Shakespeare's Cat A Play In Three Acts:

Shakespeare's Cat Malcolm Willits, 2004-01-01

Antedating Shakespeare's Poems and Plays Penny

McCarthy, 2024-09-05 The academic community treats the chronology of Shakespeare's works as settled. He supposedly served an apprenticeship collaborating on plays in the 1580s, wrote two great poems in the early 90s, three plays a year from the mid 90s, some problem plays around the turn of the century, then his greatest tragedies and finally some romances late in his career. This investigation highlights the flaws in the consensus view over reliance on precarious stylometrics, dubious identification of topical relevance, and unfounded conviction that composition preceded publication, performance, or first mention by only a short interval. Concentrating on his poems and six of his plays, the study ascribes parallels in others' literary works to their authors' imitation or parodying of Shakespeare, not vice versa. The importance of patronage circles rather than London theatre companies to writers, players, and printers is spelled out. The conclusion is that Shakespeare's works must be radically antedated.

William Shakespeare Brian Vickers, 2003-09-01

The Critical Heritage gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work, enabling student and researcher to read the material.

The Playwright's Guidebook Stuart

Spencer, 2002-03-29 A concise guide to playwriting to awaken creativity from a playwright who has taught the subject for over a decade. If you want to be a playwright, here's your bible. David Lindsay Abair, author of *Fuddy Meers* and *Wonder of the World*. During the more than ten years that Stuart Spencer has taught playwriting, he has struggled to find an effective handbook for his courses. Although most of the currently popular guides contain useful ideas, they all suffer from the same problems: poor organization, quirky, idiosyncratic advice, and abstract theorizing on the nature of art. As a result, they fail to offer any concrete information or useful guidelines on how to construct a well-written play. Moreover, few of these books are actually written by working playwrights. Out of frustration, Spencer wrote his own. The result: *The Playwright's Guidebook* is a concise and engaging handbook full of the kind of wisdom that comes naturally with experience. Spencer presents a coherent way of thinking about playwriting that addresses the important principles of structure, includes insightful writing exercises that build upon one another, explores the creative process, and troubleshoots recurrent problems that playwrights actually face. *The Playwright's Guidebook* is indispensable. Clearly and thoroughly, Mr. Spencer, a playwright himself, leads all playwrights, not only the beginner through the travails of creation and the jungle of production. Edward Albee, *Eureka*. A clearly written, well-structured, intelligent how-to book about playwriting. Like the good teacher and good writer that he is, Stuart Spencer guides rather than browbeats. Should be next to the laptop of any aspiring or working playwright. Warren

Leight author of Side Man The Plays and Poems of William Shakespeare: Merchant of Venice. Midsummer night's dream. Taming of the shrew William Shakespeare, Edmond Malone, 1821 *Directing Shakespeare in America* Charles Ney, 2016-02-25 In this first substantive study of directing Shakespeare in the USA Charles Ney compares and contrasts directors working at major companies across the country Because of the complexities of directing Shakespeare for audiences today a director's methods values and biases are more readily perceptible in their work on Shakespeare than in more contemporary work Directors disclose their interpretation of the text their management of the various stages of production how they go about supervising rehearsals and share tactics This book will be useful to students wanting to develop skills practitioners who want to learn from what other directors are doing and scholars and students studying production practice and performance **The Era Almanack**, 1898 **"The" Plays Of William Shakespeare** William Shakespeare, 1778
