Russian Dagger:

Black Dagger's Russian Spy C. Cavin, 2005-06 *Black Dagger's Russian Spy* is about a sixteen year old high school student named Valric who's parents support him when he gets accepted into Black Dagger's School for Spies and Secret Agents. The school lasts five years though even in an unusual school Valric has some unusual adventures. He has to deal with a Russian spy that only he and his friends can stop while he deals with new friendships, a new girlfriend, school grades, and his new skydiving team. His first year at the school is more eventful than most spies have in a lifetime. When his friends turn against him because backs are being stabbed, he still has to help the school. The question remains: Can Valric deal with the pressure? Or must he go back to high school as a normal kid.

An Anthology of Jewish-Russian Literature Maxim Shrayer, 2015-03-26 This definitive anthology gathers stories, essays, memoirs, excerpts from novels, and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language. It features writers of the tsarist, Soviet, and post-Soviet periods both in Russia and in the great emigrations, representing styles and artistic movements from Romantic to Postmodern. The authors include figures who are not widely known today as well as writers of world renown. Most of the works appear here for the first time in English or in new translations. The editor of the anthology, Maxim D. Shrayer of Boston College, is a leading authority on Jewish Russian literature. The selections were chosen not simply on the basis of the author's background but because each work illuminates questions of Jewish history, status, and identity. Each author is profiled in an essay describing the personal, cultural, and historical circumstances in which the writer worked, and individual works or groups of works are headnoted to provide further context. The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture. This handsome two-volume set is organized chronologically. The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor's extensive introduction to the Jewish Russian literary canon. The second volume covers the period from the death of Stalin to the present, and each volume includes a corresponding survey of Jewish Russian history by John D. Klier of University College London, as well as detailed bibliographies of historical and literary sources.
