Season Of Youth The Bildungsroman From Dickens To Golding:

Season of Youth Jerome Hamilton Buckley, 1974 Nineteenth-Century Lives Jerome Hamilton Buckley, 1989 In this unique collection of essays ten distinguished critics and biographers consider what it means to narrate a life Their illustrative texts are largely taken from nineteenth century biography autobiography and the novel but narrative is the broader genre that unites their various inquiries The principal issues are framed by Margaret Atwood J Hillis Miller and Phyllis Rose Atwood compares and contrasts the biographer and the novelist as creators of narratives emphasizing that the difference is in the ground rules Determining what these ground rules are is a recurring theme in these essays Some of the subjects discussed are the boundaries of fact and fiction the professed power of the narrator and the figurative underpinnings of autobiography Many of these pieces are delightful and provocative biographical and autobiographical excursions in themselves Atwood describes her early fear of biography Morton Cohen narrates an exciting bit of detective work he conducted into the life of Lewis Carroll and John Rosenberg gives a vivid and frequently revisionary reading of many aspects of Darwin s life Other critics Carl Woodring Richard Altick Norman Kelvin Margaret Stetz and Robert Kiely consider related topics The contributors as well as the editors have all been colleagues or students of the eminent critic and biographer Jerome Hamilton Buckley in whose honor these essays have been written **Season of youth** Jerome Hamilton Buckley, 1974 **Margaret Atwood**

and the Female Bildungsroman Ellen McWilliams, 2017-03-02 Examining Margaret Atwood s work in the context of the complex history of the Bildungsroman Ellen McWilliams explores how the genre has been appropriated by women writers in the second half of the twentieth century She demonstrates that Atwood s early work her own coming of age fiction including unpublished works as well as *The Edible Woman* *Surfacing* and *Lady Oracle* both engages with and works against the paradigms of identity which are traditionally associated with the genre Making extensive use of unpublished manuscripts in the Atwood Collection at the University of Toronto McWilliams uncovers influences that shaped Atwood s fashioning of identity in her early novels paying particular attention to Atwood s preoccupation with survival as a key symbol of Canadian literature culture and identity She also considers the genre s afterlife on display in *Cat s Eye* *The Robber Bride* *Alias Grace* *The Blind Assassin* and *Moral Disorder* in which the formulations of selfhood and identity in Atwood s early fiction are revisited and developed Atwood emerges as a writer who self consciously invokes and then undercuts the traditions of the Bildungsroman a turn that may be read as a means of at once interrogating and perpetuating the form McWilliams s book furthers our understanding of subjectivity in Atwood s fiction and contributes to ongoing conversations about the role gender and cultural contexts play in reframing generic boundaries *A History of the Bildungsroman* Sarah Graham, 2019-01-03 The Bildungsroman has been one of the most significant genres in Western literature since the eighteenth century This volume comprised of eleven chapters by leading experts in the field offers original insights into how the novel of formation developed a strong tradition in Germany France Britain Russia and the USA In demonstrating how the genre has been

adopted and adapted in innovative forms of fiction this volume also shows how a genre traditionally associated with the young white man has been used to give expression to the formative experiences of women LGBTQ people and post colonial populations Exploring the genre's emergence and evolution in numerous countries and across more than two hundred years this volume provides unprecedented historical and geographical coverage and demonstrates that the Bildungsroman has a rich heritage and a bright future
