Searching For Stars Stardom And Screen Acting In British Cinema:

Searching for Stars Geoffrey Macnab, 2000-01-30 Explores the reasons behind British cinema's failure to create its own stars. The text looks at the way theatre and music hall spawned their stars and asks why so many of them found the transition to film so awkward. It compares the British star system with that of Hollywood. What sort of contracts were British stars offered? How much were they paid? Who dealt with their publicity? How did British fans regard them? There are essays on key figures: Novello, Fields, Formby, Dore, Bogarde, Mason, Matthews, and an assessment of how British stars fared in Hollywood; an analysis of the effects of class and regional prejudice on attempts at British star making; and a survey of the British comedy tradition and some of the questions about how genre affected the star system. *British Stars and Stardom* Bruce Babington, 2001 British film stars, even the most famous ones such as James Mason, Sean Connery and Julie Andrews, are a neglected subject in film history. This interesting collection looks at the whole of British stardom from circa 1910 onwards and the many types of British stars who gained worldwide fame through national and international cinema. **Female Stars of British Cinema** Melanie Williams, 2017-07-07 Although stardom and celebrity have sometimes been seen as antithetical to traditional British notions of restraint and modesty, female stars have nonetheless always been an important attraction for audiences of British cinema, offering specifically British takes on ideas of glamour, acting prowess and femininity. This book will explore in detail the history of British female stardom from the 1940s to the present day through an examination of careers and star personae from Anna Neagle, who enjoyed record-breaking popularity in the immediate post-war years, to key contemporary figures such as Keira Knightley and Helen Mirren. This is a major new study of stardom in British cinema and the first to focus on female stars. *The Routledge Companion to British Cinema History* I.Q. Hunter, Laraine Porter, Justin Smith, 2017-01-12 This book offers a comprehensive and revisionist overview of British cinema as on the one hand a commercial entertainment industry and on the other a series of institutions centred on economics, funding and relations to government. Historical Dictionary of British Cinema Alan Burton, Steve Chibnall, 2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color, from talkies to sound and now 3D. It has been making a major contribution to world cinema. Many of its actors and directors have stayed at home, but others ventured abroad like Charlie Chaplin and Alfred Hitchcock. Today it is still going strong, the only real competition to Hollywood, turning out films which appeal not only to Brits, just think of *Bridget Jones*, while busily adding to franchises like *James Bond* and *Harry Potter*. So this *Historical Dictionary of British Cinema* has a lot of ground to cover. This it does with over 300 dictionary entries informing us about significant actors, producers and directors, outstanding films and series, organizations and studios, different film genres from comedy to horror, and memorable films among other things. Two appendixes provide lists of award winners. Meanwhile the chronology covers over a century of history. These parts provide the details, countless details, while the introduction offers the big story. And the extensive bibliography points toward other sources of information. **British**

Melodrama, Self and Nation in Post-War British Popular Film Johanna Laitila, 2018-06-22 This book investigates the portrayal of nationalities and sexualities in British post Second World War crime film and melodrama By focussing on these genres and looking at the concept of melodrama as an analytical tool apt for the analysis of both sexuality and nation the

book offers insight into the desires fears and anxieties of post war culture The problem of returning to normalcy after the war is one of the recurring themes discussed alienation from society family and the self were central issues for both women and men in the post war years and the book examines the anxieties surrounding these social changes in the films of the period In particular it explores heterosexuality and nationality as some of the most prominent frameworks for the construction of identities in our time structures that for all their centrality are made invisible in our culture The Oxford Handbook of Children's Film Noel Brown,2022 Offers a comprehensive and wide ranging study of children s film Takes an interdisciplinary approach that encompasses contributions from scholars in the fields of film studies children s education children s media studies children s literature studies animation studies and fandom studies Features an international scope covering iconic films from Hollywood including Disney as well as from Britain France Germany Sweden Norway Hungary Australia China Japan South Korea India Iran and Kenya Includes chapters written from a range of critical approaches to children s film including genre ideology narrative stardom music industry studies and primary research on audiences and reception Book jacket *Film - An International Bibliography* Malte Hagener,Michael Töteberg,2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverlässig Auskunft über rund 6000 internationale Veröffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk über Filmgeschichte bis hin zu Fernsehen Video Multimedia Beyond the Epic Gene D. Phillips,2006-11-24 Two time Academy Award winner Sir David Lean 1908 1991 was one of the most prominent directors of the twentieth century responsible for the classics *The Bridge on the River Kwai* 1957 *Lawrence of Arabia* 1962 and *Doctor Zhivago* 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism *Beyond the Epic The Life and Films of David Lean* uses screenplays and production histories to assess Lean s body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their comments reveal new details about the director s life and career Phillips also explores Lean s lesser studied films such as *The Passionate Friends* 1949 *Hobson s Choice* 1954 and *Summertime* 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean s approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean s successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature s greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean s ability to combine narrative sweep and psychological detail and

Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work *Beyond the Epic* is a vital assessment of a great director's artistic process and his place in the film industry *London in Cinema* Charlotte Brunsdon, 2019-07-25 Charlotte Brunsdon's illuminating study explores the variety of cinematic Londons that appear in films made since 1945 Brunsdon traces the familiar ways that film makers establish that a film is set in London by use of recognisable landmarks and the city's shorthand iconography of red buses and black taxis as well as the ways in which these icons are avoided She looks at London weather fog and rain and everyday locations like the pub and the housing estate while also examining the recurring patterns of representation associated with films set in the East and West Ends of London from *Spring in Park Lane* 1948 to *Mona Lisa* 1986 and from *Night and the City* 1950 to *From Hell* 2001 Brunsdon provides a detailed analysis of a selection of films exploring their contribution to the cinematic geography of London and showing the ways in which feature films have responded to and created changing views of the city She traces London's transformation from imperial capital to global city through the different ways in which the local is imagined in films ranging from Ealing comedies to *Pressure* 1974 as well as through the shifting imagery of the River Thames and the Docks She addresses the role of cinematic genres such as horror and film noir in the constitution of the cinematic city as well as the recurrence of figures such as the cockney the gangster and the housewife Challenging the view that London is not a particularly cinematic city Brunsdon demonstrates that many London set films offer their own meditation on the complex relationships between the cinema and the city

Popular Cinemas of Europe Dimitris Eleftheriotis, 2001-01-01 This book challenges the established conceptual and historical paradigm in Anglo American film studies that perceives European cinema as essentially high art Through a study of the specific contexts in which popular European films are produced distributed and exhibited the book proposes new analytical and critical frameworks for their study Films analyzed in the book include *Cinema Paradiso* *Mediterraneo* *Bhaji on the Beach* *Until the End of the World* *Underground* and *Jam n Jam n*

Femininity in the Frame Melanie Bell, 2009-11-30 It's widely assumed that Britain in the 1950s experienced a return to traditional gender roles Popular cinema has typically been seen to represent this era through the dominant image of the happy housewife *Femininity in the Frame* is a sharply observant account of how British cinema engaged with femininity and women's roles during this important period Written in a lively and accessible manner it challenges received understandings arguing that the period was marked by social unease and anxiety about gender roles and femininity with much British cinema producing ambiguous messages about feminine identities and the role of women Through analysing marginalized figures such as prostitutes criminals and femmes fatales and addressing central themes notably sexuality marriage and female friendship Melanie Bell examines how British popular cinema imagined and constructed femininity in this era of rapid social and cultural change She draws together sources ranging from official reports to film reviews with case studies of films across genres including *The Perfect Woman* *Young Wives Tale* *The Weak and the Wicked* and *A Town Like Alice* to show how new ideas and

understandings of femininity were seeping into the cultural imagery at this time She demonstrates how such films expressed proto feminist ideas and how they ultimately explored new forms of femininity in a manner that has not until now been recognised

Heartthrobs Carol Dyhouse,2017-02-09 From dreams of Prince Charming or dashing military heroes to the lure of dark strangers and vampire lovers from rock stars and rebels to soulmates dependable family types or simply good companions female fantasies about men tell us a great deal about the history of women In Heartthrobs Carol Dyhouse draws upon literature cinema and popular romance to show how the changing cultural and economic position of women has shaped their dreams about men When girls were supposed to be shrinking violets passionate females risked being seen as unbridled or dangerously out of control Change came slowly and young women remained trapped in a double bind you may have needed a husband in order to survive but you had to avoid looking like a gold digger Show attraction too openly and you might be judged fast and undesirable Education and wage earning brought independence and a widening of horizons for women These new economic beings showed a sustained appetite for novel reading cinema going and the dancehall They sighed over Rudolph Valentino s screen performances as tango dancer or Arab tribesman and desert lover Women may have been ridiculed for these obsessions but as consumers they had new clout This book reveals changing patterns of desire and looks at men through the eyes of women
