Ambrose,1996-05-01 The full story of what led Crazy Horse and Custer to that fateful day at the Little Bighorn from bestselling historian Stephen E Ambrose On the sparkling morning of June 25 1876 611 U S Army soldiers rode toward the banks of the Little Bighorn in the Montana Territory where 3 000 Indians stood waiting for battle The lives of two great warriors would soon be forever linked throughout history Crazy Horse leader of the Oglala Sioux and General George Armstrong Custer of the Seventh Cavalry Both were men of aggression and supreme courage Both had become leaders in their societies at very early ages both had been stripped of power and in disgrace had worked to earn back the respect of their people And to both of them the unspoiled grandeur of the Great Plains of North America was an irresistible challenge Their parallel lives would pave the way in a manner unknown to either for an inevitable clash between two nations fighting for possession of the open prairie *The Earth is Weeping* Peter Cozzens,2016 With the end of the Civil War the nation recommenced its expansion onto traditional Indian tribal lands setting off a wide ranging conflict that would last more than three decades In an exploration of the wars and negotiations that destroyed tribal ways of life even as they made possible the emergence of the modern United States Peter Cozzens gives us both sides in comprehensive and singularly intimate detail He illuminates the encroachment experienced by the tribes and the tribal conflicts over whether to fight or make peace and explores the squalid lives of soldiers posted to the frontier and the ethical quandaries faced by generals who often sympathized with their native enemies Amazon com **The Fetterman Massacre and the Battle of the Little Bighorn** Charles River Editors,2025-05-01 Since the Battle of the Little Bighorn George Armstrong Custer has possessed one of the most unique places in American history Although he was a capable cavalry officer who served honorably during the Civil War he remains one of the most instantly identifiable and famous military men in American history due to the fact he was killed during one of the country s most well known and ignominious defeats the Battle of Little Bighorn At the same time this one relatively insignificant battle during America s Indian Wars has become one of the country s most mythologized events and continues to fascinate Americans nearly 140 years later On the morning of June 25 Custer s scouts discovered a Native American village about 15 miles away in the valley of the Little Bighorn River Choosing to disregard his superiors orders to wait for a concerted effort the grandstanding Custer intended to deliver his own decisive victory by dividing his command into three units an extremely bold

tactic when done in the face of a much larger force Due to their belief in the inferiority of the Plains Indians and mindful of previous Indian tactics that sought to avoid pitched battle Custer and his men were most concerned with forcing the action and failed to understand the true nature of the situation they had entered The Native American gathering centered around the famous Sioux chief Sitting Bull numbered roughly 8 000 individuals and about 2 000 of them were warriors Custer s forces amounted to a mere 31 officers 566 troopers and 50 scouts and civilians and they had been split into three columns in order to stop a possible retreat Before the battle it is believed Custer thought he was facing a group of about 800 which was Sitting Bull s strength in the weeks before the battle However the Army s Native American scouts and civilian scouts had not adequately informed the Army of the reinforcements that arrived and at Little Bighorn Custer s three pronged attack was completely overwhelmed How Custer met his fate and whether there even was a Last Stand remain subjects of debate but what is known is that the Battle of the Little Bighorn was one of the U S military s biggest debacles All told the 7th Cavalry suffered over 50% casualties with over 250 men killed and over 50 wounded The dead included Custer s brothers Boston and Thomas his brother in law James Calhoun and his nephew Henry Reed Custer and his men were buried where they fell A year later Custer s remains or more accurately the remains found in the spot labeled with his name were relocated to West Point for final interment
