced and strong enough to fundamentally shift our world toward justice Intimately personal and globally relevant Medicine Stories brings clarity and hope to tangled emotionally charged social issues in beautiful and accessible language **Underserved Suffering: A Psychospiritual Autobiography of Post-Colonial Faith from the Puerto Rican Diaspora** Gerardo De Jesus, PhD,2023-09-15 From the Introduction This story seeks to nuance moments in my history as the son of diasporic parents As members of the many who migrated my parents became an us to a them in a world where being different felt threatening They experienced their own undeserved suffering while holding on to the dream of American Exceptionalism Puerto Rican Americans arrived with prayers on their lips bibles and rosaries in hand and though it felt like an expulsion from paradise our colonial faith sustained us The God we knew over there was also here in our new hiding place called Spanish Harlem fondly called el Barrio The faith inherited from 5 centuries of colonialism has grown into our collective identity and though its sacred stories speak to our realities its legacy has also contributed to colonial aims I draw from the life of one of colonial Christianity's greatest saints St Francis of Assisi who emulates the life of Jesus in the 13th century Francis faced the falseness of religious clericalism the plight of the poor in a shame honor culture and a dualistic consciousness that still prevails and which refuses to embrace otherness How might his life speak to Puerto Ricans in diaspora How might we re imagine the colonial faith inherited **New Documents Illustrating Early Christianity, 3**

G. H. R. Horsley,Stephen Llewelyn,1997-12-02 This series seeks to keep New Testament and early church researchers teachers and students abreast of emerging documentary evidence by reproducing and reviewing recently published Greek inscriptions and papyri that illumine the context in which the Christian church developed Produced by the Ancient History

Documentary Research Centre at Macquarie University the New Docs volumes broaden the context of biblical studies and other related fields and provide a better understanding of the historical and social milieus of early Christianity

Post-Colonial Kenya Rok Ajulu, 2021-07-28 This engaging reassessment of postcolonial Kenya argues that the country's political turmoil over the last fifteen years is a continuation of repeating patterns of political contestation and conflict across Kenya's history When Kibaki stole the 2007 presidential election leading to a spiral of violence that left over 1 000 people dead in the space of a month many analysts wondered how this could happen in a country that had previously been considered an oasis of peace in an otherwise conflict prone region Combining political economy with political sociology in this book Rok Ajulu demonstrates that in fact authoritarianism and the predatory deployment of the state has been the predominant feature of Kenya's post colonial period Focusing on how power has been mediated in the country politically and the characters of the elites in charge the analysis shows the dominance of extra economic political coercion in economic activity In a context in which economic activity remains predominantly political continued control of state power is so crucial for the new ruling class that it must be retained at all costs Rok Ajulu's masterful final book is a powerful and wide ranging contribution to studies on post colonial Kenya and will be an important resource for researchers from across political science economics history sociology and African Studies

A Vanished World Christopher Lowney, 2012-12-04 In a world troubled by religious strife and division Chris Lowney's vividly written book offers a hopeful historical reminder Muslims Christians and Jews once lived together in Spain creating a centuries long flowering of commerce culture art and architecture In 711 a ragtag army of Muslim North Africans conquered Christian Spain and launched Western Europe's first Islamic state In 1492 Ferdinand and Isabella vanquished Spain's last Muslim kingdom forced Jews to convert or emigrate and dispatched Christopher Columbus to the New World In the years between Spain's Muslims Christians and Jews forged a golden age for each faith and distanced Spain from a Europe mired in the Dark Ages Medieval Spain's pioneering innovations touched every dimension of Western life Spaniards introduced Europeans to paper manufacture and to the Hindu Arabic numerals that supplanted the Roman numeral system Spain's farmers adopted irrigation technology from the Near East to nurture Europe's first crops of citrus and cotton Spain's religious scholars authored works that still profoundly influence their respective faiths from the masterpiece of the Jewish kabbalah to the meditations of Sufism's greatest master to the eloquent arguments of Maimonides that humans can successfully marry religious faith and reasoned philosophical inquiry No less astonishing than medieval Spain's wide ranging accomplishments was the simple fact its Muslims Christians and Jews often managed to live and work side by side bestowing tolerance and freedom of worship on the religious minorities in their midst A Vanished World chronicles this impossibly panoramic sweep of human history and achievement encompassing both the agony of jihad Crusades and Inquisition and the glory of a multicultural civilization that forever changed the West One gnarled root of today's religious animosities stretches back to medieval Spain but so does a more nourishing root of much modern religious

wisdom **A People that Shall Dwell Alone** Kevin MacDonald, 2002 This book attempts to understand an ancient people in terms of modern evolutionary biology A basic idea is that Judaism is a group evolutionary strategy what one might term an evolutionarily significant way for a group of people to get on in the world The book documents several theoretically interesting aspects of group evolutionary strategies using Judaism as a case study These topics include the theory of group evolutionary strategies the genetic cohesion of Judaism how Jews managed to erect and enforce barriers to gene flow between themselves and other peoples resource competition between Jews and non Jews how Jews managed to have a high level of charity within their communities and at the same time prevented free riding how some groups of Jews came to have such high IQ s and how Judaism developed in antiquity This book was originally published in 1994 by Praeger Publishers The Writers Club edition contains a new preface Diaspora Peoples describing several interesting group evolutionary strategies The Gypsies the Hutterites and Amish the Calvinists and Puritans and the Overseas Chinese Visualizing Black Lives Reighan Gillam, 2022-04-26 A new generation of Afro Brazilian media producers have emerged to challenge a mainstream that frequently excludes them Reighan Gillam delves into the dynamic alternative media landscape developed by Afro Brazilians in the twenty first century With works that confront racism and focus on Black characters these artists and the visual media they create identify challenge or break with entrenched racist practices ideologies and structures Gillam looks at a cross section of media to show the ways Afro Brazilians assert control over various means of representation in order to present a complex Black humanity These images so at odds with the mainstream contribute to an anti racist visual politics fighting to change how Brazilian media depicts Black people while highlighting the importance of media in the movement for Black inclusion An eye opening union of analysis and fieldwork Visualizing Black Lives examines the alternative and activist Black media and the people creating it in today s Brazil *Italian American Pentecostalism and the Struggle for Religious Identity* Paul J. Palma, 2019-07-30 While many established forms of Christianity have seen significant decline in recent decades Pentecostals are currently one of the fastest growing religious groups across the world This book examines the roots inception and expansion of Pentecostalism among Italian Americans to demonstrate how Pentecostalism moves so freely through widely varying cultures The book begins with a survey of the origins and early shaping forces of Italian American Pentecostalism It charts its birth among immigrants in Chicago as well as the initial expansion fuelled by the convergence of folk Catholic Reformed evangelical and Holiness sources The book goes on to explain how internal and external pressures demanded structure leading to the founding of the Christian Church of North America in 1927 Paralleling this development was the emergence of the Italian District of the Assemblies of God the Assemblee di Dio in Italia Assemblies of God in Italy the Canadian Assemblies of God and formidable denominations in Brazil and Argentina In the closing chapters based on analysis of key theological loci and in lieu of contemporary developments the future prospects of the movement are laid out and assessed This book provides a purview into the religious lives of an underexamined but culturally significant group in

America As such it will be of great interest to scholars of Pentecostalism Religious Studies and Religious History as well as Migrations Studies and Cultural Studies in America

Charting Memory Stacy N. Beckwith, 2019-05-23 *Charting Memory* Recalling Medieval Spain elaborates an interdiscursive picture of how Medieval Spain has been remembered by various Arab Jewish and Hispanic peoples from well before 1492 to the present The collection breaks with traditional foci on the legacies of separate Iberian communities and their descendants and on limited largely textual sets of their related cultural practices In distinct ways this collection takes a multi ethnic and multi modal approach departing from sociologist Maurice Halbwachs premise that collective memories form not within individuals alone but through the inner and inter workings of actual and conceptual social milieux The volume hereby foregrounds the constitutive roles of communities created through prayer literary resonances architecture musical performance and name giving in shaping memories of medieval Spanish contexts as well as complex identities in the Balkans the Near and Middle East North Africa Latin American and the United States The ten original essays in this collection by international specialists in anthropology ethnomusicology literary criticism folklore and onomastics are not arranged according to Arab Jewish and Hispanic cultural memories of medieval Spain Instead the collection s unique comparative emphasis illuminates ways in which various peoples have re articulated memories relating to medieval Spain in and across physical temporal and social locations with different types and degrees of impact

World of Worldly Gods Kelzang T. Tashi, 2023 This anthropological study examines the changing relationship between Shamanic Bon and Buddhism through an ethnography of the Goleng village and its neighbours in Zhemgang district in central Bhutan It is concerned with how Bon practices have persisted in villages despite the systematised opposition from Buddhist priests for over one thousand years and in the last three centuries from the Buddhist state itself In investigating this issue this book presents the ways in which Buddhists seek to control the Bon priests in the villages against the backdrop of local religious history and document the centrality of Bon beliefs in shaping people s everyday lives

Latina/o y Musulmán Hjamil A. Martínez-Vázquez, 2010-01-01 Latinas/os are the fastest growing minoritized ethnic group in the United States and Islam is one of the fastest growing religions in the United States It is therefore no surprise that the Latina/o Muslim population is one of the fastest growing communities in the United States As a minority within a minority the ways in which U S Latina/o Muslims construct their identity is not only interesting in itself but also of interest for how they challenge traditional understandings of U S Latina/o identities This book explores the process of conversion of U S Latina/o Muslims and how it becomes the foundation for the re construction of their U S Latina/o identities Furthermore since Latina/o religious experience in the United States up until now has largely assumed Christianity as the de facto religion Latina/o y Musulmán brings a whole new angle to studies in this area Martinez Vazquez lays the broader analytical foundation for how the religious experiences of non Christian U S Latinas/os shape the process of identity construction

Rubia And Its New Diasporas Introduction

In today's digital age, the availability of Rubia And Its New Diasporas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rubia And Its New Diasporas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rubia And Its New Diasporas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rubia And Its New Diasporas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rubia And Its New Diasporas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rubia And Its New Diasporas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rubia And Its New Diasporas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rubia And Its New Diasporas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rubia And Its New Diasporas books and manuals for download and embark on your journey of knowledge?
