Black Women Sexuality and Popular Culture sociologist Shayne Lee steers black sexual politics toward a more sex positive trajectory Introducing feminist analysis to a conceptual ménage à trois of scripting theory media representation and black sexual politics Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic Lee portrays black female celebrities like Janet Jackson Beyoncé Karrine Steffans Zane Tyra Banks Juanita Bynum Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment Erotic Revolutionaries navigates the uncharted spaces where social constructionism third wave feminism and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative politically subversive and stylistically chic The Queen's Bastard C. High-Priority Asset Juno Rushdan, 2020-11-01 To safeguard California's Witness Protection Program recovering leaked information is the top priority The safety of every person in California's Witness Protection Program rests in US marshal Dutch Haas's capable hands So inserting himself into Isabel Vargas's life to get the drop on her criminal uncle is a no brainer Except his target is fiery and intelligent and she quickly becomes his partner instead of his mark With threats stacking up will Isabel and Dutch be able to stop Isabel's past from catching up with her before it is too late People Pleaser Alyson Belle, Edward's transformation into the hot little minx Chloe hasn't changed the fact that he still needs to show up for his temp job so he borrows some of his neighbor Addison's too tight clothes and heads into work Little does he know that Connor Drake the powerful owner of the firm he was assigned to has a special assignment as his personal assistant marked down for

all young hot girls that migrate through Chloe can't afford to lose this job if Edward doesn't want to lose his apartment so she'll need to put up with a lot from Connor and the most surprising thing is how little she seems to mind some very personal attention from the boss. The action only gets hotter from there when Addison convinces her that the best way to pick up some extra cash outside of work as a young hot little thing is to head to the same strip club Edward used to frequent but this time as one of the dancers. She shows her a few moves and turns her loose letting Chloe take things as far and as hot as she wants to in the private dancing room behind the curtains. All this newfound freedom is going to Chloe's head. It's shocking how much better stripping is than the crappy warehouse job Edward used to have and being the boss's assistant has a lot of perks when she's not busy on her knees. Is she ever going to find the time to get back to that magic shop and get her wish reversed? She does want that, right?

**Big Neighbor Daddy** S.E. Law, Colleen I've heard rumors about my hunky neighbor. Supposedly Carl Jager is so huge that women are sore and achy down there as they limp around the next day. Curiosity killed the cat but I want to find out for myself. One evening I sneak into Carl's backyard. While he's having a party with his male buddies and two sassy working girls too. Soon it's a downright orgy in the backyard except when I see Carl's massive size I want to try that club for myself. Carl Colleen's too innocent, too young and too naive despite her insistence that she's quote unquote old enough. However one day Colleen catches me in a delicate moment and soon the young woman's on her knees begging for a taste of her big neighbor daddy. Again scandal, scandal and more scandal but that's what we love most about our heroines. These are no holds barred tales where anything goes and Colleen Weston is up there with the best of them. More to the point there's something even better than sweet cream waiting for our heroine at the end of this tale. Buckle up because you're going to adore the ride. This story is a follow up to Father and Son but all my books are standalones and may be read in any order. No cheating, no cliffhangers and always a HEA for my readers.

**My Broken Angel** RW Cole, 2023-11-22 If someone had told me I could magically enter a story world I would have thought they were nuts. That was before it happened. Navigating my story world as my heroine should be a piece of cake but immediately getting mistaken for a whore and almost killed isn't a good start. Worse yet the son of Satan disguised as a deadly gunslinger who wants to destroy the world hijacked the story and stole my sinfully beautiful Nephilim. But don't worry there are two of them each from a different timeline. And I've fallen for them both. If I am to escape my story and return to my real life we must defeat the enemy. But if we succeed will the world outside my novel be as thrilling?

**The Altar of the Body** Duff Brenna, 2007-04-01 George McLeod's easy life turns to chaos when his bodybuilder cousin Buck Root returns to Minnesota with his sexy girlfriend Joy and her mother Livia whose sense of reality blurs into the pages of a western novel. For the first time George understands the rage to live life to its fullest, the rage that has consumed Joy, Buck Root and Livia. With tragicomic grandeur Duff Brenna weaves the story of four people who come together in a cataclysmic moment of truth that tests their compassion and capacity to love.
