Scrum Wars The Prime Ministers And The Media:

Power, Prime Ministers and the Press Robert Lewis, 2018-10-27 An intimate history of the journalists who covered Canadian history and made some of their own The history of the press gallery is rich in anecdotes about the people on Parliament Hill who have covered 23 prime ministers and 42 elections in the past 150 years Mining the archives and his own interviews Robert Lewis turns the spotlight on the watchers including reporters who got too close to power and others who kept their distance The Riel Rebellion the Pacific Scandal two world wars the Depression women s liberation Quebec separatism and terrorism are all part of the sweeping background to this lively account of how the news gets made manipulated and sometimes mangled Since Watergate press gallery coverage has become more confrontational a fact Lewis argues that fails Canadian democracy Canada's Department of External Affairs, Volume 3 John Hilliker, Mary

Halloran, Greg Donaghy, 1990-01-01 Volume three of the official history of Canada s Department of External Affairs offers readers an unparalleled look at the evolving structures underpinning Canadian foreign policy from 1968 to 1984 Using untapped archival sources and extensive interviews with top level officials and ministers the volume presents a frank insider s view of work in the Department its key personalities and its role in making Canada s foreign policy In doing so the volume presents novel perspectives on Prime Minister Pierre Trudeau and the country s responses to the era s most important international challenges These include the October Crisis of 1970 recognition of Communist China UN peacekeeping decolonization and the North South dialogue the Middle East and the Iran Hostage crisis and the ever dangerous Cold War

Prime Ministers' Wives Lavona Fercho, 2021-01-06 Being the wife of a Canadian prime minister offers both rewards and challenges In *Prime Ministers Wives* author Lavona Fercho presents a look at the wives and their lives as public figures Beginning with Isabella Clark Macdonald and ending with Sophie Gregoire Trudeau this collection of thirteen biographical sketches reveals how the role of the wife of Canadian prime ministers has developed throughout the years Fercho depicts how each wife coped with the battles and intrusions they faced at the prime minister s residence at 24 Sussex Drive She shares how some wives adopted a minimal public lifestyle while the more gregarious accepted roles of charitable chair positions press conferences as well as campaigns to promote their husband Frank and revealing *Prime Ministers Wives* tells how each wife handled the extreme pressures of the position Whether personal or public reported experiences were of marital challenges including infidelity parentage alcoholism and mental illness as well as public verbal and physical assault death threats and unrelenting scrutiny while promoting a societal recognition of women for equal status **Being Prime**

Minister J.D.M. Stewart, 2018-06-16 *Being Prime Minister* sheds light on the lives of prime ministers as ordinary people examining them through a variety of experiences most Canadians share **Four Days in Hitler's Germany** Robert Teigrob, 2019-05-23 In 1937 Canadian Prime Minister Mackenzie King travelled to Nazi Germany in an attempt to prevent a war that to many observers seemed inevitable The men King communed with in Berlin including Adolf Hitler assured him of

the Nazi regime's peaceful intentions and King not only found their pledges sincere but even hoped for personal friendships with many of the regime's top officials *Four Days in Hitler's Germany* is a clearly written and engaging story that reveals why King believed that the greatest threat to peace would come from those individuals who intended to thwart the Nazi agenda which as King saw it was concerned primarily with justifiable German territorial and diplomatic readjustments Mackenzie King was certainly not alone in misreading the omens in the 1930s but it would be difficult to find a democratic leader who missed the mark by a wider margin This book seeks to explain the sources and outcomes of King's misperceptions and diplomatic failures and follows him as he returns to Germany to tour the appalling aftermath of the very war he had tried to prevent

Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Newspaper City Phillip Gordon Mackintosh, 2017-04-24 In *Newspaper City* Phillip Gordon Mackintosh scrutinizes the reluctance of early Torontonians to pave their streets He demonstrates how Toronto's two liberal newspapers the *Toronto Globe* and *Toronto Daily Star* nevertheless campaigned for surface infrastructure as the leading expression of modern urbanity despite the broad resistance of property owners to pay for infrastructure improvements under local improvements by laws To boost paving newspapers used their broadsheets to fashion two imagined cities for their readers one overrun with animals dirt and marginal people the other civilized modern and crowned with clean streets However the employment of capitalism to generate traditional public goods such as concrete sidewalks asphalt roads regulated pedestrianism and efficient automobilism is complicated Thus the liberal newspapers' promotion of a city of orderly infrastructure and contented people in actual Toronto proved strikingly illiberal Consequently Mackintosh's study reveals the contradictory nature of newspapers and the historiographical complexities of newspaper research
