Shape Up Your Local School:

Soulbbatical Shelley Paxton, 2024-05-28 Part memoir part manifesto Soulbbatical is an invitation to become Chief Soul Officer of your own life and to open up a whole new world of possibility Former Harley Davidson executive Shelley Paxton walked away at the peak of her twenty six year marketing career and embarked on a profoundly personal journey to reconnect with her true purpose and deepest desires Her Soulbbatical not only changed her life it became her calling Paxton had a wildly successful life by most definitions iconic brands executive titles and a globe trotting career that took her to over sixty countries She had one of the coolest jobs in the world yet couldn't shake the feeling that she had lost something along the way Something was missing In Soulbbatical Shelley shares the sometimes harrowing often hilarious journey through the illness divorce addiction and tragedy that finally woke her up Suddenly she was rebelling for her best life and embracing a new mission to encourage others to live their most authentic courageous and purposeful lives today This honest emotionally gut wrenching and ultimately soul satisfying Kirkus Reviews book is an unconventional exhilarating and deeply personal road map to discovering what you really want and getting it Because no matter how far you've strayed from your soul's true path it's never too late for transformation
