Shams John S. Draper,2015-07-08 Excerpt from *Shams Or Uncle Ben s Experience With Hypocrites* According to the custom of authors my story should be intrb duced to the public in some befitting manner How best to make you acquainted with it so as to save time and words I

know not unless I divide you into two classes viz Plain honest folks and hypocrites The first class have so often formed the acquaintance of the last that the experiences of Uncle Ben will no doubt call to your minds so many incidents of your past life sad and joyous pathetic and laughable sublime and ridiculous that you will be interested from first to last and when you have finished the story you will say I am glad I met Uncle Ben Morgan I have gone over my past and have brighter glimpses of the future I have drawn lessons of value from every chapter The last class will discover their photographs hanging on the walls houses barns fences telegraph poles Rocky Mountains sides in the hotels steamboats cars private offices and in the churches and they can also trace their course through life backward whether with pleasure or remorse Uncle Ben leaves them to decide With the hope that the reader will not only be amused but profited by the time spent in Uncle Ben's Experience with the Hypocrites P S Since writing this book I have sat up nights and Mondays reading Webster's Dictionary through to correct the bad spelling I couldn't find a grammar big enough to do me any good so I have used everybody's everyday grammar About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
