Search For Faith:

Finding Faith---A Search for What Makes Sense Brian D. McLaren, 2009-07-13 Does having faith mean abandoning reason It s easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can t help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they re your answers conclusions you ve arrived at personally without manipulation coercion or game playing For faith to exist and grow it s got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul

Finding Faith Brian D. McLaren, 2000-06-27 Is there a God What might God be like What is the relationship between faith and certainty Can intelligent people believe in spiritual realities Why are there so many religions Is it possible to experience a relationship with God and if so how If you ve asked questions like these you re in good company From songwriters such as Bob Dylan and Jewel Kilcher to TV shows such as The X Files and Touched by an Angel the media and the arts reflect postmodern men and women s search for a living faith and a spiritually oriented life Real faith isn t blind believism It is a process that engages your intellect as well as your emotions If you think faith requires turning your back on truth and intellectual honesty then Finding Faith is one book you really ought to read With logic passion and even handedness that the thinking person will appreciate this book helps you face your obstacles to faith by focusing not on what to believe but on how to believe Whether you want to strengthen the faith you have renew the faith you lost or discover faith for the first time Finding Faith can coach inspire encourage and guide you and help you discover more in life than you d ever imagined or hoped for

Finding Faith---A Search for What Is Real Brian D. McLaren, 2009-07-13 There have been times when you ve felt that if there isn t a God there ought to be Swept up in the mystery of the night sky you ve felt the closeness of its designer Nature s extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you re not even sure exists Religious jargon and games can t satisfy such a longing It s got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The

doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *Hollywood Worldviews* Brian Godawa,2002-01-01 Award winning screenwriter Brian Godawa guides you through the place of redemption in film the tricks screenwriters use to communicate their messages and the mental and spiritual discipline required for watching movies Faith Hill James Dickerson,2001-06-23 From humble beginnings in Star Mississippi Faith Hill has soared to the top of the country and pop charts becoming one of the most successful female recording artists in history she has had eight number one singles and ten number one videos and her albums have sold millions She is country music s hottest star and America s newest sweetheart Everything she touches turns to gold Faith Hill Piece of My Heart tells the inspirational story of the Grammy winning singer s rise to stardom Drawing on interviews with Faith Hill her childhood friends and teachers music professionals and fans James L Dickerson chronicles her storybook life from birth to the present This intimate portrait of Faith Hill examines her Huck Finn like childhood her first marriage and divorce her hardscrabble years as a struggling artist in Nashville her love affair with the man who became her husband country superstar Tim McGraw her thoughts on marriage and motherhood and heartbreaking search for her birth mother Complete with photographs and insider information here at last is the whole story behind the life and music of Faith Hill country music s darling and pop superstar Faith and Philosophy Jerry H.
