

SHAKESPEARE'S
MERCHANT OF VENICE
EDITED BY
WILLIAM J. FOLPE.

Shakespeares Comedy Of The Merchant Of V

Emma Smith

Shakespeare's Comedy Of The Merchant Of Venice:

Shakespeare's Comedy of The Merchant of Venice William Shakespeare, 1885 **Shakespeare's Comedy of the Merchant of Venice** William Rolfe, 2022-12-26 Reprint of the original first published in 1871 ... **Shakespeare's Comedy of Errors** William Shakespeare, 1922 Shakespeare's Comedy of the Merchant of Venice William Shakespeare, 1881

The Complete Merchant of Venice Donald J. Richardson, 2013-08-28 The Merchant of Venice is problematic Not only does it present the disparate and unrelated stories of the caskets and the trial for a pound of flesh but it challenges contemporary audiences to evaluate the treatment of Jews and what constitutes justice The character of Shylock although presented as an object of ridicule and even comedy to Shakespeare's patrons might even be considered tragic to one sensitive to injustice In fact the implied definition of justice is challenging what justice is represented by a forced conversion from one belief to another The definition of friendship between Antonio and Bassanio is itself quite satisfying Bassanio at one point says he would sacrifice his wife for the friendship IV i 292-97 which naturally Portia bristles at The character of Portia herself is also challenging While intelligent rich and beautiful she behaves questionably when she deliberately entraps Bassanio her affianced lover into ostensibly betraying her by giving away her ring and then apparently treating the whole incident as a joke Surely Bassanio is entitled to a modicum of resentment if not anger Additionally she entices Nerissa to do the same with Gratiano While this scene V ii would evoke great laughter from an audience who is in on the joke to a modern thinking person it smacks of sexism ridicule the male at his expense and make fun of him for his resentment Of course the groundlings would pay no attention to such an offense It seems clear that The Merchant of Venice today demands re-interpretation and re-definition **Shakespeare's Comedy of the Merchant of Venice** William Shakespeare, W. J. (William James) 1827-1910 Rolfe, 2016-04-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Textual Parameters in Older Languages Susan C. Herring, Pieter van Reenen, Lene Schøsler, 2001-01-23 Textual Parameters in Older Languages takes a contemporary approach to the inherent limitations of using older texts as data for linguistic analysis drawing on methods of text analysis pragmatics and sociolinguistics to supplement traditional historical and philological methods The focus of the book is on the importance of controlling for textual parameters defined by the editors as dimensions of variation associated with texts and their production including text type degree of poeticality orality and dialect in the analysis of older language data Failure to do so can result in invalid generalizations recognizing the influence of textual parameters conversely raises a myriad of issues for the practice and theory of historical linguistics The 12 essays in this collection apply this approach in analyses of anaphora non finite verbal forms particles punctuation word order and other phenomena in a wide range of languages including Ancient Tamil Sanskrit Latin Heian Japanese Medieval Greek Old French Old Russian Middle English and Modern Danish An in depth introduction by the editors lays out the goals of the textual parameters approach and considers the methodological and theoretical consequences of the evidence presented in the book as a whole

Guide to the Literature of Shakespeare in the Library [St. Louis Public]. Marie O. Watkins, 1916
