Sea Salt And Sweat:

Sauna Culture, Sweat and Spirituality Kaarina Kailo, 2025-06-27 This book explores spiritual and sacred practices in Finnish saunas and Native North American sweat lodges through a comparative study. It also sheds light on ancient traditions from Ireland and Galicia tracing their evolution and shared spiritual features. The book further analyzes gendered rituals, woman-centered lifeways and cyclical worldviews rooted in rebirth and regeneration. This book shows how these practices reflect a deep cross-cultural matrix of symbols celebrating Heaven and Earth. It presents the Delaware Sweat Lodge and Big House as prototypes of sacred structures for world renewal and their connections to sauna cultures worldwide. By defining key concepts from patriarchal feminist and Indigenous perspectives, this book challenges normative unquestioned notions of the sacred and the divine. The book's interdisciplinary approach will appeal to students, scholars, and researchers of gender studies, Indigenous studies, cultural studies, religious studies, philosophy, and anthropology interested in a better understanding of how ancient rituals hold ecological significance for addressing today's planetary crises and social imbalances, revealing like-mindedness across diverse faith traditions.

Asphalt Carl Hancock Rux, 2010-06-15 Already a celebrated performance artist, vocalist, poet, playwright, and visionary, Carl Hancock Rux now presents a brilliant debut novel, a profound and lyrical portrait of urban life that will take its place among the classics of American literature. *Racine* is a reserved young man, but his passion for music lights him up inside. He's just returned from Paris where he'd been invited by a friend to produce music, make recordings, and earn a living. The plan didn't quite pan out, and now he's back in New York where fate, providence, or just plain chance leads him to a once glorious brownstone turned into a squat by a few eccentric loners. There's Manny who wears sarongs and glitter but has no trouble attracting beautiful women, and Couchette, a gorgeous second-generation dancer whose mother has gone to Bali to live and bear a child with a man who built her a house in the midst of a rice paddy. What binds the characters is a deep sense of loss. Each is like the city they live in: wounded and seeking healing and connection with and through the other housemates. Rux's poetic fiction blurs the lines between characters' dreams, memory, and reality. *Asphalt*, the name representing the essence of the city and the hard-layered yet vulnerable sensibility of its inhabitants, is part post-modern parable, part urban mythology, and altogether relevant to contemporary reality. *Asphalt* is daring and unforgettable, marking the arrival of an original and astounding new voice in American literature.

The Complete Works of Aristotle Aristotle, 2018-12-12 Aristotle. If the inquiring mind could sit at any feet throughout the halls of history, it would be none other than the Greek philosopher ARISTOTLE. A contemporary of Alexander the Great, this instructor with his empirical mind, his rationality laden with sound discretion, has become a prototype of Excellent Philosophy. We owe our deepest gratitude to the Islamic Golden Age that his work has been preserved. *Half Past History* presents THE COMPLETE WRITINGS OF ARISTOTLE.
