Shalom America:

America's Strategy in Southeast Asia James A. Tyner, 2006-12-21 Geography encompasses everything from the local where human beings live work and travel to metageographies like nations and regions James A Tyner s inventive and multidisciplinary ideas on geography similarly range from the personal his father s experience in the military during the Vietnam War to a broad discussion of how the United States has come to exercise power through the production of geographic knowledge in this case in Southeast Asia Since the end of the Second World War Southeast Asia has served as a surrogate space to further American imperial interests which are economic political territorial and moral in scope America s Strategy in Southeast Asia contends that the construction of Southeast Asia as a geographic entity has been a crucial component in the creation of the American empire For example America s most blatant experience of colonial rule occurred the Philippines America s longest war was fought in Vietnam and most recently some American policymakers have identified Southeast Asia as the Second Front in the War on Terror Yet America s overriding strategy in Southeast Asia and the region itself remains something of a mystery for the American populace a black box in America s geographical imagination This clear and innovative book educates readers about Southeast Asia s importance in American foreign policy **The American Hebrew** ,1926 **American Jewish Year Book** Cyrus Adler, Henrietta Szold, 1916 Issues for 1900 1901 include report of the 12th year of the Jewish Publication Society of America 1890 1900 issued also separately in some years issues for 1908 1909 include Report of the American Jewish Committee for 1906 1908 issued also separately in some years issues for include American Jewish Committee Proceedings of the annual meeting *Jesus Christ* David W. Hester, 2023-09-27 Jesus Christ continues to be popular and controversial two thousand years after he lived in Palestine His teaching and example have influenced countless millions of people Yet for all of the notoriety surrounding him he continues to be misunderstood and misrepresented Jesus Christ A Thematic Study aims to help both the novice and the experienced Bible student to better understand the life and teaching of Jesus of Nazareth David W Hester relies upon the wisdom and experience of a number of Bible scholars in order to paint a vivid portrait of the Son of Man Appropriate for both academic and church settings this volume provides a resource for those seeking to truly know Jesus **MEDIA OMNIPRESENCE A Study of Media, Marketing, Development and Politics** Francis Arackal , **International Commerce** ,1968 **Child Welfare in America** Yvonne Vissing, 2025-01-09 This one stop resource explores the leading child welfare issues facing the USA today as well as the laws programs and policy prescriptions that have been implemented or suggested to address pressing child welfare problems In doing so the book surveys the perspectives of lawmakers child advocacy organizations and scholars as well as parents and children Moving through centuries of US history Child Welfare in America ranges from the child labor practices of the nineteenth century to contemporary anxieties about affordable child care underperforming schools screen time and social media pressures and abusive family environments Readers will better understand the range of factors

affecting child welfare including the cost of good child care alcohol and drug abuse in family settings homelessness educational opportunities teen pregnancy and more The book also surveys the perspectives of lawmakers child advocacy organizations and scholars as well as parents and children Profiles of important advocacy organizations agencies and individuals outline the approaches to child welfare issues and policies throughout the centuries [America's Education Challenge](#) ,1997 *Righteous Gentiles: Religion, Identity, and Myth in John Hagee's Christians United for Israel* Sean Durbin,2018-10-02 In *Righteous Gentiles Religion Identity and Myth in John Hagee s Christians United for Israel* Sean Durbin offers a critical analysis of America s largest Pro Israel organization Christians United for Israel along with its critics and collaborators Although many observers focus Christian Zionism s influence on American foreign policy or whether or not Christian Zionism is truly religious *Righteous Gentiles* takes a different approach Through his creative and critical analysis of Christian Zionists rhetoric and mythmaking strategies Durbin demonstrates how they represent their identities and political activities as authentically religious At the same time Durbin examines the role that Jews and the state of Israel have as vehicles or empty signifiers through which Christian Zionist truth claims are represented as manifestly real **Sephardim in the Americas** Martin A. Cohen,Abraham J. Peck,2003-08-08 Multidisciplinary essays examinig the historical and cultural history of the Sephardic experience in the Americas from pre expulsion Spain to the modern era as recounted by some of the most outstanding interpreters of the field *One a Day* Abraham P. G. Hopkins,2019-08-27 Compelling provocative and learned This book is a stunning and sophisticated reevaluation of the American empire Hopkins tells an old story in a truly new way American history will never be the same again Jeremi Suri author of *The Impossible Presidency* *The Rise and Fall of America s Highest Office* [The Philippines](#) James A. Tyner,2010-12-22 Nearly five million migrant workers from the Philippines are employed in over 190 countries and territories They work as doctors and domestic helpers engineers and entertainers seamstresses and surveyors It is through their collective labor that the Philippines has assumed a global presence For over five centuries the Philippines has been integrated into the world economy Only recently however

has the Philippines been a pro active agent in the production of a global economy Since the 1970s the Philippine state in connection with myriad private institutions has recruited trained marketed and deployed a mobile work force Annually approximately one million migrant workers travel to all corners of the world The Philippines seeks to understand how the Philippines has become the world s largest exporter of government sponsored temporary contract labor and in the process has dramatically reshaped both the processes of globalization and also our understanding of globalization as concept

Lured by the American Dream P. James Paligutan, 2022-10-25 Starting in 1952 the United States Navy and Coast Guard actively recruited Filipino men to serve as stewards domestic servants for officers Oral histories and detailed archival research inform P James Paligutan s story of the critical role played by Filipino sailors in putting an end to race based military policies Constrained by systemic exploitation Filipino stewards responded with direct complaints to flag officers and chaplains rating transfer requests that flooded the bureaucracy and refusals to work Their actions had a decisive impact on seagoing military s elimination of the antiquated steward position Paligutan looks at these Filipino sailors as agents of change while examining the military system through the lens of white supremacy racist perceptions of Asian males and the motives of Filipinos who joined the armed forces of the power that had colonized their nation Insightful and dramatic Lured by the American Dream is the untold story of how Filipino servicepersons overcame tradition and hierarchy in their quest for dignity *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service, 2002 **Economic Development and U.S. Assistance in Gaza/Jericho** United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Near Eastern and South Asian Affairs, 1995

Hebrew in America Alan L. Mintz, 1993 Among the millions of Jews who immigrated to America in the early twentieth century there were the few for whom Hebrew culture was an important ideal Reaching a critical mass around World War I these American Hebraists attempted to establish a vital Hebrew culture in America They founded journals and wrote Hebrew poetry fiction and essays largely about the American Jewish experience and they succeeded in putting a Hebraist stamp upon most of the Jewish education that took place between the two world wars Hebrew in America is the first book to fully explore the Jewish attachment to Hebrew in twentieth century North America Fifteen leading scholars in Judaic studies write about the legacy of American Hebraism and the claims it continues to make upon the soul of the American Jewish community While they might commonly lament the eclipse of Hebrew in America they speak with many different voices when it comes to the analysis of problems and the prospects for change Several writers look backward to the impact of the Hebrew movement in America on literature and education Others consider the implications of Hebrew s arrival on the college campus Another emphasis of the book is the relationship between language and culture in the case of Hebrew from anthropological educational and linguistic perspectives And finally several essays assess the role of Hebrew in the development of Jewish leadership in America as regards the relationship with the classic past and with contemporary Israel **The Story of**

Hebrew Lewis Glinert, 2018-09-11 The Story of Hebrew explores the extraordinary hold that Hebrew has had on Jews and Christians who have invested it with a symbolic power far beyond that of any other language in history Preserved by the Jews across two millennia Hebrew endured long after it ceased to be a mother tongue resulting in one of the most intense textual cultures ever known Hebrew was a bridge to Greek and Arab science and it unlocked the biblical sources for Jerome and the Reformation Kabbalists and humanists sought philosophical truth in it and Colonial Americans used it to shape their own Israelite political identity Today it is the first language of millions of Israelis A major work of scholarship The Story of Hebrew is an unforgettable account of what one language has meant and continues to mean Catalog of Copyright Entries ,1918
