Seaspring A Novel:

Seaspring Gabriela Lobos, 1996-01-01 Rescued from a boating accident while still a baby and raised by sea otters a young boy learns their way of life before eventually finding others of his own species **Seaspring** Anya Luz Lobos, 2007-04 This timeless tale of an orphaned boy rescued and raised by sea otters successfully joins diverse elements into an absorbing and imaginative unity Permeated with mystical undercurrents it is an astonishing first novel by a gifted storyteller In a distinctly feminine voice this narrative reveals the relationship between several interpenetrating seas the sea of waters the sea of maternal warmth the sea of the imagination and all yielding ultimately to the sea of the spirit So deep is the reader's immersion that one emerges not so much as having read a book as having been baptized James N Powell author of *The Tao of Symbols and Energy* and *Eros* One of the loveliest stories of recent times Melanie Brown Ph D author of *Attaining Personal Greatness* *Trompe l'Oeil: A Novel* Nancy Reisman, 2015-05-12 Set against a backdrop of Rome Renaissance artworks and images of Mary Magdalene Trompe l'Oeil portrays the ripple effects of a family tragedy and the ways in which its members perceive and misperceive themselves and each other During a vacation in Rome the Murphy family experiences a life altering tragedy In the immediate aftermath James Nora and their children find solace in their Massachusetts coast home but as the years pass the weight of the loss disintegrates the increasingly fragile marriage and leaves its mark on each family member Trompe l'Oeil seamlessly alternates among several characters points of view capturing the details of their daily lives as well as their longing for connection and fear of abandonment Through the turbulence of marriage the challenges of parenthood job upheavals and calamities large and small Trompe l'Oeil examines family legacies the ways those legacies persist and the ways they might be transcended Nancy Reisman is a master of psychological acuity creating characters who are wholly unique and yet express our own longings and anxieties Trompe l'Oeil haunts not only with its story but also with the beauty of its insight into hopes desires and fears [The Cumulative Book Index](#) , 1910 A world list of books in the English language
