Searching For Certainty Inside The New Canadian Mindset:

The Canadian Alternative Klaus Martens,2004 *How Ottawa Spends, 2004-2005* G. Bruce Doern,2004-10-19

Drawing on the work of academics and other experts from across Canada Carleton University's School of Public Policy and Administration's annual book takes a focused and robust look at an era where a political coronation seemed inevitable but high expectations had to be managed downwards almost immediately A less than buoyant fiscal surplus escalating concerns about liberal ethics and corruption and a growing volatility in public opinion are examined as are Canadians increasingly uncertain views about the new Liberal leadership versus the old Liberal Party's ten year hold on power A new Conservative Party and a suddenly feisty New Democratic Party are also a central part of the new 2004-2005 Canadian political and policy milieu

Leadership Mindsets Linda Kaser,Judy Halbert,2009-03-04 The evidence is clear school leaders make a difference to the learning of the pupils they serve And yet not all leaders have the same degree of impact What are the factors that make the difference to student learning Why are some leaders able to raise student achievement in schools in the most challenging circumstances whilst other leaders struggle to simply maintain the status quo Drawing from international case study research over many years from the experience of hundreds of school leaders serving widely diverse communities Judy Halbert and Linda Kaser argue that there are six distinct mindsets that characterize the way successful learning oriented leaders operate and make sense of their professional world These leaders are motivated by intense moral purpose knowledgeable about current models of learning consistently inquiry oriented able to build trusting relationships evidence informed able to move to wise action This book outlines an alternative way of thinking about school leadership It examines research evidence that leaders will find most useful and suggests how they might use this evidence to maximise their learning and the learning of their students *Leadership Mindsets* has been written specifically for aspiring to newly appointed school leaders who are determined and motivated to create quality and equality for learners in the schools they serve through networks of inquiry learning and support

The World in Canada David Carment,David Bercuson,2008-02-07 In response to these questions contributors trace changes in Canada's demographic make up explore the relationship between domestic politics and Canadian foreign policy across the fields of diplomacy development defense and security and immigration and determine the extent to which Quebec's sensibilities to international issues differ from those of the rest of the country *The World in Canada* argues that under certain conditions the motivation to pursue certain policy choices arises as much from domestic considerations as from the international conditions associated with them

Canadian Music and American Culture Tristanne Connolly,Tomoyuki Iino,2017-06-30 This collection explores Canadian music's commentaries on American culture American Woman get away from me one of the most resonant musical statements to come out of Canada is a cry of love and hate for its neighbour Canada's close inescapable entanglement with the superpower to the south provides a unique yet representative case study of the benefits and detriments of the global American culture machine

Literature scholars apply textual and cultural analysis to a selection of Anglo Canadian music from Joni Mitchell to Peaches via such artists as Neil Young Rush and the Tragically Hip to explore the generic borrowings and social criticism the desires and failures of Canada's musical relationship with the USA This innovative volume will appeal to those interested in Music Canadian Studies and American Studies **The Oxford Handbook of Canadian Politics** John Courtney, John Childs Courtney, David Smith, 2010-04-29 The Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy *Medicine and the Market* Daniel Callahan, Angela A. Wasunna, 2006-05-22 Outstanding Academic Title for 2007 Choice Magazine Much has been written about medicine and the market in recent years This book is the first to include an assessment of market influence in both developed and developing countries and among the very few that have tried to evaluate the actual health and economic impact of market theory and practices in a wide range of national settings Tracing the path that market practices have taken from Adam Smith in the eighteenth century into twenty first century health care Daniel Callahan and Angela A Wasunna add a fresh dimension they compare the different approaches taken in the market debate by health care economists conservative market advocates and liberal supporters of single payer or government regulated systems In addition to laying out the market versus government struggle around the world from Canada and the United States to Western Europe Latin America and many African and Asian countries they assess the leading market practices such as competition physician incentives and co payments for their economic and health efficacy to determine whether they work as advertised This timely and necessary book engages new dimensions of a development that has urgent consequences for the delivery of health care worldwide

Canadian Books in Print. Author and Title Index ,1975 *Sharing Our Success* David Bell, Kirk David Anderson, Society for the Advancement of Excellence in Education, 2004 The disturbing educational success rates for Aboriginal students in comparison with their peers have been documented for many years Reducing this persistent achievement gap is one of Canada's most pressing educational challenges Numerous reports commissioned by federal and provincial governments and Aboriginal authorities have offered detailed examinations of the complex social economic linguistic and cultural interrelationships that contextualize the educational environments of Aboriginal students Many of their families struggle with the legacy of residential schools that ripped families apart and caused immeasurable damage to the social fabric Schools serving these communities work within a context that may include poverty learned helplessness despair and high levels of abuse addictions and violence For some communities student suicide rates may exceed graduation rates Yet despite many extraordinary challenges some schools are producing tangible progress for their Aboriginal students This

report springs from a study of ten such schools in an effort to identify practices that appear to contribute to their success

Diplomacy in the Digital Age Janice Gross Stein, 2011-10-11 Edited by Canada's premiere commentator on global affairs this must read for political junkies will show the quality of M The Professional Diplomat on Facebook Personal Diplomacy in the Age of Twitter and Where is Headquarters Contributors include professional diplomats award winning journalist Andrew Cohen former Globe and Mail editor and author Ed Greenspon and Allan Gotlieb's wife and partner in social diplomacy Sondra Gotlieb

From Pride to Influence Michael Hart, 2009-04-30 Recent Canadian foreign policy has fixated upon Canada's former status as a middle power within a small club of western democratic states The emergence of a US dominated world and of an integrated North American economy and the decline of multilateral rules and institutions as prime instruments of global governance have left Canadian foreign policy searching for new purpose and direction From Pride to Influence brings Canadian foreign policy into the twenty first century by grounding it in a conception of the national interest that accepts the primacy of the United States in guaranteeing Canadian national security and prosperity It will appeal to the engaged public practitioners analysts and senior undergraduate and graduate classes focused on Canadian foreign policy

The People's House of Commons David E. Smith, 2007-04-21 Canada's House of Commons has come under considerable attack in recent years Many critics have contended that the House has been unresponsive to public opinion and that its party leaders have too much control while leaving individual MPs essentially powerless The House has also faced challenges by the courts since the introduction of the Charter a powerful bureaucracy equipped with specialized knowledge and new telecommunications systems that are redefining the transfer of information Through an examination of academic judicial political and legal commentary The People's House of Commons explores the role of the House as a public institution While addressing much of the criticism that has been levelled at the House David E Smith considers the competing political models and inherent tensions and their affect on public understanding Smith maintains that court decisions are transforming the political system from one dominated by parties to one that promotes individual participation He argues that reforms such as fixed election dates or stronger parliamentary committees have constitutional significance since their implementation would alter the practice of responsible government which for more than a century has been a party government A definitive work by one of Canada's foremost experts in the field of political science The People's House of Commons explores the ramifications of many of the changes currently being proposed to Canada's political system with particular reference to their affect on prerogative power parliamentary privilege party discipline bicameralism and the role of the opposition

Law and Society Steven Vago, Adie Nelson, Veronica Nelson, Steven E. Barkan, 2017-09-26 Law and Society provides a balanced and comprehensive analysis of the interplay between law and

society using both Canadian and international examples This clear and readable text is filled with interesting information ideas and insights All materials and supporting statistics have been carefully updated This edition includes an expanded discussion of the law and First Nations people recent developments impacting LGBTIQ2S persons and persons with disabilities and a new section on civil procedures Each chapter is structured similarly with an outline learning objectives key terms chapter summaries critical thinking questions and an array of additional resources Canadian Fiscal Arrangements Harvey Lazar,2005-08-18 The key issues in fiscal federalism will be debated once again when the federal government the provinces and the territories return to the negotiating table Ottawa has appointed an expert panel on equalization and territorial formula financing and the provinces and territories have established an advisory panel on fiscal imbalance Both will report in the first half of 2006 after which the negotiating pace will accelerate In a timely collection contributors from the government and academia tackle these fiscal policy issues from a broad spectrum of perspectives **The Return of the State** Adam Harmes,2009-12-01 In this provocative book Adam Harmes reveals how only effective political globalization can balance and hold in check the extremes of global corporations Free trade agreements and economic globalization have created a gap between global transnational corporations and governments mired within national boundaries Large corporations are now operating above the law Return of the State takes us into the corporate boardrooms government departments and international organizations where a new global compromise is being forged It argues that political globalization is both necessary and likely revealing what it will involve and what it will mean for corporations civil society and private citizens around the world Return of the State is well researched hard hitting controversial and prescient

Searching for Certainty Darrell Jay Bricker,Edward Greenspon,2001 The 1990s was a decade of reckoning that compressed our spirits as well as our bank accounts We hunkered down through a prolonged winter of decline before finally at decade s end emerging to breathe in the first stirrings of national recovery The long journey tested our confidence in the country its governments our employers and even ourselves Happily we discovered a new inner strength and the wisdom to take advantage of global trends and to build a new social and cultural Canada in the post Trudeau era from Searching for Certainty Darrell Bricker president of the leading market research firm in Canada and Ed Greenspon political columnist for The Globe and Mail join forces to offer a comprehensive report on the new economic social and cultural Canada the dramatic changes wrought by globalization and technological innovation over the last two decades as well as the more subtle shifts in how we approach work health care and education Using the most up to date and complete data available they analyze economic trends from global trade to the workplace and trace the ways in which Canadian society and culture have been transformed They reveal that Canada has emerged from the late twentieth century a stronger and more dynamic society Far from becoming more American the new mindset is steeped in Canadian traditions of tolerance and community In the aftermath of the 1990s Canada is a society searching more than ever before for certainty not promises for quality of life not

quantity of goods One example a decade ago Canadians had never heard of the Internet and the public equated new technology with job loss By the fall of 2000 70 per cent of adults more than 15 million individuals were connected to the Internet at home or work or school By the end of 2001 four out of five Canadians will probably enjoy access How is the Internet changing our health care our political unity how we shop even our power in relation to governments and corporations Searching for Certainty is a smart and entertaining fact filled account of how the changes over the last two decades affect us now and will determine how we feel and what we want tomorrow Combining demographic statistics with a journalist's keen eye for real life stories Bricker and Greenspon offer valuable insights for business and public policy and practical tips on how to survive and prosper in the new economy Good Government? Good Citizens? W.A. Bogart, 2007-10 Examining the altered roles of courts politics and markets over the last two decades this book explores the evolving concept of the citizen in Canada at the beginning of this century 30 Mitch Diamantopoulos, 2009 Journalism matters and this book proves it This insightful eloquent and entertaining anthology paints a compelling portrait of Canada and Canadian journalism in a rapidly changing world It brings together in one volume thirty years of the prestigious James M Minifie Lecture at the University of Regina's School of Journalism Touching on a wide range of topics from war to climate change to our ongoing constitutional crisis these lectures delivered by some of Canada's leading journalists stand as a tribute to press freedom and journalistic imagination in Canada This volume should be required reading not just for journalists but for anyone concerned about the state of the democratic process a process that journalism informs and animates With media industries in crisis and the democratic craft of journalism in peril this collection serves as a chronicle of the re-invention of Canada and of Canadian journalism over the last three decades The Minifie Lectures 1981-2010 is an intriguing glimpse into the inner life of the press corps as such it will be an essential guide for journalists and media reform movements alike in the years ahead
