One High Season J. F. Gump, 2017-03-09 Jarapans dreams died the day she was raped It wasnt her fault yet everyone treats her with disdain She flees to the tourist city of Pattaya to start a new life That decision unleashes the grinding wheels of fate Mike Johnson has lived in Pattaya long enough to become a cynical man Nothing has been the same since he lost Tippawan Math Bongkarn the woman who holds his heart even in her death When he meets Jarapan long buried passions explode into love Then he gets sick really sick It ignites a firestorm that tests their new love beyond endurance One High Season is the emotional conclusion of the powerful Thailand Trilogy that spans continents and cultures in its search for love and happiness Read all three books Even Thai Girls Cry The Farang Affair and this One High Season **Every Season** Anne Love Woodhull, 2007-04-17 Presents a portrait of nature through the seasons of the year The Genres of Thomson's The Seasons Sandro Jung, Kwinten Van De Walle, 2018-09-01 Critics since the eighteenth century have puzzled over the form of James Thomson's composite long poem The Seasons 1730 1744 1746 its generically hybrid make up and its relationship to established genres both Classical and modern The textual condition of the work is complicated by the fact that it started as a stand alone poem Winter 1726 but was subsequently expanded as part of a revision process that lasted almost two decades through the addition of three further seasons poems Transforming from primarily devotional poem to georgic account of the role of man's laboring role in the creation the meaning of The Seasons shifted with each addition of new material Each revision introduced diverse subject matter while existing material was reorganized and occasionally moved from one season installment to another The Genres of Thomson's The Seasons is the first collection of essays exclusively devoted to the study of the work's formal heterogeneity polyvocality and polygeneric character All contributions examine the different modes descriptive reflective pastoral hymnal amatory epic georgic dramatic discourses political sentimental scientific and kinds that cooperate to make up the different installments and variants of The Seasons They probe the multifarious interactions between different genres and modes and how a renewed focus on the form of Thomson's long poem will result in an understanding of the processual character of The Seasons as a synthesizing simulacrum of various discourses and theories of composition The volume s essays map the generic anatomy of the poem in its different incarnations. They shed light on the poet s conception of the descriptive long poem and his engaging with formal traditions that would have enabled contemporaneous readers to conceive of The Seasons as an assimilating and learned work to be read through both the works of the Classics and moderns Contributions revisit models explaining the structural complexity of The Seasons proposing others in their stead and consider Thomson as the author of a long poem in relation to other poets both English and in a transnational study Swedish The poem is furthermore contextualized in terms of sexuality and animal studies
