Shalom: Peace Bernhard Häring,1969 Shalom Bernhard Häring,1957-08 Shalom: Peace Bernhard Häring (c.ss.r.),1969 Repentance in Christian Theology Mark J. Boda,Gordon T. Smith,2006 This volume is a major resource for the interpretation theology and practice of communal and individual penitence It gives teachers preachers and serious students of theology an exhaustive source of information and inspiration for renewing the initial call of Jesus to Repent and believe in the Gospel Mark 1 15 **SHALOM** Bernard HARING,1967 *SHALOM THE SACRAMENT PEACE OF RECONCILIATION* BERNARD HARING,1967 *The End of the Church* Ephraim Radner,1998 In this first serious assessment of the meaning of church division Ephraim Radner provides a theological rationale for today s divided church in the Christian West that goes far beyond the standard socio historical explanations of denominationalism Through an examination of controversial post Reformation discussions about the church Radner offers a significant theory that describes the relation between Christian division and the work of the Holy Spirit within Western modernity Radner s description of the church is based on the traditional notion that a divided church is in a significant sense a dead church after the figure of the pneumatically abandoned dead Christ who himself suffers redemptively the disintegration and restoration of divided Israel in his physical and spiritual passion The hermeneutical basis for the usefulness of this figure lies deep in the scriptural practice of the undivided church and was common up through the Reformation Radner s recovery of this figural perspective is applied to the cluster of pneumatological issues that define ecclesial life **New Commentary on the Code of Canon Law** John P. Beal,James A. Coriden,Thomas Joseph Green,2000 An entirely new and comprehensive commentary by canon lawyers from North America and Europe with a revised English translation of the code Reflects the enormous developments in canon law since the publication of the original commentary Theology in Practice Roch Kereszty,Denis Farkasfalvy,2023-04-10 What is theology It is nothing more or less than the study of God All who pray are in a sense theologians All who believe in Christ are called not only to sanctity but to theology Be transformed by the renewal of your mind Rom 12 2 Yet the field of theology as taught in universities can sometimes look like a distant abstraction reserved for an intellectual elite This cannot be not the case To prove it Cistercian Fathers Roch Kereszty and Denis Farkasfalvy of the University of Dallas both veteran spiritual directors bring us *Theology in Practice A Beginner s Guide to the Spiritual Life* Guiding readers from the first inklings of God s presence to the fire of married love to the miracle of the Eucharist and even to the hour of death this book completes the circuit between theological study and human experience Never before has the Church believed as strongly as she does today that spirituality must like leaven penetrate and transform the ordinary average walks of life It ought not be limited to those who withdraw from the world This unique work written by two longtime friends and brothers in religious life draws on the riches of the Cistercian founder Saint Bernard of Clairvaux and with him the whole tradition of the Church Fathers to communicate Christ s peace to hearts and minds **Peoples, Beliefs, Cultures, and Justice in Afro-Catholicism:**

Ikpu-Ala and Igbo Church Okey Jude Uche, 2017-11-10 This book explores in depth Ikpu ala as a social justice value in the Igbo social justice system. The traditional social justice concept of ikpu ala provides an important conceptual framework through which adult Igbo Christians can engage in a critical and conscious theological reflection upon how they can make the Igbo Christian community fully authentic and faithful to the Gospel of Jesus Christ. This is a process that will highlight the total transformation of the Igbo society which began with the arrival of the missionaries in 1885. This reflection is based on the Igbo experience and understanding of Omenala, the Igbo moral code in which the world of the material and the spiritual while occupying distinct domains nonetheless remain deeply intertwined. In this book, the author explores that for the Igbo community, the reality of theology has evolved as a distinct form of experience that is deeply connected with tradition for the sake of praxis. Don Browning, 1995. Consequently, the author not only sees Ikpu ala as an authentic Igbo social justice value but also considers it as something that can be integrated into the Christian social values without either destroying Igbo's longstanding cultures or traditions. The author highlights two key lessons from the Igbo integration of ikpu ala into Christian social justice: 1. that the Igbo Catholic Church should engage the Igbo culture and traditions in a theological interactive reflection for the incarnation of the Word among the Igbo Catholics and 2. that Ikpu ala with its theological values can assist the Igbo Catholic Church in the sacrament of reconciliation and so transform the twenty-first century Igbo Catholic into an integrated and authentic Christian.

The Gospel According to St. Paul Cardinal Carlo Maria Martini SJ, 2008-05-01 Pope Benedict XVI has proclaimed a year dedicated to St Paul beginning on June 29, 2008. Readers can celebrate the Year of St Paul by praying through this unique collection of meditations by renowned biblical scholar and retired archbishop of Milan, Cardinal Carlo Maria Martini. In simple and moving language, Martini weaves together St Paul's life, character, and teachings in such a way that we come to know the apostle as a human being with the same hopes and struggles that we have. At the end of each chapter, Cardinal Martini leads us through a series of questions to help us reflect on our own lives in light of St Paul's experiences. The depth and significance of St Paul's New Testament teachings and their relevance to our lives today come to light in these meditations, most of which are being published in English for the first time.
