Seascapes And Angels:

Seascapes and Angels Dermot O'Neill, 2000 It had always been Dermot O'Neill's boyhood dream to sail the Atlantic alone Struggling with internal fears and adult anxieties that threatened to stifle his dream he decided to do it before his fears won out He set out alone to sail from his Irish home of Arklow to the Barbadoes He quickly found himself in deep personal waters The 14 month 12 000 mile round trip journey in his sailboat Poitin led to terrifying times with storms close encounters with death insanity hunger and loneliness This is an exciting and inspiring book about an ordinary man dealing with a critical stage in his life but it is also a tale of fun excitement and the utter joy of personal and physical fulfillment Seascapes of a Soul: Wholeness and the Sense of Self Venetia Somerset, 2023-06-23 The search for self knowledge and identity is a common theme in autobiographies these days So also is the search for a spirituality other than that of the conventional religions Both are found in *Seascapes of a Soul Wholeness and the Sense of Self* This book is an account of a unique spirit on an often solitary journey With clear argumentation and transparent honesty this author presents a story that reaches towards individuation gained partly through discovering C G Jung's ideas about the psyche Several themes recur the onset of old age Jungian individuation solitude and aloneness mood swings a rejection of orthodox religion a love for the natural world an interest in gnosticism the inner sense of the Divine Her relationship with her twin sister is also prominent There is light and dark here the ups and downs of living with a twin In rejecting the Christianity she grew up with she followed an innate urge to a spirituality that ultimately arose from the strong sense of self she had had from an early age If this has a name it would be gnostic because it is a perception of inner divinity the God within This is a woman's story with a difference Although unlike so many she did not have to struggle through a life of disadvantage and deprivation she did have to wrestle with a powerful self that sometimes wandered up blind alleys into ego But she learned to accept mistakes and incorporate them into what Einstein called a calm and modest life Images of the sea symbols of the unconscious run through the book The seascapes at the head of each chapter function in the story as a leitmotif for the moods and moods of the spirit *Seascape and the American Imagination* Roger B. The Prison Angel Mary Jordan, Kevin Sullivan, 2006-05-30 The winners of the 2003 Pulitzer Prize for international reporting tell the astonishing story of Mary Clarke At the age of fifty Clarke left her comfortable life in suburban Los Angeles to follow a spiritual calling to care for the prisoners in one of Mexico's most notorious jails She actually moved into a cell to live among drug king pins and petty thieves She has led many of them through profound spiritual transformations in which they turned away from their lives of crime and has deeply touched the lives of all who have witnessed the depth of her compassion Donning a nun's habit she became Mother Antonia renowned as the prison angel and has now organized a new community of sisters the Servants of the Eleventh Hour widows and divorced women seeking new meaning in their lives We had never heard a story like hers Jordan and Sullivan write a story of such powerful goodness Born in Beverly Hills Clarke was raised around the glamour of Hollywood and looked like a star herself a beautiful blonde reminiscent of Grace Kelly The choreographer Busby Berkeley spotted her at a restaurant and offered her a job but Mary's dream was to be a happy wife and mother She raised seven children but her two unfulfilling marriages ended in divorce Then in the late 1960s in midlife she began devoting herself to charity work realizing she had an extraordinary talent for drumming up donations for the sick and poor On one charity mission across the Mexican border to the drug trafficking capitol of Tijuana she visited La Mesa prison and experienced an intense feeling that she had found her true life's work As she recalls I felt like I had come home Receiving the blessings of the Catholic Church for her mission on March 19 1977 at the age of fifty she moved into a cell in La Mesa sleeping on a bunk with female prisoners above and below her Nearly twenty eight years later she is still living in that cell and the remarkable power of her spiritual counseling to the prisoners has become legendary The story of both one woman's profound journey of discovery and growth and of the deep spiritual awakenings she has called forth in so many lost souls *The Prison Angel* is an astonishing testament to the powers of personal transformation Angel in the Sun Gerald Finley, 1999-03-10 Turner was deeply affected by the world in which he lived the sciences that explained it and the conflicts and accomplishments of his society He wove these strands into the dense fabric of the historical pictures he created pictures that were extremely varied complex original and controversial In *Angel in the Sun* Gerald Finley untangles the various thematic strands running through Turner's art including the intersection of private and public histories classical and biblical history and contemporary events and science and religion and shows how Turner's use of light and colour played an important role in conveying these ideas *Angel in the Sun* includes over 130 illustrations in colour and black and white that reveal Turner's remarkable achievement as a painter of historical subjects Because of its interdisciplinary nature the book
