P. Hanson, 2005-01-01 First published in 1988 The Search for the Christian Doctrine of God is still considered by many scholars to be the finest work on the Arian Controversy Examining scholarly works on the Controversy and many original texts Professor Hanson provides a clear understanding of how the traditional and historic doctrine of God as the Holy Trinity reached its most mature and enduring form The author is not primarily concerned to defend the orthodox position itself but rather to discover and examine the formation of that orthodoxy The history of the events the Councils the interventions of the Emperor the rivalries of sees the behaviour of bishops the varying fortunes of the different schools of thought and their leaders is interwoven with the progression of thought and doctrine during the sixty years of the Controversy Professor Hanson sees the problem of the reconciliation of two concepts which were both part of the very fabric of Christianity monotheism and the worship of Jesus Christ as divine      *The Search-light* , 1903      *Jeremiah's Search for the Truth* Jeremy Vincent, 2010-05-18 I dedicate this book to those people that question the world around them Even as a young child I wondered about things that most people simply dismissed as what is I dedicate this book to the questions that have never been answered because they have never been asked I would also like to dedicate this book to the two greatest girls a father could ask for Hannah and Madelyn My wife and I have dedicated our lives to ensuring our girls are better than their parents They are well on their way      The Search for the Self in Statius' ›Thebaid‹ Jean-Michel Huls, 2021-07-19 The aim of this project is to provide a sustained

analysis of the concept of self in Statius Thebaid It is this project's contention that the poem is profoundly interested in ideas of identity and selfhood The poem stages itself as a metapoetic exploration of the difficulties for a belated epicist in finding a place in the literary canon it shows the impossibility of squaring large scale epic poetics with small scale finely wrought Callimacheanism it reflects the violent disjunction between Statius' authorial pose as a poet without power and the extreme violence of his poetics it opens up the intricacies of constructing original coherent characters out of intertextual exemplary models The central tenet of the project is that Statius in the Thebaid stages his own death but does so that his poem may live This book is intended for an academic audience including undergraduate and graduate students as well as specialists in the field Although the project will be of primary importance to readers of Flavian literature it will also be of interest to those who study intertextuality and characterisation in Roman literature more generally selfhood and identity in Roman literature and culture and the reception of Roman literature

**The Emperor's Folly** Pasquale De Marco, 2025-03-18 In the aftermath of Napoleon Bonaparte's crushing defeat at the Battle of Waterloo a British army officer named William Siborne embarked on an ambitious project to create a vast and intricate model depicting the entirety of the battlefield This extraordinary model meticulously crafted with 75 000 tin lead soldiers and spanning over 400 square feet was intended to serve as a lasting tribute to the fallen soldiers and a valuable tool for studying military strategy and tactics However Siborne's ambitious endeavor soon became embroiled in controversy when the Duke of Wellington the victorious

Allied commander at Waterloo vehemently criticized the model's accuracy. The ensuing public debate between Siborne and Wellington captivated the nation and threatened to overshadow the legacy of the Battle of Waterloo itself. This book delves into the fascinating story behind the creation of Siborne's model and the bitter feud that erupted between him and the Duke of Wellington. Through extensive research and captivating storytelling, we uncover the motivations, ambitions, and personalities that fueled this extraordinary conflict. We explore the historical context of the Napoleonic Wars, the significance of the Battle of Waterloo, and the enduring legacy of Siborne's model. Join us on a journey through time as we unravel the secrets of this extraordinary model and the dramatic events that unfolded around it. [The Search for the Panchen Lama](#) Isabel Hilton, 2001. In this chilling picture of the brutality of Chinese repression in Tibet, Wall Street Journal Hilton relates the 1995 kidnap and disappearance of a seven-year-old Tibetan boy believed to be the 11th incarnation of the Panchen Lama. 21 photos. [Zhang Yijing \(1871-1931\) and the Search for a Chinese Christian Identity](#) Jue Wang (觉王), 2021-10-06. Can Christian identity and national identity be reconciled? For Christians in China, this question is particularly fraught. While Sinicization offers the indigenous church one path forward, it fails to provide a tenable solution for believers unwilling to submit their love of God under love of country. Dr. Jue Wang explores an alternative roadmap for Chinese Christian identity in the writings of Zhang Yijing. The editor of True Light, a Chinese Baptist publication, Zhang was also a Chinese patriot, Confucian, and life-long proponent of science and reason. Utilizing the lens of identity studies, Dr. Wang examines Zhang's process of reconciling faith and culture in his quest to be both authentically Christian and authentically Chinese. This study offers a fascinating glimpse into the modern history of the Chinese church while uncovering the significance of an often overlooked Chinese Christian apologist. Zhang's example offers encouragement and hope for believers around the world seeking to integrate social, cultural, and national identities under the lordship of Christ.
