Zyla's pureblood child is now the most powerful immortal and the lycans discover her. Zyla's hybrids have created their own pureblood children and they too are now the strongest. The lycans have to find a way to save themselves of extinction from the purebloods and a very specific human named Diego is closing in on all their existence. Will they be discovered? Or will they find a way to maintain their hidden world? Volume three The humans have discovered the extinct of all supernaturals. Now all supernaturals are in threat of extinction of their own race. The humans have created weapons to destroy all and their own supernatural to rid the vampires. The vampire elders create their own weapons, the forbidden children, and untamed newborn vampires are the only hope to save their kind. Vampires, werewolves, and lycans are forced to stand together and fight to protect their own. The humans have one last secret.
