Seattles Black Victorians 1852 1901:

Seattle's Black Victorians, 1852-1901 Esther Hall Mumford, 1980 looks at black life in 19th century Seattle from many angles The combination of newspaper files county records and oral history gives a density to the historical picture John Berry Seattle Sun Back cover *The Forging of a Black Community* Quintard Taylor, 2022-06-07 Seattle s first black resident was a sailor named Manuel Lopes who arrived in 1858 and became the small community s first barber He left in the early 1870s to seek economic prosperity elsewhere but as Seattle transformed from a stopover town to a full fledged city African Americans began to stay and build a community By the early twentieth century black life in Seattle coalesced in the Central District a four square mile section east of downtown Black Seattle however was never a monolith Through world wars economic booms and busts and the civil rights movement black residents and leaders negotiated intragroup conflicts and had varied approaches to challenging racial inequity Despite these differences they nurtured a distinct African American culture and black urban community ethos With a new foreword and afterword this second edition of *The Forging of a Black Community* is essential to understanding the history and present of the largest black community in the Pacific Northwest

African American Women Confront the West, 1600-2000 Quintard Taylor, Shirley Ann Wilson Moore, 2008-08-01 Reconstructs the history of black women s participation in western settlement A stellar collection of essays by talented authors who explore fascinating topics *Journal of American Ethnic History* *African American Women Confront the West 1600 2000* is the first major historical anthology on the topic The editors argue that African American women in the West played active though sometimes unacknowledged roles in shaping the political ideological and social currents that have influenced the United States over the past three centuries Contributors to this volume explore African American women s life experiences in the West their influences on the experiences of the region s diverse peoples and their legacy in rural and urban communities from Montana to Texas and from California to Kansas The essayists explore what it has meant to be an African American woman from the era of Spanish colonial rule in eighteenth century New Mexico to the black power era of the 1960s and 1970s *Seattle's Women Teachers of the Interwar Years* Doris Hinson Pieroth, 2012 In *Seattle s Women Teachers of the Interwar Years* Doris Pieroth describes the contributions of a remarkable group of women who dominated the Seattle public school system in the early years of the twentieth century and helped to produce well educated citizens who were responsible for the widespread philanthropic volunteer and municipal activities that came to characterize the city While most publications on the history of education have emphasized theory or administration Pieroth focuses on individual teachers Set against the backdrop of a developing city the book provides vivid portraits of educated strong ambitious women making successful careers at a time when job opportunities for women were very limited Pieroth interviewed as many of these women as she could find and quotes from the interviews enhance her lively well written narrative Using details drawn from local newspapers and school publications she demonstrates that the influence of this cohort of women made modern

Seattle the livable place that it remains today Seattle's Women Teachers of the Interwar Years is a significant contribution to the history of Seattle and the region to women's history and to the history of education *A Home for Every Child* Patricia Susan Hart, 2011-05-01 Adoption has been a politically charged subject since the Progressive Era when it first became an established part of child welfare reform In *A Home for Every Child* Patricia Susan Hart looks at how when and why modern adoption practices became a part of child welfare policy The Washington Children's Home Society now the Children's Home Society of Washington was founded in 1896 to place children into adoptive and foster homes as a means of dealing with child abuse neglect and homelessness Hart reveals why birth parents relinquished their children to the Society how adoptive parents embraced these vulnerable family members and how the children adjusted to their new homes among strangers Debates about nature versus nurture fears about immigration and anxieties about race and class informed child welfare policy during the Progressive Era Hart sheds new light on that period of time and the social cultural and political factors that affected adopted children their parents and administrators of pioneering institutions like the Washington Children's Home Society **The Hidden Half of the Family** Christina K. Schaefer, 1999 Offers information on finding female ancestors in each state highlighting those laws both federal and state that indicate when a woman could own real estate in her own name devise a will and enter into contracts In addition entries contain information on marriage and divorce law immigration citizenship passports suffrage and slave manumission Material is included on African American Native American and Asian American women as well as patterns of European immigration Period covered is from the 1600s to the outbreak of WWII Annotation copyrighted by Book News Inc Portland OR **Telling Tales** Catherine A. Cavanaugh, Randi R. Warne, 2011-11-01 Women played a vital role in the shaping of the West in Canada between the 1880s and 1940s Yet surprisingly little is known about their contributions or the differences sex and gender made to the opportunities and obstacles women encountered *Telling Tales* contributes to the rewriting of western Canada's past by integrating women into the shifting power matrix of class race and gender that undergirded its colonization and settlement This book covers a range of topics African American settlement on Vancouver Island prairie childbirth narratives and Mennonites as domestic servants are but three examples They focus on women of both minority and dominant cultures and reflect the West's characteristically mixed population *Telling Tales* challenges founding myths of the region and invites a retelling of the story of western Canadian colonization and settlement **Trailblazing Black Women of Washington State** Marilyn Morgan, 2022-07-04 Breaking glass ceilings organizing clubs and making history as the first in their fields these trailblazing Black women paved the way for new generations From Nettie Craig Asberry founder of the Tacoma NAACP to Dr Dolores Silas now honored by a school bearing her name these women forged a path amid adversity Black women were crucial to the war effort working as Rosie's at Boeing during World War II and in the post war years Seattle musicians like Edyth Turnham and Her Knights of Syncopation were in high demand These teachers scientists and politicians served on boards led protests and fought for civil

rights across the state Join author and historian Marilyn Morgan as she chronicles the incredible lives and contributions of Washington s Black women *Amanda Berry Smith* Adrienne Israel,1998-01-01 Now available in paperback This biography is the compelling story of Amanda Berry Smith a former slave and washer woman with less than a year of formal education who rose to become one of the nineteenth century s most important and successful Christian evangelists Based on letters published in Christian newspapers copies of her own newspaper The Helper and numerous public records and documents this biography puts Amanda Berry Smith s eventful life in a proper historical perspective evaluating the significant impact of her deeds It traces her beginnings as the child of freed blacks in antebellum Pennsylvania her turbulent marriages her search for communities and faith in New York City and her eventual prominence as a camp fire missionary and as a world traveler of spiritual faith This thoughtful individual study probes the complex relationship between herself and other contemporary reformers black and white and answers many questions left unanswered by Smith s own autobiography *Pioneer Women* Linda S. Peavy,Ursula Smith,1998 Describes the lives of women of various backgrounds as they traveled west established homes worked inside and outside the home and helped to develop settled society *Emancipation* John Clay Smith (Jr.),1999 Emancipation is the first truly comprehensive reference book covering the first one hundred years of African Americans in the legal profession Other legal historians and biographers must take Smith s work as a starting point for gauging the impact Black lawyers and institutions have had upon the evolution of the American legal profession Black Issues in Higher Education The sheer quantity of information contained in Emancipation is overwhelming the impact of page after page of data stories and lives and the thousands of detailed extensive footnotes and documentation is simply overpowering It is a monumental achievement Southern University Law Review A remarkable piece of scholarship Emancipation contains a wealth of information previously unknown even to those who consider themselves well informed about African American history It will I am sure serve as the definitive authority on the history of black lawyers for years to come St Louis Post Dispatch Emancipation is an important and impressive work one cannot read it without being inspired by the legal acumen creativity and resiliency these pioneer lawyers displayed It should be read by everyone interested in understanding the road African Americans have traveled and the challenges that lie ahead From the Foreword by Justice Thurgood Marshall J Clay Smith Jr is Professor of Law and formerly Dean at the Howard University School of Law He has served as President of the Washington Bar Association and as National President of the Federal Bar Association He was appointed U S Commissioner of the Equal Employment Opportunity Commission by President Jimmy Carter and later served as Acting Chairman under President Ronald Reagan He is the author of *Rebels in Law* *Voices in History of Black Women Lawyers* *Generations Past* ,1988 This book is a selected list of books in the collections of the Library of Congress compiled primarily for researchers of Afro American lineages Included in this bibliography are guidebooks bibliographies genealogies collective biographies United States local histories directories and other works pertaining specifically to Afro Americans Emphasis is on books that contain

information about lesser known individuals of the nineteenth century and earlier although Afro American business and city directories published through 1959 are listed

Introductory The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

Picturing Frederick Douglass: An Illustrated Biography of the Nineteenth Century's Most Photographed American Celeste-Marie Bernier, John Stauffer, Zoe Trodd, 2015-11-02 Finalist for the Gilder Lehrman Lincoln Prize A landmark and collectible volume beautifully produced in duotone that canonizes Frederick Douglass through historic photography Commemorating the bicentennial of Frederick Douglass's birthday and featuring images discovered since its original publication in 2015 this tour de force Library Journal starred review reintroduced Frederick Douglass to a twenty-first century audience From these pages which include over 160 photographs of Douglass as well as his previously unpublished writings and speeches on visual aesthetics we learn that neither Custer nor Twain nor even Abraham Lincoln was the most photographed American of the nineteenth century Indeed it was Frederick Douglass the ex slave turned abolitionist eloquent orator and seminal writer who is canonized here as a leading pioneer in photography and a prescient theorist who believed in the explosive social power of what was then just an emerging art form Featuring Contributions from Henry Louis Gates Jr and Kenneth B Morris Jr a direct Douglass descendent 160 separate photographs of Douglass many of which have never been publicly seen and were long lost to history A collection of contemporaneous artwork that shows how powerful Douglass's photographic legacy remains today over a century after his death All Douglass's previously unpublished writings and speeches on visual aesthetics

Black Women of the Old West William Loren Katz, 2010-05-11 Black women were always part of America's westward expansion Some escaped slavery to live with the Native Americans while others traveled west after the Civil War to settle the new lands They came as servants and as independent pioneers struggling to make a life in the wilderness Brief text and extraordinary photos record many of the black women who went West to find a new life for themselves and their families
