Richard Bealmear

Shamrock Season:

Forest and Stream ,1903 Saint John Brian Flood,Richard Papenhausen,1985 **Victoria Park** A-Jay

Green,2018-12-12 Victoria Park is an urban novel with a hip hop flavor running right through the storyline Taking center stage is an extended UK family the Blakeways the Johnsons and the Barnbrooks Tug and C Jay Blakeway are basketball fans who make regular trips to the USA to watch this sport The Barnbrooks best friend Margo Turner is an opinionated and bigoted woman who gives no quarter and as the dramatic events unfold Margo s adversary Benson Harris a teen boy of Caribbean heritage searching for his identity gets embroiled in an ever more dangerous scenario While crime and drama keep readers on the edge of their seats this novel also depicts everyday family events which resonate so clearly with ordinary life An industrial region in the UK is the primary setting but there are scenes from overseas locations too Spectator sport is a passion both pro football soccer and college basketball are featured as the various family members travel far and wide to support their teams **The Irish and the Making of American Sport, 1835-1920** Patrick R. Redmond,2015-03-07

Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly s rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman s close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA s initial international sporting ventures and in the making and breaking of amateurism within sport The Golden Age of Yachting L. Francis Herreshoff,2022-06-15

The Golden Age of Yachting presents a panoramic view of yachting providing an insightful introduction to the pleasures craft and history of the sport with emphasis on the era of the great steam yachts It is a meticulous account based on accurate knowledge and detailed research Most yachting histories have been so much influenced by the nationality of the author that the British and American versions are quite different but L Francis Herreshoff was equally familiar with both sides He has given a much more factual account of the international races than can be found in other writings This book will appeal to the large group of amateur and professional seamen who strive to keep alive the traditions and lore of sail The book was first published by Sheridan House in 1963 under the title An Introduction to Yachting and reprinted in 1980 The title of this new paperback edition The Golden Age of Yachting more accurately reflects the treasures found in this magnificent volume
