*The Woman They Wanted* Shannon Harris, 2023-08-29 No one is coming to rescue me I am going to have to rescue me As a twenty three year old singer and the soon to be wife of youth pastor Joshua Harris nothing in Shannon Harris s secular upbringing prepared her to enter the world of conservative

Christianity Soon Joshua's bestselling book *I Kissed Dating Goodbye* helped inspire a national purity movement and Shannon's identity became pastor's wife *The Woman They Wanted* recounts Shannon's remarkable experience inside Big Church where she was asked to live within a narrow definition of womanhood for almost two decades and her subsequent journey out of that world and into a more authentic version of herself Entering conservative American Christianity was like being drawn out to sea she writes inexorable and all consuming Slowly her worldview was narrowed her motivations questioned her behavior examined until she had been whittled down to an idealized version of femininity envisioned as an extension of her husband and the church This decidedly patriarchal world perpetuated even by the other women began to feel like a slow death However when Sovereign Grace Ministries fell apart due to leadership conflicts and Shannon found herself outside church circles for the first time in years she heard her intuition calling to her again As she began to shake off the fog of depression and confusion that voice grew louder In honoring it she awakened to the realities in which she had been trapped and found her truest self Singular and compelling *The Woman They Wanted* will inspire women looking to reestablish connection with themselves their inner wisdom and their purpose **Shannon in the Spotlight** Kalena Miller, 2023-04-25

Montefiore Borchard,1961      **Spin Between Never and Ever** Shannon C. Flynn,2010-10-26 I hunched at my school desk seventeen and slipping into an abyss whose shadow I had barely glimpsed before My left hand shook with free associations in a spatter of words that galloped through my head and outside the margins of lined notebook paper Dark its so dark like it was night even though its 8 00 in the morning Warning Everythings going to fall fall apart my heart will break and take away everything my mind is fading fast fast vast emptiness oh help the universe is coming to get me I whirled and then faded dead inside into a suffocating fog Speaking of dead that was all I wanted Well it wasnt that I wanted to die I had to I needed to escape the tumult that was exhausting my emotional and physical resources And I had to die because I deserved to because I was evil I knew that I had transformed absolutely into a rotten core I had recently discovered this one horrifying night when it became clear as I raced around my bedroom that I was the reincarnation of Judas Iscariot betrayer of Jesus And I would plunge to Hell like he had so why shouldnt I kill myself now to get it over with Especially since I only burdened everyone around me My family and friends would rejoice once I was dead These thoughts progressed to the point that I could no longer touch anyone in order that I not contaminate them with my toxic essence Then I could no longer allow my fingers or limbs to touch each other because somehow this was evil too Soon God no longer permitted me to eat or sleep because I was such a monstrosity I stopped showering and changing clothes almost stopped speaking No longer able to attend high school I shrunk my days to mere huddling on a chair in our living room guarded by my parents and siblings in shifts Every moment I could snatch to myself I punched holes in my wrist with a safety pin hidden in my sleeve One afternoon left alone for a minute I crept furtively to the top of the second floor flight of stairs about to hurl myself down them until I was discovered and tugged back downstairs held tightly by the hand Finally my mind and body were so clamped down by dark gravity that I was no longer able to hurt myself One day I simply goggled at the unfamiliar face in our cold bathroom mirror Who is that Im not me anymoreIm an alien I decided Someone or something has stolen my identity and taken me over Well it can have me I surrender because I am worth nothing anyway So nothing matters I certainly dont matter During those gray hours days and months my mind cramped into nothing but ruminations of worthlessness and I didnt matter to myself at all Luckily of course to my parents and brothers and sisters I did matter very much Even if they puzzled over what was happening to me as much as I did they intuited my distress and incapacitization and got me help My family brought me to a psychiatric hospital where I stayed for a month I was diagnosed with depression with psychotic features and given antidepressants and an antipsychotic While in the hospital I discovered art therapy and painted surreal abstracts and wrote long narrative poems about my depression and recovery And recover I did into the blessed contentment of feeling like myself again a brighter happier self at that Now armed with a name for what ailed me I consumed volumes about depression and bipolar disorder I devoured books and articles about psychotropic medications and art therapy and theories of psychiatric rehabilitation and mood charting and the consumer movement I discovered Kay Redfield Jamison Ph D who became a role model and pored over her memoir An
