Season Inside Palm Beach And Americas Richest Society:

The Season Ronald Kessler, 2010-12-28 Palm Beach is known around the world as the most wealthy glamorous opulent decadent self indulgent sinful spot on earth With their beautiful 3 75 square island constantly in the media glare Palm Beachers protect their impossibly rich society from outside scrutiny with vigilant police ubiquitous personal security staffs and screens of tall hedges encircling every mansion To this bizarre suspicious exclusive world New York Times bestselling author Ronald Kessler brought his charm insight and award winning investigative skills and came to know Palm Beach its celebrated and powerful residents and its exotic social rituals as no outside writer ever has In this colorful entertaining and compulsively readable book Kessler reveals the inside story of Palm Beach society as it moves languidly through the summer months quickens in the fall and shifts into frenetic high speed as the season begins in December peaks in January and February and continues into April When unimaginable wealth combines with unlimited leisure time oil an island barely three times the size of New York s Central Park human foibles and desires lust and greed passion and avarice become magnified and intensified Like laboratory rats fed growth hormones the 9 800 Palm Beach residents 87 percent of whom are millionaires exhibit the most outlandish extremes of their breed To tell the story Kessler follows four Palm Beachers through the season These four characters the reigning queen of Palm Beach society the night manager of Palm Beach s trendiest bar a gay walker who escorts wealthy women to balls and a thirty six year old gorgeous blonde who says she can t find a guy in Palm Beach know practically everyone on the island and tell what goes on behind the scenes Interweaving the yarns of these unforgettable figures with the lifestyle history scandals lore and rituals of a unique island of excess The Season creates a powerful seamless juicy narrative that no novelist could dream up

Palm Beach, Mar-a-Lago, and the Rise of America's Xanadu Les Standiford, 2019-11-05 From the first Gilded Age to the second a charming zippy history a rollicking informative lesson in real estate American history and current events Town Country Looking at the island of Palm Beach today with its unmatched mansions tony shops and pristine beaches one is hard pressed to visualize the dense tangle of Palmetto brush and mangroves that it was when visionary entrepreneur and railroad tycoon Henry Flagler first arrived there in April 1893 Trusting his remarkable instincts he built the Royal Poinciana Hotel within a year and two years later what was to become the legendary Breakers instantly establishing the island as the preferred destination for those who could afford it Over the next 125 years Palm Beach has become synonymous with exclusivity especially its most famous residence Mar a Lago As Les Standiford relates the high walls of Mar a Lago and other manses like it were seemingly designed to contain scandal within as much as keep intruders out This book tells the history of this fabled landscape intertwined with the colorful lives of its famous and infamous protagonists from Flagler s two wives to architect Addison Mizner who created Palm Beach s Mediterranean look to heiress Marjorie Merriweather Post and her husband E F Hutton the original residents of Mar a Lago With authoritative detail Standiford recounts how Marjorie ruled Palm Beach society until her death in 1973 and how the fate

of her mansion threatened to tear apart the very fabric of the town until Donald Trump acquired it in 1985 Edifying energetic and captivating Florida Weekly

The Grifter's Club Sarah Blaskey, Nicholas Nehamas, Caitlin Ostroff, Jay Weaver, 2020-08-04 An astonishing look inside the gilded gates of Mar a Lago the palatial resort where President Trump conducts government business with little regard for ethics security or even the law Donald Trump's opulent Palm Beach club Mar a Lago has thrummed with scandal since the earliest days of his presidency Long known for its famous and wealthy clientele the resort's guest list soon started filling with political operatives and power seekers Meanwhile as Trump rebranded Mar a Lago the Winter White House and began spending weekends there state business spilled out into full view of the club's members and vast sums of taxpayer money and political donations began flowing into its coffers and into the pockets of the president The Grifter's Club is a breakthrough account of the impropriety intrigue and absurdity that has been on display in the place where the president is at his most relaxed In these pages a team of prizewinning Miami Herald journalists reveal the activities and motivations of the strange array of charlatans and tycoons who populate its halls Some peddle influence some seek inside information and some just want to soak up the feeling of unfettered access to the world's most powerful leaders With the drama of an expose and the edgy humor of a Carl Hiaasen novel The Grifter's Club takes you behind the velvet ropes of this exclusive club and into its bizarre world of extravagance and scandal

The Secrets of the FBI Ronald Kessler, 2012-08-07 New York Times bestselling author reveals the FBI's most closely guarded secrets with an insider look at the bureau's inner workings and intelligence investigations Based on inside access and hundreds of interviews with federal agents the book presents an unprecedented authoritative window on the FBI's unique role in American history From White House scandals to celebrity deaths from cult catastrophes to the investigations of terrorists stalkers Mafia figures and spies the FBI becomes involved in almost every aspect of American life Kessler shares how the FBI caught spy Robert Hanssen in its midst as well as how the bureau breaks into homes offices and embassies to plant bugging devices without getting caught With revelations about the raid on Osama bin Laden's compound the recent Russian spy swap Marilyn Monroe's death Vince Foster's suicide and even J Edgar Hoover The Secrets of the FBI presents headline making disclosures about the most important figures and events of our time

The Terrorist Watch Ronald Kessler, 2008-12-30 You make a mistake there are dead people FBI Special Agent Art Cummings head of international counterterrorism operations Drawing on unprecedented access to FBI and CIA counterterrorism operatives New York Times bestselling author Ronald Kessler presents the chilling story of terrorists relentless efforts to mount another devastating attack on the United States and of the heroic efforts being made to stop those plots Kessler takes you inside the war rooms of this battle from the newly created National Counterterrorism Center to FBI headquarters from the CIA to the National Security Agency from the Pentagon to the Oval Office to explain why we have gone so long since 9 11 without a successful attack and to reveal the many close calls we never hear about The race to stop the terrorists Kessler shows is more desperate than ever Based on exclusive interviews

with FBI Director Robert Mueller CIA Director Michael Hayden White House Counterterrorism Chief Fran Townsend and dozens of key intelligence operatives at all levels The Terrorist Watch tells the previously unreported story of how the United States helped thwart the 2006 London terrorist plot broke up terrorist cells in Canada and prevented numerous other attacks reveals how the CIA and FBI have rolled up more than 5 000 terrorists worldwide since 9 11 provides a stunning insider s account from the FBI agent who spent eight months debriefing Saddam Hussein after his capture pinpoints press leaks that have resulted in CIA agents deaths caused foreign countries to stop cooperating on key investigations and even tipped off Osama bin Laden to U S surveillance destroys numerous media myths such as the canard that the FBI and CIA still don t cooperate on investigations discloses the truth about the number of U S mosques where imams preach jihad shows how the intelligence community has radically changed its mission and how the media have misled the public about those changes Never before has a journalist gained such access to the FBI the CIA the National Counterterrorism Center and the other agencies that are doing the unheralded work of finding and capturing terrorists Ronald Kessler s you are there narrative tells the real story of the war on terror and will transform the way you view the greatest problem of our age **The Natural History of the Rich: A Field Guide** Richard Conniff,2003-10-17 A tantalizing droll study of the idiosyncratic existence of the very rich through the unexpected lens of the naturalist Journalist Richard Conniff probes the age old question Are the rich different from you and me and finds that they are indeed a completely different animal He observes with great humor this socially unique species revealing their strategies for ensuring dominance and submission their flourishes of display behavior the intricate dynamics of their pecking order as well as their unorthodox mating practices Through comparisons to other equally exotic animals Conniff uncovers surprising commonalities *F.W. Woolworth and the American Five and Dime* Jean Maddern Pitrone,2007-01-23 For more than a century Woolworth s five and dime stores represented Americana mirroring the country s growth its good times and bad its foibles and its fads The chain was founded by Frank W Woolworth who in 1879 established two stores one in Utica New York which failed and was closed down and another in Lancaster Pennsylvania which succeeded and marked the beginning of the legacy of the Woolworth s Five and Tens This work is a full account of the chain its rags to riches founder Frank W Woolworth and his flamboyant and tragic descendants It traces the important role that Woolworth stores played in the sit down strikes of the 1930s the lunch counter sit ins that began in Greensboro North Carolina as part of the Civil Rights movement which tainted Woolworth s as the Big Business enemy of the downtrodden and the gradual disintegration of the five and tens during the 1980s and early 1990s The dramatic story is enhanced with important photos featuring such events as the closing of a Woolworth s in Germany by Nazi soldiers and the Greensboro sit in as well as archival photos from Woolworth s 40th 50th and 60th anniversary booklets [The New York Times Book Reviews 2000](#) New York Times Staff,2001 This anthology examines Love s Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and

sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

The Trump White House Ronald Kessler, 2018-04-03 The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler Based on exclusive interviews with the president and his staff The Trump White House Changing the Rules of the Game tells the real story of what Donald Trump is like who influences him how he makes decisions what he says about the people around him and how he operates when the television lights go off while portraying the inside story of the successes that have already brought solid results as well as the stumbles that have turned off even longtime supporters and undercut his agenda The Trump White House reveals Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump's most disastrous decisions Trump is aware that his daughter and son-in-law are problems and has hinted to them that they should go back to New York Seeing Jared on TV Trump said Look at Jared he looks like a little boy like a child First Lady Melania Trump has a tremendous impact on policy and strategy She sits in on meetings and is widely admired by aides for her judgment Kellyanne Conway is the No. 1 White House leaker Trump's Secret Service Director Randolph Tex. Alles proposed withdrawing protection from some Trump family members and aides to save money Horrified White House staffers shot down the idea Trump has told friends that billionaires are constantly asking him to fix them up with longtime Communications Director Hope Hicks a former model but he says he refuses Trump calls certain reporters directly feeding them stories attributed to a senior White House official creating the impression that the White House leaks even more than it already does Never before has an American president had so much impact on the country and the world in so short a time as Donald Trump Yet no president has stirred so much controversy dominating media coverage and conversation both pro and con Months after Trump took office consumer confidence hit a seventeen year high unemployment plummeted to the lowest level in seventeen years and the stock market zoomed to repeated record highs At the same time ISIS was nearly defeated Arab countries banded together to stop financing terrorists and promoting radical Islamic ideology and Trump's decision to send missiles into Syria because of its use of chemical weapons and his strident warnings to North Korean leader Kim Jong-un made it clear to adversaries that they take on the United States at their peril Yet for all the media coverage Trump remains a cipher Ronald Kessler has known Trump and First Lady Melania Trump for two decades and understands him better than any other journalist The book includes an exclusive interview with Trump the only interview he says he has given or will give for a book as president Crammed with media grabbing revelations The Trump White House is the unvarnished and unbiased inside story that answers the question Who is Donald Trump

Laura Bush Ronald Kessler, 2007-04-10 An authorized portrait of America's First Lady offers a rare glimpse inside the private world of Laura Bush the beliefs and attitudes that

shape her life and her influence on the president and his administration **Richistan** Robert Frank,2008-06-03 The rich have always been different from you and me but this revealing and funny journey through Richistan entertainingly shows that they are more different than ever Richistanis have 400 foot yachts 30 000 square foot homes house staffs of more than 100 and their own arborists They re also different from Old Money and have torn down blue blood institutions to build their own shining empire Richistan is like the best travel writing full of colorful and interesting stories providing insights into exotic locales Robert Frank has been loitering on the docks of yacht marinas pestering his way into charity balls and schmoozing with real estate agents selling mega houses to capture the story of the twenty first century s nouveau riche House training the rich People with new wealth have to be taught how to act like well proper rich people Just in the nick of time there s been a boom in the number of newly trained butlers household managers who will serve just the right cabernet when a Richistani s new buddies from Palm Beach stop by My boat is bigger than your boat Only in Richistan would a 100 foot boat be considered a dinghy Personal pleasure craft have started to rival navy destroyers in size and speed Richistan is also a place where friends make fun of those misers who buy the new girlfriend a mere Mercedes SLK You want my money Prove that you re helping the needy Richistanis are not only consuming like crazy they re also shaking up the establishment s bureaucratic slow moving charity network making lean results oriented philanthropy an important new driving force Move over Christian Coalition Richistanis are more Democratic than Republican fed up and not going to take it anymore and willing to spend millions to get progressive oriented politicians elected My name is Mike and I m rich Think that money is the answer Think again as Robert Frank explores the emotional complexities of wealth And as Robert Frank reveals there is not one Richistan but three Lower Middle and Upper each of which has its own levels and distinctions of wealth the haves and the have mores The influence of Richistan and the Richistanis extends well beyond the almost ten million households that make up its population as the nonstop quest for status and an insatiable demand for luxury goods reshapes the entire American economy
