Looptail Bruce Poon Tip, 2013-09-17 This book combines an extraordinary first person account of an entrepreneurial instinct to start and develop a highly successful international travel adventure company and reveals unusual management secrets that not only keep employees fully engaged but also keep customers extremely happy After being fired from McDonald's as a teenager Poon Tip decided that if he wanted to be successful in life he would need to be self employed To do that he started G Adventures in 1990 with financing based upon his maxed out credit cards But the results were startling people loved going on vacations to exotic spots around the world where they dealt with adventure and action G Adventures is not for the faint of heart it's for people who want to get away AND have memories to cherish for a lifetime What makes G Adventures so successful Poon Tip has created an entirely new and refreshing approach to management which is related in *LOOPTAIL* In his company there's no CEO but there is a company Mayor There is no HR dept but there is a Talent Agency and a company Culture Club Poon Tip even offers any employee a check for 5 000 if he or she can actually hurt his feelings with less than positive feedback about the company and how it's being run So far nobody has claimed the prize **Primary**
