

Shaping The News

Wilson Lowrey, Peter J. Gade

Shaping The News:

The Shaping of News Julie Firmstone, 2023-04-19 This book provides readers with the understanding required to analyse the range of key factors that shape the production of news and to assess their implications for the role of news and journalism in democracy It brings existing research together under the umbrella of a central organising framework to explore how news and its production is shaped by a multiplicity of factors including the norms values role perceptions and ethics associated with journalism as a profession the role of news sources the changing character and significance of news audiences the aims and objectives of news organisations and the political economic and social contexts within which news is produced Exploring these factors in depth using examples and considering the changing conditions of news production the chapters chart significant changes challenges and responses to provide the essential background for understanding the consequences of current transformations for the democratic qualities of news *The Shaping of News* Julie

Firmstone, 2023-09-23 This book provides readers with the understanding required to analyse the range of key factors that shape the production of news and to assess their implications for the role of news and journalism in democracy It brings existing research together under the umbrella of a central organising framework to explore how news and its production is shaped by a multiplicity of factors including the norms values role perceptions and ethics associated with journalism as a profession the role of news sources the changing character and significance of news audiences the aims and objectives of news organisations and the political economic and social contexts within which news is produced Exploring these factors in depth using examples and considering the changing conditions of news production the chapters chart significant changes challenges and responses to provide the essential background for understanding the consequences of current transformations for the democratic qualities of news The Global News Media: Shaping and Understanding the Narrative

Pasquale De Marco, In the ever evolving landscape of global news media this book offers a comprehensive exploration of the forces shaping the way we consume understand and disseminate information As technology transforms the media landscape news organizations and journalists face unprecedented challenges and opportunities in their quest to inform the public and hold power to account Delving into the complex interplay between media and society this book examines the role of global news media in shaping public opinion promoting cultural exchange and addressing ethical dilemmas It analyzes the impact of digitalization social media and citizen journalism on the production distribution and consumption of news It also explores the challenges posed by fake news misinformation and the blurring of lines between news and entertainment Furthermore the book investigates the global news media s role in promoting cross cultural understanding and facilitating dialogue between diverse societies It examines the ways in which the media can foster empathy challenge stereotypes and contribute to a more informed and interconnected world However it also acknowledges the potential for the media to perpetuate biases and misunderstandings highlighting the need for cultural sensitivity and inclusivity in news reporting The ethical responsibilities

of the global news media are also given due attention The book discusses the importance of accuracy fairness and objectivity in journalism as well as the challenges of balancing freedom of the press with national security concerns It explores the media s watchdog role in holding power to account and the potential consequences of media coverage on individuals and communities Looking to the future the book considers the impact of emerging technologies such as artificial intelligence and automation on the practice of journalism It examines the changing nature of journalistic work and the potential for algorithmic bias in news production It also addresses the sustainability of traditional business models in the face of declining advertising revenue and the rise of digital platforms Through its in depth analysis of these pressing issues this book provides a valuable resource for scholars journalists policymakers and anyone interested in understanding the role of global news media in shaping our world It offers a comprehensive overview of the challenges and opportunities facing journalism today and it points the way towards a more informed and responsible media landscape If you like this book write a review

Shaping Online News Performance Edda Humprecht, 2017-05-29 The author offers a comprehensive portrait of online news performance in Western countries in changing media environments Drawing on a content analysis of 48 news outlets from different types of media organization in France Germany Great Britain Italy Switzerland and USA Edda Humprecht investigates the complex interplay of systemic and organizational dynamics and their impact on online news content showing that the performance of online news media strongly varies among different media outlets Less profit oriented outlets and those with a focus on information generally perform well offering hard news diversity critical distance or analytical depth This suggests that the divide between high and low performing outlets is tied to the news outlet s capacity and willingness to strike a balance between their profit orientation and their normative role as information providers Furthermore the findings demonstrate that different dimensions of news performance are more pronounced in certain countries This book provides new theoretical perspectives and methods for political and media scholars and insights for journalists policymakers and concerned citizens

Shaping Immigration News Rodney Benson, 2013-08-19 This book offers a comprehensive portrait of French and American journalists in action as they grapple with how to report and comment on one of the most important issues of our era Drawing on interviews with leading journalists and analyses of an extensive sample of newspaper and television coverage since the early 1970s Rodney Benson shows how the immigration debate has become increasingly focused on the dramatic emotion laden frames of humanitarianism and public order In both countries less commercialized media tend to offer the most in depth multi perspective and critical news Benson challenges classic liberalism s assumptions about state intervention s chilling effects on the press suggests costs as well as benefits to the current vogue in personalized narrative news and calls attention to journalistic practices that can help empower civil society This book offers new theories and methods for sociologists and media scholars and fresh insights for journalists policy makers and concerned citizens

Explaining News C. Archetti, 2010-07-05 The book challenges the idea that processes of globalization are leading to an

increasing homogenization of news on a worldwide scale by focusing on two defining crises of our time 9 11 and the War in Afghanistan The empirical analysis combines process tracing as well as both quantitative and qualitative content analysis of governmental discourses and news coverage of eight elite newspapers across the US France Italy and Pakistan It develops a new multidisciplinary framework to explain news that brings together previously distinct levels of analysis the micro level of the individual decisions made by journalists the organizational environment of the news organization national social and political contexts the macro level of international relations The book is going to be of interest primarily to academics and researchers postgraduate students across communications media studies journalism politics and international relations as well as journalists media practitioners and officials involved in public communication

Contemporary Research Methods and Data Analytics in the News Industry Gibbs, William J.,McKendrick, Joseph,2015-07-01 The advent of digital technologies has changed the news and publishing industries drastically While shrinking newsrooms may be a concern for many journalists and publishing professionals are working to reorient their skills and capabilities to employ technology for the purpose of better understanding and engaging with their audiences Contemporary Research Methods and Data Analytics in the News Industry highlights the research behind the innovations and emerging practices being implemented within the journalism industry This crucial industry shattering publication focuses on key topics in social media and video streaming as a new form of media communication as well the application of big data and data analytics for collecting information and drawing conclusions about the current and future state of print and digital news Due to significant insight surrounding the latest applications and technologies affecting the news industry this publication is a must have resource for journalists analysts news media professionals social media strategists researchers television news producers and upper level students in journalism and media studies This timely industry resource includes key topics on the changing scope of the news and publishing industries including but not limited to big data broadcast journalism computational journalism computer mediated communication data scraping digital media news media social media text mining and user experience

News Framing of Indigenous Politics in Canada Brian Budd,2024-07-31 This book explores the news media s coverage of Indigenous settler reconciliation following the conclusion of the Truth and Reconciliation Commission of Canada TRC Using a comparative case study research design the book examines news coverage of three significant Indigenous rights issues and events during the post TRC era The findings presented demonstrate that in the post TRC era the Canadian news media continue to produce systemic patterns in coverage which reject marginalize and erase the territorial rights and claims of Indigenous Peoples The author concludes that rather than helping to move the relationship between Indigenous Peoples and settlers forward along a path of reconciliation power sharing and the resurgence of land based self determination the news media are continuing to construct discourses and representations that work against the political objectives of Indigenous Peoples and reinforce settler colonial power relationships in Canada

The News Shapers Lawrence C. Soley,1992-04-20 Analysts political

scientists scholars and consultants The News Shapers describes the elite club of individuals that the media approach for inside information background or predictions concerning the outcome of still unfolding stories Although they are presented as detached experts Lawrence C Soley uncovers their long histories of partisanship as former government officials or politicians and charges that most of the shapers have no better credentials than the millions of people to whom the news media never turn Soley s findings based on a University of Minnesota study which examined three major networks evening newscasts during 1987 1988 reveal that a small number of white politically conservative men associated with Washington based think tanks former Republican administrations and private East Coast universities virtually monopolize political discourse in the mass media Dispelling the myth of the media s liberal bias Soley discusses the shortcomings of both print and broadcast journalism which lead to selection of partisan news analysts and the effects of their commentaries on foreign and domestic affairs Special attention is given to Henry Kissinger Washington Think Tanks and the media s handling of the conflict with Iraq The News Shapers identifies the experts their past political affiliations and their often thin academic credentials It is highly recommended for scholars in communications journalism and political science as well as for newspaper readers and television news viewers

Changing the News Wilson Lowrey, Peter J. Gade, 2012-01-25 Changing the News examines the difficulties in changing news processes and practices in response to the evolving circumstances and struggles of the journalism industry The editors have put together this volume to demonstrate why the prescriptions employed to salvage the journalism industry to date haven t worked and to explain how constraints and pressures have influenced the field s responses to challenges in an uncertain changing environment If journalism is to adjust and thrive the following questions need answers Why do journalists and news organizations respond to uncertainties in the ways they do What forces and structures constrain these responses What social and cultural contexts should we take into account when we judge whether or not journalism successfully responds and adapts The book tackles these questions from varying perspectives and levels of analysis through chapters by scholars of news sociology and media management Changing the News details the forces that shape and challenge journalism and journalistic culture and explains why journalists and their organizations respond to troubles challenges and uncertainties in the way they do

JQ. Journalism Quarterly , 1975 Includes section Book reviews and other bibliographical material

Patterns of News Consumption in a High-Choice Media Environment Raluca Buturoiu, Nicoleta Corbu, Mădălina Boțan, 2023-10-06 Based on a Romanian case study this book sheds light on the supply and demand of news and information in the current digital era dominated by unprecedented dramatic changes In addition to identifying patterns of journalistic reporting and news consumption the book offers a thorough approach to how the classic theories in media and communication studies can be reinterpreted in the current attention economy and media abundance paradigm The research data included in this book provide a snapshot of media consumption patterns and encompass experts views and predictions about how media habits and diets might evolve The book

will appeal to students researchers and scholars of media and communication studies political communication and journalism as well as practitioners interested in a better understanding of news consumption patterns in a high choice media environment

Media Advocacy Mr. Rohit Manglik,2023-11-23 In this book we will study about how media can be used as a tool for advocacy driving social change policy influence and creating public awareness on critical issues

Economic Inequality and News Media Andrea Grisold,Paschal Preston,2020-08-31 Economic inequalities have become increasingly prominent in public debate in the last decade as sluggish economic growth declining or stagnant incomes high unemployment and state policy regimes orientated towards austerity dominate many core capitalist regions often with extreme turbulence in the political arena Debate over these issues unfolds in both the public sphere and within the academy with the conversation developing from two disciplinary areas in particular economics and political economy and journalism and communication studies Economic Inequality and News Media brings these fields together In this interdisciplinary volume Andrea Grisold and Paschal Preston build on a unique multi country research project exploring how news media cover and frame issues of economic inequality Taking media coverage of Thomas Piketty s best selling *Capital in the Twenty First Century* as a case study this book addresses important blind spots in the relationship between mainstream media and economics It interrogates both the failure of economists to engage with the evolving role of the media as well as journalists tendency to overlook key aspects of economic processes and power that are politically relevant and of public interest Grisold and Preston tackle this disconnect and argue for a multi disciplinary approach in which they acknowledge the crucial role the mass media plays in creating and disseminating economic information The book explores important questions such as How do new forms of economic inequality power and privilege relate to prevailing theories and conceptualizations of the media What roles do new trends and forms of economic inequality play in the typical narratives of mediated communication How do we construct the story of inequality This eye opening and transdisciplinary book sheds new light not only on the relation between news media and economic inequality but also on economic issues more broadly In an evolving world experiencing the rise of ultra nationalism populism and rampant economic uncertainty Economic Inequality and News Media is a crucial investigation of the nuances of economic news media

The Democratic Value of News Stephen Cushion,2017-09-16 The ownership and funding of media organisations inevitably affects what news we receive everyday But is public or private ownership better Looking at how news is constructed in different contexts under public and commercial models this book uses global comparative examples to give a topical insight into the world of broadcasting today

Atkinson's Evening Post, and Philadelphia Saturday News ,1922 SCC Library has 1974 89 plus scattered issues

Global News Production Lisbeth Clausen,2003 Events around the world are broadcast by giant media players such as CNN BBC and NHK amongst others This book explores how powerful political and economic agendas in the national media environment influence the production processes

Making the News Paschal Preston,2008-10-27 Making the News provides a cross national perspective on key

features of journalism and news making cultures and the changing media landscape in contemporary Europe Focusing on the key trends practices and issues in contemporary journalism and news cultures Paschal Preston maps the major contours of change as well as the broader industrial organizational institutional and cultural factors shaping journalism practices over the past two decades Moving beyond the tendency to focus on journalism trends and newsmaking practices within a single country Making the News draws on unique cross national research examining current journalism practices and related newsmaking cultures in eleven West Central and East European countries including in depth interviews with almost 100 senior journalists and subsequent workshop discussions with other interest groups Making the News links reviews and discussions of the existing literature to original research engaging with the views and experiences of journalists working at the coal face of contemporary newsmaking practices to provide an original study and useful student text *News and News Sources* Paul Manning, 2001-03-20 *News and News Sources* offers a fresh introduction to the sociology of news *News and News Sources* reviews new research in the rapidly expanding field of political communication drawing upon material from Britain Europe and the USA provides a clear introduction to the processes of news production and the implications of the rise in global electronic news communication and assesses the various theoretical frameworks available for analysing these developments including functionalism pluralism Marxism political economy hegemony theory discourse theory and postmodernism **Developing News** Jairo Lugo-Ocando, An Nguyen, 2017-02-17 *Developing News* sets out to describe how development is articulated in the news and used by newspeople as an analytical category to explain the world It is about examining development as a discourse that is based on the harmful contrast between the developed and the developing or the underdeveloped and that sets the boundaries for what is permissible to say Jairo Lugo-Ocando and An Nguyen begin by discussing the news coverage of development that emerged as a news category for newspapers and broadcasters after World War II They move on to examine the way development has been reported by the mainstream media exploring the rationales and ideologies that determined and continue to define the way the media think about and represent development in the news In doing so the authors contribute to a better understanding of the relationship between the news agenda news sources and the development policies that are set in the centres of power This book is ideal for those studying and researching and studying issues to do with journalism and the Third World It may also be relevant for those students taking courses in global or international journalism media and democracy development studies or international politics Above all it is an invitation for journalists to rethink their own practice in representing international development and its component

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shaping The News full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Shaping The News eBooks, including some popular titles.

FAQs About Shaping The News Books

What is a Shaping The News PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Shaping The News PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Shaping The News PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Shaping The News PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Shaping The News PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
