The nineteen outstanding poets included here represent a wide diversity of themes, styles, and perspectives in one of South America's smaller nations. All of them have published extensively, have been recognized through literary awards, and inclusion in national and international anthologies, and continue writing and publishing today. For readers unfamiliar with Ecuador, the Introduction provides a brief background of its geography, history, politics, economy, and society. This is followed by an ample selection of representative poems published previously in Spanish with translations in English on facing pages. The book concludes with a brief biographical sketch of each poet and an unprecedented bibliography of primary and secondary sources for those readers who might want to pursue further reading or research on any poet of interest. *Contemporary Uruguayan Poetry: A Bilingual Anthology* and *Exotic Territory: A Bilingual Anthology of Contemporary Paraguayan Poetry* are two companion volumes that offer similar exposure to poetry that deserves to be better known in the English-speaking world. **Artists, Writers, and Musicians** Michel-Andre Bossy, Thomas Brothers, John Craig McEnroe, 2001-10-30 Disney's animated trailblazing Dostoyevsky's philosophical neuroses, Hendrix's electric haze, Hitchcock's masterful manipulation, Frida Kahlo's scarifying portraits, Van Gogh's vigorous color, and Virginia Woolf's modern feminism: this multicultural reference tool examines 200 artists, writers, and musicians from around the world. Detailed biographical essays place them in a broad historical context, showing how their luminous achievements influenced and guided contemporary and future generations, shaped the internal and external perceptions of their craft, and met the sensibilities of their audience. **Global Change Makers : Anthology of International English Poetry** Bhagirath Choudhary, 2025-05-21
