

 Seasonable  
Revolutionary  
The Mind of Charles Chauncy

A study of an eminent American clergyman who would not compromise Puritan discipline in his quest for political and religious freedom.

charles h. lippy

# Seasonable Revolutionary The Mind Of Charles Chauncy

**Dan McKanan**

## **Seasonable Revolutionary The Mind Of Charles Chauncy:**

*Seasonable Revolutionary* Charles H. Lippy, 1981      *Conservative Revolutionaries* John S. Oakes, 2018-01-01 Boston Congregationalist ministers Charles Chauncy 1705 1787 and Jonathan Mayhew 1720 1766 were significant political as well as religious leaders in colonial and revolutionary New England Scholars have often stressed their influence on major shifts in New England theology and have also portrayed Mayhew as an influential preacher whose works helped shape American revolutionary ideology and Chauncy as an active leader of the patriot cause Through a deeply contextualised re examination of the two ministers as men of their times Oakes offers a fresh comparative interpretation of how their religious and political views changed and interacted over decades The result is a thoroughly revised reading of Chauncy s and Mayhew s most innovative ideas *Conservative Revolutionaries* unearths strongly traditionalist elements in their belief systems focussing on their shared commitment to a dissenting worldview based on the ideals of their Protestant New England and British heritage Oakes concludes with a provocative exploration of how their shifting theological and political positions may have helped redefine prevailing notions of human identity capability and destiny      *Understanding Affections in the Theology of Jonathan Edwards* Ryan J. Martin, 2018-11-15 This volume argues that the notion of affections discussed by Jonathan Edwards and Christian theologians before him means something very different from what contemporary English speakers now call emotions and that Edwards s notions of affections came almost entirely from traditional Christian theology in general and the Reformed tradition in particular Ryan J Martin demonstrates that Christian theologians for centuries emphasized affection for God associated affections with the will and distinguished affections from passions generally explaining affections and passions to be inclinations and aversions of the soul This was Edwards s own view and he held it throughout his entire ministry Martin further argues that Edwards s view came not as a result of his reading of John Locke or the pressures of the Great Awakening as many Edwardsean scholars argue but from his own biblical interpretation and theological education By analysing patristic medieval and post medieval thought and the journey of Edwards s psychology Martin shows how on their own terms pre modern Christians historically defined and described human psychology      **Nathaniel Taylor, New Haven Theology, and the Legacy of Jonathan Edwards** Douglas A. Sweeney, 2002-12-05 Nathaniel Taylor was arguably the most influential and the most frequently misrepresented American theologian of his generation While he claimed to be an Edwardsian Calvinist very few people believed him This book attempts to understand how Taylor and his associates could have counted themselves Edwardsians In the process it explores what it meant to be an Edwardsian minister and intellectual in the 19th century      *Rebels Rising* Benjamin L. Carp, 2007-08-22 The cities of eighteenth century America packed together tens of thousands of colonists who met each other in back rooms and plotted political tactics debated the issues of the day in taverns and mingled together on the wharves or in the streets In this fascinating work historian Benjamin L Carp shows how these various urban meeting places provided the tinder and spark for the American Revolution Carp focuses closely on

political activity in colonial America's five most populous cities in particular he examines Boston's waterfront community New York tavern goers Newport congregations Charleston's elite patriarchy and the common people who gathered outside Philadelphia's State House He shows how because of their tight concentrations of people and diverse mixture of inhabitants the largest cities offered fertile ground for political consciousness political persuasion and political action The book traces how everyday interactions in taverns wharves and elsewhere slowly developed into more serious political activity Ultimately the residents of cities became the first to voice their discontent Merchants began meeting to discuss the repercussions of new laws printers fired up provocative pamphlets and protesters took to the streets Indeed the cities became the flashpoints for legislative protests committee meetings massive outdoor gatherings newspaper harangues boycotts customs evasion violence and riots all of which laid the groundwork for war Ranging from 1740 to 1780 this groundbreaking work contributes significantly to our understanding of the American Revolution By focusing on some of the most pivotal events of the eighteenth century as they unfolded in the most dynamic places in America this book illuminates how city dwellers joined in various forms of political activity that helped make the Revolution possible [Jonathan Edwards](#) Philip F. Gura, 2006-04-18 An important new biography of America's founding religious father Jonathan Edwards was America's most influential evangelical whose revivals of the 1730s became those against which all subsequent ones have been judged The marvelous accomplishment of Philip Gura's Jonathan Edwards is to place the rich intellectual landscape of America's most formidable evangelical within the upheaval of his times Gura not only captures Edwards' brilliance but respectfully explains the enduring appeal of his theology in a world of profound uncertainty it held out hope of an authentic conversion the quickening of the indwelling spirit of God in one's heart and the consequent certitude of Godly behavior and everlasting grace Tracing Jonathan Edwards' life from his birth in 1703 to his untimely death in 1758 Gura magnificently reasserts Edwards' rightful claim as the father of America's evangelical tradition **The First Great Awakening** John Howard Smith, 2014-12-18 The First Great Awakening an unprecedented surge in Protestant Christian revivalism in the Eighteenth Century sparked enormous controversy at the time and has been a source of scholarly debate ever since Few historians have sought to write a synthetic history of the First Great Awakening and in recent decades it has been challenged as having happened at all being either an exaggeration or an invention The First Great Awakening expands the movement's geographical theological and sociopolitical scope Rather than focus exclusively on the clerical elites as earlier studies have done it deals with them alongside ordinary people and includes the experiences of women African Americans and Indians as the observers and participants they were It challenges prevailing scholarly opinion concerning what the revivals were and what they meant to the formation of American religious identity and culture Cover image NPG 131 George Whitefield by John Wollaston oil on canvas circa 1742 National Portrait Gallery London *A People So Favored of God, Second Edition* George W. Harper, 2007-12-01 This book is intended for all those with an interest in New England Puritanism American evangelicalism

the history of revivalism or the history of pastoral ministry      **A Paradise of Reason** J. Rixey Ruffin, 2008 William Bentley was pastor of the East Church in Salem Massachusetts from 1783 until his death in 1819 There he ministered to the sailors widows artisans and captains of the waterfront He offered his flock a faith grounded by the dual pillars of a benevolent deity and salvation through moral living      **The Devil and Doctor Dwight** Colin Wells, 2012-12-01 At the close of the eighteenth century Timothy Dwight poet clergyman and later president of Yale College waged a literary and intellectual war against the forces of infidelity The Devil and Doctor Dwight reexamines this episode by focusing on The Triumph of Infidelity 1788 the verse satire that launched Dwight s campaign and Colin Wells argues the key to recovering the deeper meaning of the threat of infidelity in the early years of the American Republic The book also features the first modern annotated edition of this important but long overlooked poem Modeled after Alexander Pope s satiric masterpiece the Dunciad Dwight s poem took aim at a number of his contemporaries but its principal target was Congregationalist Charles Chauncy author of a controversial treatise asserting the salvation of all men To Dwight s mind a belief in universal salvation issued from the same naive faith in innate human virtue and inevitable progress that governed all forms of Enlightenment thought political as well as religious Indeed in subsequent works he traced with increasing dismay a shift in the idea of universal salvation from a theological doctrine to a political belief and symbol of American national identity In this light Dwight s campaign against infidelity must also be seen as an early and prescient critique of the ideological underpinnings of Jeffersonian democracy

*The Surprising Work of God* Garth M. Rosell, 2020-03-18 The Surprising Work of God tells the story of how America s mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century      **Journey Toward Independence** Carl Scovel, Charles Conrad Forman, 1993 A small Anglican church in colonial Boston founded in 1686 becomes the first Unitarian church in America

**American Religious History** Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent

religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three

**American Religious Leaders** Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life

*Earth Shadows on the Sky* H. A. Hopgood, 2021-09-24 Misconceptions about God's sovereignty arise from wrong views of God's nature Through a careful comparison of the writings of Charles Chauncy 1705-87 and John Gill 1697-1771 with the development of the ecumenical creeds this book helps to resolve such misunderstandings by detecting and correcting human centered reasoning in the doctrines of the Trinity and salvation Drawing on both ancient Christian writings and Reformation era teachings

*Earth Shadows on the Sky: The Holy Trinity, Divine Sovereignty, and Humanistic Philosophy* offers an innovative approach to questions about God's sovereignty

**American Lazarus** Joanna Brooks, 2003-09-11 The 1780s and 1790s were a critical era for communities of color in the new United States of America Even Thomas Jefferson observed that in the aftermath of the American Revolution the spirit of the master is abating that of the slave rising from the dust This book explores the means by which the very first Black and Indian authors rose up to transform their communities and the course of American literary history It argues that the origins of modern African American and American Indian literatures emerged at the revolutionary crossroads of religion and racial formation as early Black and Indian authors reinvented American evangelicalism and created new postslavery communities new categories of racial identification and new literary traditions While shedding fresh light on the pioneering figures of African American and Native American cultural history including Samson Occom Prince Hall Richard Allen Absalom Jones and John Marrant this work also explores a powerful set of little known Black and Indian sermons narratives journals and hymns

Chronicling the early American communities of color from the separatist Christian Indian settlement in upstate New York to the first African Lodge of Freemasons in Boston it shows how eighteenth century Black and Indian writers forever shaped the American experience of race and religion

*American Lazarus* offers a bold new vision of a foundational moment in American literature It reveals the depth of early Black and Indian intellectual history and reassesses the political literary and cultural powers of religion in America

**The Bloomsbury Encyclopedia of the American Enlightenment** Mark G. Spencer, 2015-02-26 The first reference work on one of the key subjects in American history filling an important gap in the literature with over 500 original essays

**A**

**Documentary History of Unitarian Universalism, Volume One** Dan McKanan, 2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history This critical resource covers the long histories of Unitarianism Universalism and Unitarian Universalism in the United States and around the world and offers a wealth of sources from the first fifty five years of the Unitarian Universalist Association From Arius and Origen to Peter Morales and Rebecca Parker this two volume anthology features leaders thinkers and ordinary participants in the ever changing tradition of liberal religion Each volume contains more than a hundred distinct selections with scholarly introductions by leading experts in Unitarian Universalist history The selections include sermons theologies denominational statements hymns autobiographies and manifestos with special attention to class cultural gender and sexual diversity Primary sources are the building blocks of history and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination s past and for shaping its future

### **Heaven in the American Imagination**

Gary Scott Smith, 2011-06-01 Does heaven exist If so what is it like And how does one get in Throughout history painters poets philosophers pastors and many ordinary people have pondered these questions Perhaps no other topic captures the popular imagination quite like heaven Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven He argues that whether Americans have perceived heaven as reality or fantasy as God s home or a human invention as a source of inspiration and comfort or an opiate that distracts from earthly life or as a place of worship or a perpetual playground has varied largely according to the spirit of the age In the colonial era conceptions of heaven focused primarily on the glory of God For the Victorians heaven was a warm comfortable home where people would live forever with their family and friends Today heaven is often less distinctively Christian and more of a celestial entertainment center or a paradise where everyone can reach his full potential Drawing on an astounding array of sources including works of art music sociology psychology folklore liturgy sermons poetry fiction jokes and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven

*The Jonathan Edwards Encyclopedia* Harry S. Stout, Kenneth P. Minkema, Adriaan Cornelis Neele, 2017 Jonathan Edwards 1703 1758 is widely acknowledged as one of the most brilliant religious thinkers and multifaceted figures in American history A fountainhead of modern evangelicalism Edwards wore many hats during his lifetime theologian philosopher pastor and town leader preacher missionary college president family man among others With nearly four hundred entries this encyclopedia provides a wide ranging perspective on Edwards offering succinct synopses of topics large and small from his life thought and work Summaries of Edwards s ideas as well as descriptions of the people and events of his times are all easy to find and suggestions for further reading point to ways to explore topics in greater depth Comprehensive and reliable with contributions by 169 premier Edwards scholars from throughout the world The Jonathan Edwards Encyclopedia will long stand as the standard reference work on this significant extraordinary person

### **Seasonable Revolutionary The Mind Of Charles Chauncy Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Seasonable Revolutionary The Mind Of Charles Chauncy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Seasonable Revolutionary The Mind Of Charles Chauncy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading

Seasonable Revolutionary The Mind Of Charles Chauncy free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Seasonable Revolutionary The Mind Of Charles Chauncy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Seasonable Revolutionary The Mind Of Charles Chauncy any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Seasonable Revolutionary The Mind Of Charles Chauncy Books**

1. Where can I buy Seasonable Revolutionary The Mind Of Charles Chauncy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
