McGee, Pat Springle, 1992 While in recovery many people continue to have the nagging sense that something still isn t right They feel stuck in the process of emotional healing McGee and Springle stress that the road to emotional health for those who are growing in their faith involves three primary steps that involve Biblical principles **Becoming Whole** Brian Fikkert, Kelly M. Kapic, 2019-03-05 Western Civilization is wealthier but it isn t happier We are the richest people ever to walk the face of the earth but according to research we aren t becoming happier Families and communities are increasingly fragmented loneliness is skyrocketing and physical and mental health are on the decline Our unprecedented wealth doesn t seem to be doing us much good Yet when we try to help poor people at home or abroad our implicit assumption is that the goal is to help them to become like us If they would just do things our way they d be fine But even when they seem to pursue our path they too find that the American Dream doesn t work for them What if we have the wrong idea altogether What if the molds we are using to help poor people don t actually fit any of us What if the goal isn t to turn other countries into the United States or to turn America s impoverished communities into its affluent suburbs In *Becoming Whole* building on the best selling *When Helping Hurts* Brian Fikkert and Kelly M Kapic look at the true sources of brokenness and poverty and uncover the surprising pathways to human flourishing for poor and non poor alike Exposing the misconceptions of both Western

Civilization and the Western church about the nature of God human beings and the world they redefine success and offer new ways of achieving that success Through biblical insights scientific research and practical experience they show you how the good news of the kingdom of God reshapes our lives and our poverty alleviation ministries moving everybody involved towards wholeness

Today, Tonight, Tomorrow Jan Scruggs,2019-06-03 I have experienced two of the most profound experiences God offers us on this earth the overwhelming joy of adopting children and the overpowering grief of losing a child from the tragedy of heroin addiction In this book I have placed everything my heart holds It is a blend of happy experiences with my children as my husband and I raised them horrific experiences as we helplessly watched one child s life painfully ripped apart in a storm of evil and the unimaginable aftermath of losing a child Tears from all these are spread throughout these pages In his death my child was redeemed and set free I was left picking up the pieces of my broken heart shaking my head and trying to understand why God s overpowering love and sovereignty had raised a sword against one of Satan s greatest tools the power of addiction Was my child nothing more than a casualty of spiritual warfare God is good Did I still believe that This book chronicles my journey through His Word listening for whispers from heaven until finally I too am set free Today Tonight Tomorrow was written by Him for Him and belongs to Him I pray that this book will help fight the spread of the addiction plague that has been so carefully orchestrated by the enemy and will help provide comfort to those already caught in the battle
