Time Frames Scott Nygren, 2007

What is Literature? Arthur Gibson, 2007 The answer to the question what is literature has not been found This is the first book length attempt to find the answer by one author since Sartre in his 1948 book with the same title The book addresses issues such as how does literature speak to the world what is great writing what is originality what sorts of truths are there if any in creative writing The book uses hundreds of literary examples and confronts them with philosophy The book also explores some big questions about the meaning of life and sets them against a range of literature It asks questions like how does great science relate to literature The book advances the concept of counter intuition as part of the basis for answering the question what is literature The book is also concerned with practical matters such as the ways literature is involved with war corruption rights suffering and hope

Mishima, Aesthetic Terrorist Andrew Rankin, 2018-09-30 Half a century after his shocking samurai style suicide Yukio Mishima 1925-1970 remains a deeply controversial figure Though his writings and life story continue to fascinate readers around the world Mishima has often been scorned by scholars who view him as a frivolous figure whose work expresses little more than his own morbid personality In *Mishima Aesthetic Terrorist* Andrew Rankin sets out to challenge this perception by demonstrating the intelligence and seriousness of Mishima's work and thought Each chapter of the book examines one of the central ideas that Mishima develops in his writings life as art beauty as evil culture

as myth eroticism as transgression the artist as tragic hero narcissism as the death drive Along with fresh readings of major works of fiction such as *The Temple of the Golden Pavilion* and *Patriotism* the book introduces less familiar works in different genres Special prominence is given to Mishima's essays which contain some of his most brilliant writing Mishima is concerned with such problems as the loss of certainties and absolute values that characterizes modernity and the decline of strong identities in a world of increasing uniformity and globalization In his cultural criticism Mishima makes an impassioned defense of free speech and he rails against all forms of authoritarianism and censorship Rankin reads Mishima's artistic project up to and including his spectacular death as a single sustained lyric an aggressive piece of performance art unfolding in multiple media For all his rebellious energies Mishima's work is suffused with a sense of ending the end of art the end of eroticism the end of culture the end of the world and it is governed by a decadent aestheticism which holds that beautiful things radiate their most intense beauty on the cusp of their destruction Erudite and authoritative yet written in clear accessible prose *Mishima Aesthetic Terrorist* is essential reading for all those who seek a deeper understanding of this radical and provocative figure

On the Bullet Train with Emily Brontë Judith Pascoe, 2019-01-23 While teaching in Japan Judith Pascoe was fascinated to discover the popularity that Emily Brontë's novel *Wuthering Heights* has enjoyed there Nearly 100 years after its first formal introduction to the country the novel continues to engage the imaginations of Japanese novelists filmmakers manga artists and others resulting in numerous translations adaptations and dramatizations *On the Bullet Train with Emily Brontë* is Pascoe's lively account of her quest to discover the reasons for the continuous Japanese embrace of *Wuthering Heights* including quite varied and surprising adaptations of the novel At the same time the book chronicles Pascoe's experience as an adult student of Japanese She contemplates the multiple Japanese translations of Brontë as contrasted to the single or non-existent English translations of major Japanese writers Carrying out a close reading of a distant country's *Wuthering Heights* Pascoe begins to see American literary culture as a small island on which readers are isolated from foreign literature In this and in her previous book *The Sarah Siddons Audio Files* Pascoe's engaging narrative innovates a new scholarly form involving immersive research practice to attempt a cross-cultural version of reader response criticism *On the Bullet Train with Emily Brontë* will appeal to scholars in the fields of 19th-century British literature adaptation studies and Japanese literary history

Shifting the Ground of Canadian Literary Studies Smaro Kamboureli, Robert Zacharias, 2013-01-15 *Shifting the Ground of Canadian Literary Studies* is a collection of interdisciplinary essays that examine the various contexts political social and cultural that have shaped the study of Canadian literature and the role it plays in our understanding of the Canadian nation-state The essays are tied together as instances of critical practices that reveal the relations and exchanges that take place between the categories of the literary and the nation as well as between the disciplinary sites of critical discourses and the porous boundaries of their methods They are concerned with the material effects of the imperial and colonial logics that have fashioned Canada as well as with the paradoxes ironies and

contortions that abound in the general perception that Canada has progressed beyond its colonial construction Smaro Kamboureli's introduction demonstrates that these essays engage with the larger realm of human and social practices through speeches, book clubs, policies of accommodation of cultural and religious differences. Indigenous thought about justice and ethics to show that literary and critical work is inextricably related to the Canadian polity in light of transnational and global forces. The power of her writing, the passion of her ideals, and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists. Now the book that she's best known for, in which she provoked the argument that ultimately split apart the feminist movement, is being reissued for the young women and men of the twenty-first century. *Intercourse* enraged as many readers as it inspired when it was first published in 1987. In it, Dworkin argues that in a male supremacist society, sex between men and women constitutes a central part of women's subordination to men. This argument was quickly and falsely simplified to all sex is rape in the public arena, adding fire to Dworkin's already radical persona. In her introduction to this twentieth anniversary edition of *Intercourse*, Ariel Levy, the author of *Female Chauvinist Pigs*, discusses the circumstances of Dworkin's untimely death in the spring of 2005 and the enormous impact of her life and work. Dworkin's argument, she points out, is the stickiest question of feminism: Can a woman fight the power when he shares her bed? *Shock and Naturalization in Contemporary Japanese Literature* Carl Cassegård, 2007-03-29 This study introduces the concepts of naturalization and naturalized modernity and uses them as tools for understanding the way modernity has been experienced and portrayed in Japanese literature since the end of the Second World War. Special emphasis is given to four leading post-war writers: Kawabata Yasunari, Abe Kobo, Murakami Haruki, and Murakami Ryu. The author argues that notions of shock in modern city life in Japan, as exemplified in the writings of Walter Benjamin and George Simmel, while present in the work of older Japanese writers, do not appear to hold true in much contemporary Japanese literature. It is as if the shock impact of change has evolved as a naturalized or Japanized process. The author focuses on the implications of this phenomenon both in the context of the theory of modernity and as an opportunity to reevaluate the works of his chosen writers.
