Shakespeares Face Unraveling The Legend And History Of Shakespeares Mysterious Portrait

J. Parker Norris

Shakespeares Face Unraveling The Legend And History Of Shakespeares Mysterious Portrait:

Shakespeare's Face Stephanie Nolen, 2004 In May 2001 Stephanie Nolen made a stunning announcement that ignited furious debate around the world the discovery of a painting that may be the only portrait of William Shakespeare painted during his lifetime In *Shakespeare's Face* she tells the extraordinary story how the portrait came to reside under the bed of a Montreal grandmother and how her grandson a retired engineer painstakingly authenticated the work in the face of numerous setbacks An unparalleled international cast of experts in art and literature spiritedly weighs the evidence for and against the Sanders portrait making this a fascinating tour of provenance perfect for the Antiques Roadshow lover In an entertaining manner the experts examine telling scientific details such as the age and origin of the portrait's wood the barely visible handwriting on the label affixed to its back and the significance of the sitter's clothes They explore our desire repeated over the centuries to find an image of Shakespeare that speaks to us and they ultimately create a succinct but comprehensive biography of the Bard a picture of his life and times The face in the small oil on wood painting is an attractive one mischievous keen eyed enigmatic not the bladder faced burger disparaged by Mark Twain taken from images of the playwright created after his death The smile is suggestive for many of the humorous humane man who wrote the greatest plays in the English language As this engrossing book demonstrates Shakespeare's genius had many faces and the Sanders portrait may show us the most genuine and authentic of them all

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Shakespeare's Face Stephanie Nolen, 2010-06-15 A fascinating literary detective story charting the surprising true history of a recently discovered painting of Shakespeare held by the same family for 400 years adding new drama to the Bard's life When author Stephanie Nolen reported the discovery of the only portrait of William Shakespeare painted while he was alive the announcement ignited furious controversy around the world Now in this provocative biography of the portrait she tells the riveting story of how a rare image of the young Bard at thirty nine came to reside in the suburban home of a retired engineer whose grandmother kept the family treasure under her bed and how he embarked on authenticating it The ultimate Antiques Roadshow dream the portrait has been confirmed by six years of painstaking forensic studies to date from around 1600 and it has not been altered since

Shakespeare's Face Stephanie Nolen, 2010-06-15 A fascinating literary detective story charting the surprising true history of a recently discovered painting of Shakespeare held by the same family for 400 years adding new drama to the Bard's life When author Stephanie Nolen reported the discovery of the only portrait of William Shakespeare painted while he was alive the announcement ignited furious controversy around the world Now in this provocative biography of the portrait she tells the riveting story of how a rare image of the young Bard at thirty nine came to reside in the suburban home of a retired engineer whose grandmother kept the family treasure under her bed and how he embarked on authenticating it The ultimate Antiques Roadshow dream the portrait has been confirmed by six years of painstaking forensic studies to date from around 1600 and it has not been

altered since Shakespeare and the Power of the Face James A. Knapp, 2016-03-03 Throughout his plays Shakespeare placed an extraordinary emphasis on the power of the face to reveal or conceal moral character and emotion repeatedly inviting the audience to attend carefully to facial features and expressions The essays collected here disclose that an attention to the power of the face in Shakespeare's England helps explain moments when Shakespeare's language of the self becomes intertwined with his language of the face As the range of these essays demonstrates an attention to Shakespeare's treatment of faces has implications for our understanding of the historical and cultural context in which he wrote as well as the significance of the face for the ongoing interpretation and production of the plays Engaging with a variety of critical strands that have emerged from the so called turn to the body the contributors to this volume argue that Shakespeare's invitation to look to the face for clues to inner character is not an invitation to seek a static text beneath an external image but rather to experience the power of the face to initiate reflection judgment and action The evidence of the plays suggests that Shakespeare understood that this experience was extremely complex and mysterious By turning attention to the face the collection offers important new analyses of a key feature of Shakespeare's dramatic attention to the part of the body that garnered the most commentary in early modern England By bringing together critics interested in material culture studies with those focused on philosophies of self and other and historians and theorists of performance Shakespeare and the Power of the Face constitutes a significant contribution to our growing understanding of attitudes towards embodiment in Shakespeare's England

Rematerializing Shakespeare B. Reynolds, W. West, 2005-11-01 To rematerialize in the sense of Rematerializing Shakespeare Authority and Representation on the Early Modern English Stage is not to recover a lost material infrastructure as Marx spoke of nor is it to restore to some material existence its priority over the imaginary Indeed this collection of work by some of the most highly regarded critics in Shakespeare studies does not offer a single theoretical stance on any of the various forms of critical materialism Marxism cultural materialism new historicism transversal poetics gender studies or performance criticism but rather demonstrates that the materiality of Shakespeare is multidimensional and consists of the imagination the intended and the desired Nothing returns in this rematerialization unless it is a return in the sense of the repressed which when it comes back comes back as something else An all star line up of contributors includes Kate McLuskie Terence Hawkes Catherine Belsey and Doug Bruster

The Shakespeare Controversy Warren Hope, Kim Holston, 2009-07-15 Theories stating that plays attributed to Shakespeare were in fact written by other authors have existed for more than 200 years some theories have been ridiculed and reviled while some have gained growing popular and scholarly support The history of the Shakespeare controversy is presented in this revised edition of the 1992 work with much new information and three additional chapters Part I documents and critically assesses the most important theories on the authorship question Part II is an annotated bibliography arranged chronologically of the many works that deal with the controversy from its vague beginnings to the present

The Publishers Weekly, 2004 Library Journal, 2004

Library Journal Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 2004 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Shakespeare's Face** Stephanie Nolen, 2003-12-01

Shakespeare's Face Stephanie Nolen, Jonathan Bate, 2002 On May 11 2001 Globe and Mail reporter Stephanie Nolen announced a stunning discovery to the world an attractive portrait held by an Ontario family for twelve generations which may well be the only known portrait of Shakespeare painted during his lifetime Shakespeare's Face is the biography of a portrait a literary mystery story and the furious debate that has ensued since its discovery A slip of paper affixed to the back proclaims Shakespeare This likeness taken 1603 Age at that time 39 yrs But is it really Shakespeare who peers at us from the small oil on wood painting The twinkling eyes reddish hair and green jacket are not in keeping with the duller traditional images of the bard But they are more suggestive of the humorous and humane man who wrote the greatest plays in the English language Shakespeare's Face tells the riveting story of how the painting came to reside in the home of a retired engineer in a mid sized Ontario town The painting is reputed to be by John Sanders of Worcester England As a retirement project the engineer whose grandmother kept the family treasure under her bed embarked on authenticating the portrait the forensic analyses that followed have proven it without doubt to the period In a remarkable publishing coup Knopf Canada has gathered around Stephanie Nolen's story a group of the world's leading Shakespeare scholars and art and cultural historians to delve into one of the most fascinating literary mysteries of our times Is this the face of genius Excerpt from Chapter 1 of Shakespeare's Face by Stephanie Nolen By the late afternoon I was beginning to go a little cross eyed I had examined countless documents and read the test results from the painting's painstaking forensic analysis I now had everything I needed to write my story except for one crucial item Is he here I asked almost in a whisper The owner laid the package carefully on the cluttered table He gently pulled back the kraft paper wrapping underneath which was a layer of bubble wrap Then he peeled back this second layer to reveal his treasure I was caught off guard by how small the portrait was and how vivid The colours in the paint seemed too rich to be 400 years old Except for the hairline cracks in the varnish the face could have been painted yesterday And there was nothing austere or haughty about it nothing of the great man being painted for posterity It was a rogue's face a charmer's face that looked back at me with a tolerant mischievous slightly world weary air It was painted on two pieces of solid board so expertly joined that the seam was barely visible A date Ano 1603 was painted in small red letters in the top right hand corner The right side had been nibbled by woodworms I stood and gazed quelling an instinctive urge to pick the portrait up and hold it in my hands And as my professional skepticism crumpled for a moment I found myself wanting desperately to believe that this was indeed Shakespeare's face **General Catalogue of Printed Books to 1955** British Museum. Dept. of Printed Books, 1967 **The Video Librarian**, 1998 **Arts & Humanities**

Citation Index ,2000 **Players** Bertram Fields,2006-03-01 Why did Shakespeare leave behind not a single work in his own hand Is it possible that the Stratford man possessed the depth of knowledge reflected in the work Addressing such questions this book blends biography and historical investigation and aims to revolutionise our understanding of the greatest writer or writers in our history *The Portraits of Shakespeare* Joseph Parker Norris,1885 [The Portraits of Shakespeare](#) J. Parker Norris,2023-07-18 A meticulous examination of the portraits of William Shakespeare tracing their history and exploring the controversies surrounding their attribution Norris sheds light on the ongoing debate over which portraits if any depict the Bard with accuracy and authenticity This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Portraits of Shakespeare** Joseph Parker Norris,2015-06-02 Excerpt from *The Portraits of Shakespeare* The list of books consulted in the preparation of this volume will give a fair idea of the mass of literature which has accumulated around the portraits of Shakespeare Three books however stand prominently forth Boaden s *Inquiry* 1824 Wivell s *Inquiry* 1827 and Friswell s *Life Portraits* 1864 The excellence of Boaden s work is marred by its diffuse style He seems to have endeavored to fill out his book by the insertion of matter which is foreign to his subject and even in the discussion of the traits of a portrait his many words obscure his meaning Wivell s book is a literary curiosity He was evidently a wholly uneducated man and his style is turgid in the extreme He reprinted much of Boaden s material but he also added interesting descriptions of portraits passed over by his predecessor About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Searching for Shakespeare](#) Tarnya Cooper,Marcia Pointon,2006 In 1856 the National Portrait Gallery was presented with a painting of William Shakespeare known as the Chandos portrait In this book the authenticity of the Chandos portrait and five other portraits is examined and the results of scientific analysis commissioned by the Gallery are presented This book reveals Shakespeare s identity

Unveiling the Magic of Words: A Review of "**Shakespeares Face Unraveling The Legend And History Of Shakespeares Mysterious Portrait**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring.
