Sacred Rage The Wrath Of Militant Islam:

Sacred Rage Robin B. Wright, 1985 An account of the fundamentalist religious revolution in the Middle East since the overthrow of the Shah

'Militant Islam' vs. 'Islamic Militancy'? Klaus Hock, Nina Käsehage, 2020 Discourses on radical Islam on Islamic extremism or on religious violence in Islamic contexts are en vogue in and beyond academia But in view of the highly contested topic of political Islam the challenge starts already with the preferred terminology What actually are we talking about when we talk about salafism jihadism Islamic terrorism etc This edited volume provides a collection of contributions that due to their respective academic cultures and disciplinary locations display a multifaceted variety of approaches to the research field and its subject

Major Issues in Islam Harvey J. Sindima, 2017-11-02 This book explores matters that have negatively affected the public image and led to distorted depictions of Islam from the late nineteenth century to the present The areas of uneasiness and debate among Muslims and non Muslims alike include Islamic values and identity in the post caliphate era after colonialism and now under Western hegemony There is anxiety about the place of Shari'a in the light of Western law and the state secularism democracy human rights the equality of women and the place of Islamic education in transmitting Islamic values as secular education dominates societies There are apprehensions over the relation between religion and politics as in the rise of Muslim Brotherhoods Wahhabism Islamism al Qaeda and Islamic State In non Muslim countries concerns are about the status of Muslim marriage polygamy divorce and interest in business Every topic is examined through the Noble Qur'an and the Hadith classical writings and linguistic analysis

Historical Dictionary of Arab and Islamic Organizations Sarah Tenney, 2020-10-28 The Historical Dictionary of Arab and Islamic Organizations focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the subject

Islam and Democracy Timothy D. Sisk, 1992 This volume explores the relationship between religion and politics generally as well as the global wave of democratization in the late twentieth century as background to different interpretations of political Islam It analyzes the role of these movements in Iran Algeria Egypt Jordan the Persian Gulf especially Saudi Arabia and the Palestinian community

Christianity, Islam and Secular Criticism William AL-SHARIF, 2010-06-20 This book invites scholars and activists to re-examine Christianity and Islam for the sake of justice peace and freedom in the world

Mirror of the Arab World: Lebanon in Conflict Sandra Mackey, 2009-03-16 How the recent history of Lebanon provides insight into the many trials currently facing the larger Arab community It is crucial to the interests of the West to grasp the complexities of the Arab world In this clear concise volume

Sandra Mackey provides a unique view of this tortured and tortuous region through the lens of Lebanon A small fractured country at the gateway of the Arab east Lebanon signals the challenges that the Arab world poses to itself and to the West As Mackey vividly demonstrates the Lebanese have experienced every issue currently roiling the Middle East borders contrived by others a weak state housing weak institutions a Palestinian presence civil war resistance to societal and political change Sunni Shia sectarianism occupation militant Islam as a political ideology conflict over the common identity essential to turning a fragile state into a viable nation a troubled democratic tradition and war perpetrated by forces inside and outside its borders Lessons learned from these conflicts will ease understanding and resolution elsewhere Political Islam, Justice and Governance Mbaye Lo, 2018-11-08 This book argues that political Islam represented by its moderate and militant forms has failed to govern effectively or successfully due to its inability to reconcile its discursive understanding of Islam centered on literal justice with the dominant neo liberal value of freedom Consequently Islamists polities have largely been abject often tragic failures in providing a viable collective life and sound governance This argument is developed theoretically and supported through a set of case studies represented by the Muslim Brotherhood in Egypt under President Muhammad Morsi s tenure Hassan Turabi s National Islamic Front in Sudan and The Islamic State in Iraq and Syria ISIS It is ideal for audiences interested in Regional Politics Islamic Studies and Middle Eastern Studies **The World Almanac of Islamism** American Foreign Policy Council, 2011-10-27 From Western Europe to Asia from the Middle East to the Horn of Africa societies are finding themselves under growing assault from radical Islamist forces In some countries such as Spain and France the challenge posed by radical Islam is still limited in scope and embryonic in nature But in others including Somalia and Pakistan it poses a mortal danger to the future of the existing state The World Almanac of Islamism is the first comprehensive reference work to detail the global reach of Islamism across six continents Each country study written by leading subject matter experts examines the full scope of the Islamist phenomenon from the activities of radical Islamist groups to the role of Islamist actors and ideas in society to the response or complicity of the local government An additional series of movement studies explores the global reach ideology and capabilities of the world s most powerful transnational Islamist movements Finally Almanac includes regional summaries and a global overview designed to provide context and strategic insights into current and emerging trends relating to Islamism the world over This collection makes a major contribution toward properly defining the Islamist threat and paving the way for the implementation of more effective strategies to counter the rise of radical Islamism by the United States and its allies It provides policymakers the news media scholars and students with a more comprehensive understanding of the threat we now confront from Islamic extremism Additionally the full Almanac is available electronically in database form It can be accessed online at almanac.afpc.org

The World Almanac of Islamism 2019 American Foreign Policy Council, 2019-04-30 Now in its fourth edition The World Almanac of Islamism is the first comprehensive reference work to detail the current activities of radical Islamist

movements worldwide The contributions written by subject expert provide up to date assessments on the contemporary Islamist threat in all countries and regions where it exists Each country study will include valuable metrics for gauging the advance or decline of Islamism In places where Islamists are not in power these include year on year comparisons of the number of terrorist attacks that have taken place the level of popular support being received by radical religious organizations and political parties and applicable government responses to these trends if any In places where they are in power metrics encompass relevant changes to domestic human rights practices and social conditions foreign policy rhetoric and action and the overall stability of the state

Roshandel,S. Chadha,2006-10-02 This book explores the global jihad movement and its emergence in the latter half of the twentieth century Roshandel and Chadha investigate the nature and extent of this threat tracing its religious and ideological roots relevant history and its goals **World Terrorism: An Encyclopedia of Political Violence from Ancient Times to the Post-9/11 Era** James Ciment,2015-03-10 First Published in 2015 This collection holds three volumes Terrorism is a term that defies easy definition and its meaning has also changed over the course of history Because this encyclopedia aims at comprehensiveness across time geography and the conceptual landscape it applies the broadest definition of terrorism the use of violence or the threat of violence to effect political change through fear in which the victims of the violence The encyclopedia is divided into six parts Islamism and Cultural Expression in the Arab World Abir Hamdar,Lindsey

Moore,2015-04-10 Whereas most studies of Islamism focus on politics and religious ideology this book analyses the ways in which Islamism in the Arab world is defined reflected transmitted and contested in a variety of creative and other cultural forms It covers a range of contexts of production and reception from the early twentieth century to the present and with reference to cultural production in and or about Morocco Algeria Tunisia Egypt Yemen the Gulf Lebanon and Israel Palestine The material engaged with is produced in Arabic English and French and includes fiction autobiography feature films television series television reportage the press rap music and video games Throughout the book highlights the multiple forms and contested interpretations of Islamism in the Arab world exploring trends and tensions in the ways Islamism is represented to primarily Arab audiences and complicating simplistic perspectives on this phenomenon The book considers repeated and idiosyncratic themes modes of characterisation motifs structures of feeling and forms of engagement in the context of an ongoing struggle for symbolic power in the region *Politics of Terrorism* Andrew T .H. Tan,2010-10-18 Terrorism is increasingly at the forefront of political agendas Events world wide have led to an increased awareness and response to this global phenomenon The focus of this volume is on examining the fundamental causes of alienation and rebellion that underlie the use of terrorism as an instrument of violence This title includes essays each of around 8 000 words in length providing in depth analysis of topics of relevance in the subject an A Z glossary of key terrorist groups and organizations as well as major terrorist incidences and events detailed maps and statistics an extensive bibliography listing further relevant reading material This unique combination of analytically detailed essays with statistics and a glossary make this title a unique one stop reference source as well as a training and education guide on the politics of terrorism world wide

Global Rebellion Mark Juergensmeyer,2008 This is an indispensable book in helping us understand the new world disorder that seems to be overtaking us Juergensmeyer points out that much of the world neither understands nor finds attractive the idea of a secular state He helps us see that religious nationalism is a fact of life that will be with us for a long

time to come Deconstructing any simple notion of fundamentalism he shows us how it is possible to live with religious nationalism constructively without demonizing it That is a major achievement Robert Bellah coauthor of Habits of the Heart For years Mark Juergensmeyer has served as a kind of Cassandra figure warning us all about the rise of religious violence the global reach of religious nationalism and the challenges posed by new religious identities to the secular nation state Now that the world is finally listening Juergensmeyer remains our best guide in unraveling the complex interplay between religion and politics in the modern world Global Rebellion once again demonstrates why Juergensmeyer is the foremost authority on the global sociology of religion This is an awe inspiring work by arguably the most important thinker on the subject Reza Aslan author of No god but God The Origins Evolution and Future of Islam
