Season for Love Whitman Chambers,1959      **Signs and Seasons of Love** F.M. Bonevento,2014-07-10 The Signs and Seasons of Love is a collection of verses inspired by a love that has flourished for more than half a century The story begins when the author F M Bonevento is six and he meets Mary Ann who is seven Over the years they continue as friends sharing common interests until one summer day in 1961 they discover that they have fallen in love Their romance and long marriage is a treasure of shared joys The idea of the collection of verses started years ago as a unique gift for Mary Ann and it grew into this book full of verses that will touch your heart and bring you a glimpse of the joy of romance Verse unlike narrative prose uses images painted with words to express the feelings that dwell deep within the human heart From the endearing poem The Perfect Kiss to the passion of Fire the emotions are personal and heartfelt The Signs and Seasons of Love Verses to paint images of love Verses in a world that has so little time for the sweetest images of the heart Lines giving but the faintest hint of the love she gives so abundantly Phrases and couplets crafted to touch her heart as her love so often touches mine How meager the offerings still they spring from the depths of my heart Oh how I wish I had the art to truly tell what lives within me      **Love in Every Season** Debra Fileta,2020-01-14 An Invitation to Love Well Through the Four Seasons Every relationship goes through four life changing seasons that play a pivotal role in taking your relationship to the next level But depending on how you navigate each season your relationship will either strengthen and grow or it will slowly begin to fade Maybe your relationship is in the first blooms of spring when friendship takes root and attraction blossoms Maybe you re in the season of summer and things are starting to heat up spiritually emotionally and physically Maybe you re deep in fall and your true colors are starting to shine through Or maybe you re in winter when the passion cools down and it would be all too easy to let the relationship freeze over Whether you re single dating engaged or married join author counselor and relationship expert Debra Fileta creator of TrueLoveDates com as she takes you on an eye opening psychological and spiritual journey through the four seasons of every healthy relationship You ll learn to Recognize each season as it comes and navigate it with intention focus and practical steps Avoid the pitfalls of each stage by preparing for the hard moments and seeing them as opportunities to grow and connect Celebrate not just the magical moments of each season but the day to day choices that pave the way for a lasting relationship No matter what your relationship status you re invited on a journey to strengthen and grow your love in every season      Winter's Kiss : Season's Love Michelle Savage,2022-08-02 It was supposed to be a simple cross country trip A snowstorm changed everything Natasha lives a sheltered life and knows there is more out there but lacked the courage to seek it That is until her longtime boyfriend popped the question and one split second decision changes her life forever Leaving everything she knows Natasha starts on a cross country trip to visit her sister Though with a sudden detour to avoid a snowstorm Natasha finds herself stranded alone on the side of a country road That is until a handsome man comes to her rescue Charming passionate and a love story that will grab you from the
