**Seals the Warrior Breed: Navy Cross** H. Jay Riker, 1996-12-01 The Elusive Victory This is a war like no other a fierce jungle contest pitting U S soldiers against a vicious invisible enemy who is lost in the rocks trees in the earth itself and among the civilian population From half a world away irresponsible politicians devise strict rules of engagement based on misunderstandings and deliberate deceptions For the Navy SEALs Vietnam has been a proving ground a world of carefully controlled ops and sudden mad moments of explosive horror But now the war s nightmare is intensifying as ultimate victory falls farther out of reach And it will take more than skill courage and toughness for these unparalleled commandoes to win their unequal battles and more than luck to bring them back alive

**Seals the Warrior Breed: In Harm's Way** H. Jay Riker, 1999-11-09 A war is brewing on the far side of the Earth and the Navy plans to arm SEAL swimmers and launch them at a moment s notice on land based sorties Before their training is complete they will be tested as never before on a daring rescue in a desert land

**Seals the Warrior Breed: Purple Heart** H. Jay Riker, 1994-12-01 The Brave The Elite The Unknown Heroes The world is in flames once more and war demands its terrible tribute in blood Many have already fallen in freedom s cause and the Navy s crack Underwater Demolition Team has paid dearly in wounded and the dead Meticulously trained

amphibious commandos they silently stalk the enemy in his own waters In turbulent seas they are tested and they triumph unaware that their success and courageous sacrifice are being noted at the nation s highest levels giving rise to glorious legend and to the birth of the most awesome elite fighting force America has ever known      *Seals the Warrior Breed: Silver Star* H. Jay Riker,1993-12 For Glory For Victory For Love of Country In a time of savage conflict and global chaos a new breed of fighting men answers their nation s call with pride and courage the Navy s Underwater Demolition Team commandoes superbly trained to meet the most unique and deadly challenges of warfare Honed and hardened in the flames of combat they engage a fearsome enemy both above and below the waves Their exploits are the stuff of World War Two legend giving rise to a proud legacy that endures for generations born of iron determination shared by each and every man to triumph against all odds or die with honor      **Seals the Warrior Breed: Duty's Call** H. Jay Riker,2000-11-07 Before a nation declared war one force was winning an unknown fight The war is a nightmare that haunts them to this day disgrace abandonment retreat But years before the protests turned the tide of public opinion before the politicians hijacked the battleplan and ensured ultimate failure the U S Navy SEALs were hitting a once arrogant enemy hard relentlessly and right where he lived No longer could NVA guerillas move unchecked across invisible borders And no longer were they safe in their own backyard Before the war in Vietnam exploded in its full fury a fearless chosen few were already bloodied veterans of a savage secret war At China Beach while the CIA plays shadow games with men all too willing to die for their country two American warriors wait for the opportunity to prove their mettle In two years the floodgates of war will burst open at Tonkin Gulf But for a pair of SEALs meticulously trained and ready to embark upon an impossible mission behind enemy lines duty is calling now      **Seals, the Warrior Breed** H. Jay Riker,1995      **Seals the Warrior Breed: Iraqi Freedom** H. Jay Riker,2007-06-26 For almost half a century the SEALs have answered their nation s call to battle And now the Navy s best are going to war five hundred miles from the nearest sea to stem the rising tide of violent terror in a volatile desert land The intel is sketchy the battle lines nearly impossible to untangle But a veteran SEAL team knows what its mission is in the remote mountains of Iraq to diffuse a terrorist threat that is taking a savage toll in blood both soldier and civilian But though allies and enemies are often indistinguishable in this nightmarish conflict and even the most carefully planned strategies can explode without warning the SEALs will prevail or die fighting And they will never leave a brother behind      Seals the Warrior Breed: Enduring Freedom H. Jay Riker,2005-11-29 SEALS THE WARRIOR BREED ENDURING FREEDOM Jay H Riker The tenth book in the successful SEALS THE WARRIOR BREED series finds the elite members of the Navy SEALs facing their first test in combat after September 11th in Afghanistan In the past the SEALs have fought for different reasons In World War II they fought for freedom determined to halt the Nazi war machine before it was too late In Vietnam they fought for loyalty willing to risk their lives if it meant protecting their fellow soldiers Now the place is Afghanistan and the SEALs will be fighting for something even more personal revenge In the first military action after September 11th the SEALs

are assigned to Afghanistan the home of the Taliban and a breeding ground for Islamic fundamentalist terrorists The SEALs know that the men responsible for the most deadly attack on American soil in the country's history could be around the next dune or inside the next village and they're determined to get the job done no matter the cost The ever expanding fan base interested in the U S Navy SEALs This is the fiction series about that elite force Fans of the previous books in this series Readers who enjoy H Jay Riker's new submarine series *The Silent Service*      **Seals the Warrior Breed: Marks of Valor** H. Jay Riker, 1998-12 The conflict in Vietnam has spread into Cambodia and Laos and the burden of fighting falls on the shoulders of the U S Navy SEALs When a pilot with top secret information is shot down the SEALs spring into action But the Soviet military helps the Asian war effort and domestic willpower weakens Even one glitch in their rescue plan could prove fatal      Mark Lane Express ,1896      *Best Life* ,2008-03 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life      The Illustrated London News ,1868      *Seals the Warrior Breed: Casualties of War* H. Jay Riker, 2009-10-13 The Snake in the Desert The first generation of SEALs was forged in the steaming jungles of Vietnam their deadly skills honed by combat But jealousy brewing within the U S military bureaucracy threatened the future of the warrior elite and shortsighted thinking forced them into pitched battles in Grenada and Panama that the SEALs shouldn't have fought and couldn't have won Now the opportunity has finally come for redemption when the tanks of a ruthless Middle Eastern despot roll across the unprotected borders of a neighboring nation Here in a world of blood and oil a new generation of SEALs is going in first to fight a new kind of war on its terms as Hunter Killer teams of America's deadliest commandos plunge into a fast and murderous game of hide seek and strike on Iraqi sands      **Seals** H. Jay Riker, 1993      **Who's who in America** ,1948      *Seals the Warrior Breed: Medal of Honor* H. Jay Riker, 1997-12-01 It is the highest award a grateful nation can bestow upon its fighting men To earn it a soldier requires more than courage more than dedication valor that far surpasses that of his brothers in arms Twenty years after the first Navy UDT frogman fought and died at Peleiu and Normandy a new breed of warrior has answered the call of an idealistic young Commander in Chief going where no Americans have gone before on missions no one else would dare In a jungle was within a war deep inside enemy territory one unit and one man will write a glorious chapter in the proud SEALs history through unparalleled fortitude and terrible sacrifice while learning the most brutal lesson of the hell called Vietnam that the deadliest enemies of all might be those on their own side It is the highest award a grateful nation can bestow upon its fighting men To earn it a soldier requires more than courage more than dedication valor that far surpasses that of his brothers in arms Twenty years after the first Navy UDT frogman fought and died at Peleiu and Normandy a new breed of warrior has answered the call of an idealistic young Commander in Chief going where no Americans have gone before on missions no one else would dare In a jungle was within a war deep inside enemy territory one unit and one man will write a glorious chapter in the proud SEALs history through unparalleled fortitude and terrible sacrifice while learning the most
