Digest ,1901 **The Literary Digest** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1901 **Liberating Christianity** Thomas C. Sorenson,2008-11-01 Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith s loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers a different understanding of the faith It begins with a discussion of the universal human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus s teachings of nonviolence economic justice and radical inclusivity Household Words Charles Dickens,1856 *Contours of the Kuyperian Tradition* Craig G. Bartholomew,2017-03-21 Abraham Kuyper was a remarkable figure in the modern age pastor theologian politician journalist and educator His writings launched what is known as Dutch neo Calvinism Widely known but little read Kuyper is now receiving the global recognition that his influential thought deserves in this introduction by Craig Bartholomew An Exposition of the Old Testament ...
