Study of Medicine in the Bible Allan G. Cogle M.D.,2023-02-09 Old Testament and New Testament views of medicine and

physicians were in many ways opposite According to ancient interpretations of the Book of Deuteronomy all misfortune

whether disease calamity etc was a punishment from God for the commitment of some sin If illness was produced by God

then healing could only come directly from God without the intervention of physicians and many times only through the

priest Many ancient theologians felt that physicians acted against God s will in trying to aid in healing In fact one writer in

the Talmud says in effect that the best of physicians was destined to go to hell and the medical profession was counted

among the seven professions who would not share in heaven In spite of a rather low assessment of doctors the ancient Jews

were a healthy lot in large part due to dietary and sanitation laws Contrast this with New Testament teaching Indeed Luke

was the beloved physician and the writer of one of the Gospels Jesus said It is not those who are healthy who need a

physician but those who are sick In this book we explore biblical teachings about medicine in both Old and New Testaments

Also we will study dietary and health laws that have bearing on today s life and lifestyle **Bibliography of the History of**

Jeffrey,2010-07-20 YOU CAN BELIEVE THE BIBLE WITHOUT ANY DOUBT As American society becomes more secularized

Christians need to know all the facts about the Bible Dr Grant R Jeffrey has spent decades researching history science

archaeology medicine and prophecy finding that each discipline confirms the truth of Scripture This revised and updated

edition of The Signature of God proves that the Bible is not only accurate in its spiritual claims but is completely reliable as

well on matters of origins medicine history and science Historians of the ancient world as well as recent archaeological finds

confirm the names of kings and kingdoms and the dates of wars and mass migrations mentioned in the Bible Recent

breakthroughs in astronomy physics and medical science have shown that God s Word accurately described the universe and

the processes of human life before scientific research caught up And hundreds of fulfilled prophecies show that God revealed

the future to his prophets in order to undergird the faith of his people No matter how loudly the skeptics argue against

Christian faith only one conclusion makes sense the Bible is God breathed You can believe every word every claim every

prophecy and every miracle With no doubts *The Signature of God* Grant R. Jeffrey,2009-01-21 The secret things belong

unto the Lord our God but those things which are revealed belong unto us and to our children for ever that we may do all the words of this law Deuteronomy 29 29 This new expanded and completely documented edition of The Signature of God contains additional research and compelling documentation proving the Bible is inspired by God Remarkable new computer discoveries from the Bible Codes reveal astonishing details about the September 11 Islamic terrorist attack on America that were encoded in Hebrew text thousands of years ago Key topics include New Bible Codes reveal the details of September 11 2001 terror attacks on the World Trade Center and Pentagon Historical documents confirm the supernatural darkness when Jesus was crucified Advanced scientific statements provide compelling evidence the Bible was inspired Incredibly modern medical statements prove that God inspired the Scriptures Hundreds of accurate prophecies demonstrate the Bible is supernatural
