The Sea of Galilee Boat Shelley Wachsmann,2014-01-15 *The Sea Of Galilee Boat* Shelley Wachsmann,2000-07-13 This remarkable true story recounts one of the great discoveries of the century finding a 2000 year old boat from the Sea of Galilee Shelley Wachsmann a respected nautical archaeologist shares the joy and drama he felt in discovering and excavating the first ancient boat from this biblical location Through his perceptive eyes we experience the adventure of a lifetime as he offers his personal account of first setting eyes on and then preserving this unique treasure Wachsmann is a master storyteller interweaving his own unforgettable story of this challenging excavation with the writings of the past Jews and Christians alike will be captivated by his search for the boat s identity Wachsmann like a detective hunts down clues that will reveal the boat s actual history Since the boat turns out to be a 2000 year old craft he carefully examines the Gospels for passages that will shed light on this wondrous vessel This ever curious author also traces Jewish historical texts to discover that the Sea of Galilee during the boat s vibrant past was the setting for one of the most tragic massacres of Jews the Battle of Migdal During this sea battle we learn Roman soldiers mercilessly slaughtered Jews as they attempted to escape in boats like this one turning the Sea of Galilee into a sea of crimson The saga of tenderly extracting this extraordinary boat from the earth protecting its timbers and restoring it to health is a compelling tale on its own Wachsmann impresses us with the dedication and creativity of his makeshift team in improvising answers to the seemingly impossible logistic problems that dog them every step of the way Still generosity abounds and actual rainbows appear as scores of volunteers pull together to save this singular monument of the past Wachsmann punctuates the absorbing details of preserving this artifact with the rich history that surrounds the Sea of Galilee making this a uniquely enduring and personal work *Understanding the Boat from the Time of Jesus* Shelley Wachsmann,2016-01-26 The ancient boat from the Sea of Galilee exhibited at the Yigal Allon Museum at Kibbutz Ginosar speaks of pivotal times on the lake two millennia ago when an itinerant rabbi walked its shores and sailed its waters with his followers and changed the world forever This volume aims to give the non expert reader an in depth understanding of the boat the story of her discovery and excavation and most importantly her significance for

The Jesus Boat Jim Reimann, 2020-09-23 One of the most enjoyable dreams of childhood is that of finding a treasure Here is a true story of a dream comes true One day on the year 1986 when the sea level was low two Israeli brothers living in a kibbutz on the shores of the Sea of Galilee found an ancient boat Little did they know that archaeologists will enthusiastically crown their discovery as one of the most important reminders from Jesus lifetime Excavating the boat from the mud without damaging it was a difficult process which lasted 12 days and nights The ancient wood was extremely fragile when exposed to the atmosphere and the boat had to be rescued by wrapping it in a mantle of fiberglass and insulating foam which helped with both keeping it together and floating it to its new location in the museum adjacent to the place where it was found Since then it is one of the highlights in every Christian pilgrimage tour to the Holy land The Jesus Boat story for kids ties beautifully together this stunning discovery and the biblical text from Mark 4 35 41 about Jesus calming with his miraculous power a sea storm it was a boat much like this ancient one it reveals that Jesus and his friends sailed out one night

Evans, 2005-01-01 The Missions of James Peter and Paul investigates the nature diversity and relationship of three early and important expressions of Judaic Christianity It is the conviction of the contributors that the Judaic origins of the Christian movement have not been sufficiently understood in both ecclesiastical and academic circles Comparison with contemporary Judaism is foundational and leads to the question that guides discussion How did James relate to such prominent figures as Peter and Paul Given James own eminence those relationships must have been hallmarks of his own stance and status and they open the prospect that we might delineate James theological perspective more precisely than otherwise possible by means of this contrast with Peter and Paul That is the reason for the division of the present volume into two parts The Missions of James Peter and Paul is presented in two parts James and Peter and James Paul Several studies investigate the literary and archaeological evidence that clarifies the world in which James Peter and Paul lived while other studies probe exegetical and theological aspects of the discussion
