**Rosemary Wakeman**

## **Shaping Postwar Europe European Unity And Disunity 1945 1957:**

Shaping Postwar Europe Peter M. R. Stirk, David Willis, 1991-01-01 *The Dynamics of European Security Cooperation, 1945-91* Gülnur Aybet, 2016-01-12 This is the first integrated analysis of all aspects of security cooperation in western Europe from 1945 to 1991 It provides an accessible yet sophisticated survey of the wider dynamics of security cooperation in each decade throughout this period It covers all aspects of security cooperation which range from the political such as a European voice in arms control to military such as a European input into NATO strategy and economic involving collaboration in defence technology and production

**A Converging Post-War European Discourse** Thomas C. Hoerber, 2014-12-24 This book explores the most important components and contributing factors to the European integration process during the 1950s It seeks to combine comparative politics and political history to examine core themes such as war experience national security military security economic security societal security and research and education in three major European countries i.e. France Germany and Britain It analyses the references to the ensuing European integration process in national parliamentary debates analyzing which national needs were thought European integration could cater to but also which national positions were seen as being compromised by a closer European commitment The development of a national position on European integration and in turn the evolution of European concepts are considered by using discourse theory on parliamentary debates in France Germany and Britain Parliamentary discourses are shown to be an ideal source for analyzing grand themes such as European integration because they cover all fundamental ideas they have to be public and open ended deliberations which in turn determined the position of each country towards European integration The great variety of positions reflected in the parliamentary discourse in particular those which did not prevail and which did not find their way into the commonly accepted historical storyline of European integration provide a greater comprehensiveness and a better understanding of the history of the European integration process

**Themes in Modern European History Since 1945** Rosemary Wakeman, 2003 Twelve chapters consider the key political cultural and economic changes of post 1945 Europe

**Building Postwar Europe** Anne Deighton, 2016-07-27 Controversy surrounds the construction of postwar European institutions Did West European states simply respond to American pressure and Cold War politics How important was federalist idealism as opposed to economic and power political factors to decision makers These studies by an international team of historians examine the motivations of national political leaders and their officials Topics covered include British and French officials European integration and military policies German Italian Belgian and Dutch attitudes Britain and the first attempt to join the EEC and the covert relationship between the USA and the European federalists

The Foundations of Europe Thomas Hörber, 2007-12-18 Thomas Hörber analyses the building process of European integration He shows the parliamentary discourses of France Germany and Britain to be representative of the national position of these states towards the developing concept of Europe He covers all key events and developments of the time

which had an impact on the European integration process and provides an explanation for the convergence of national discourses towards a common Europe This development was by no means a given and the analysis of parliamentary debates shows for the first time how vigorous the debates were on European integration in the 1950s and how despite setbacks notably the failure of the European Defence Community the discussion went in favour of integration

**From Disarmament to Rearmament** Sheldon A. Goldberg, 2017-10-02 At the end of World War II the Allies were unanimous in their determination to disarm the former aggressor Germany As the Cold War intensified however the decision whether to reverse that policy and to rearm West Germany as a bulwark against the Soviet threat led to disagreements both within the US government and among members of the nascent NATO alliance The US military took the practical view that a substantial number of German troops would be required to deter any potential Soviet assault The State Department on the other hand initially advocated an alternative strategy of strengthening European institutions but eventually came around to the military's position that an armed West Germany was preferable to a weak state on the dividing line between the Western democracies and the Soviet satellite states Sheldon A Goldberg traces the military diplomatic and political threads of postwar policy toward West Germany and provides insights into the inner workings of alliance building and the roles of bureaucrats and military officers as well as those of diplomats and statesmen He draws on previously unexamined primary sources to construct a cogent account of the political and diplomatic negotiations that led to West Germany's accession to NATO and the shaping of European order for the next forty years

Manipulating Hegemony R. Vickers, 2000-02-17 Drawing on neo Gramscian theories of International Political Economy this book explores the impact of the Marshall Plan on labour and government in Britain Rather than the US imposing a politics of productivity on an unwilling government the centre right of the Labour Party used the Marshall Plan to achieve its own political ends Manipulating Hegemony shows how the government was able to marginalise the left to create a pattern of state labour politics that was to endure until the end of the 1970s

**The Origins of the Contemporary Global Order** Carl J. Strikwerda, 2025-01-17 This book offers a new interpretation of the origins of the contemporary global order the set of institutions and international practices created by the USA and its allies after the Second World War Previous interpretations have argued that the USA played the predominant role in creating the global order to fight the Cold War against the Soviet Union The author argues that a broader perspective is necessary to understand both the origins of the global order and its ongoing tensions up until today a perspective that includes the legacy of both world wars the role of imperialism and the alternative strategy of globally oriented economic blocs The cooperative tradition in the founding of the global order and the contributions of nations besides the USA provides useful insights for those interested in the current global order and the challenges it faces from Russia and China

Britain, Germany and the Cold War R. Gerald Hughes, 2007-06-11 This well researched book details the ambiguity in British policy towards Europe in the Cold War as it sought to pursue détente with the Soviet Union whilst upholding its commitments to its

NATO allies From the early 1950s Britain pursued a dual policy of strengthening the West whilst seeking détente with the Soviet Union British statesmen realized that only through compromise with Moscow over the German question could the elusive East West be achieved Against this the West German hard line towards the East endorsed by the United States was seen by the British as perpetuating tension between the two blocs This cast British policy onto an insoluble dilemma as it was caught between its alliance obligations to the West German state and its search for compromise with the Soviet bloc Charting Britain's attempts to reconcile this contradiction this book argues that Britain successfully adapted to the new realities and made hitherto unknown contributions towards détente in the early 1960s whilst drawing towards Western Europe and applying for membership of the EEC in 1961 Drawing on unpublished US and UK archives Britain Germany and the Cold War casts new light on the Cold War the history of détente and the evolution of European integration This book will appeal to students of Cold War history British foreign policy German politics and international history

**British Foreign Policy, National Identity, and Neoclassical Realism** Amelia Hadfield-Amkhan, 2010-10-16 This groundbreaking study offers a genuinely multidisciplinary exploration of cultural influences on foreign policy Through an innovative blend of historical analysis neoclassical realist theory and cultural studies Amelia Hadfield-Amkhan shows how national identity has been a catalyst for British foreign policy decisions helping the state to both define and defend itself Representing key points of crisis from the past two centuries her case studies include the 1882 attempt to construct a channel tunnel to France the frantic 1909 Dreadnought race with Germany the 1982 Falklands War with Argentina and the 2003 decision to remain outside the Eurozone The author argues that these events marking the decline of a great power have forced Britain's society and government into periods of deep self reflection that are carved into its culture and etched into its policy stances on central issues of sovereignty territorial integrity international recognition and even monetary policy

*The Frontier of National Sovereignty* Alan S. Milward, Frances M. B. Lynch, Federico Romero, Ruggero Ranieri, Vibeke Sørensen, 2017-07-05 Many theoretical explanations had been offered for the rise of the European Community but none had used historical analysis to draw out the deeper significance of the events that surrounded Maastricht However in this book first published in 1993 the authors explored the process of European integration and its future drawing on extensive empirical research into the national archives of the member states The authors brought their findings together in this consistently argued book to provide a new and coherent theory of European integration which threw a fresh light on unexplored aspects of EC policy The debate over the Treaty of Maastricht shows how ill understood are the issues involved and this book is intended to improve that understanding It is essential reading to students of history international relations and political science

*Europe United* Sebastian Rosato, 2010-12-16 The construction of the European Community EC has widely been understood as the product of either economic self interest or dissatisfaction with the nation state system In Europe United Sebastian Rosato challenges these conventional explanations arguing that the Community came into being because of balance of power

concerns France and the Federal Republic of Germany the two key protagonists in the story established the EC at the height of the cold war as a means to balance against the Soviet Union and one another More generally Rosato argues that international institutions whether military or economic largely reflect the balance of power In his view states establish institutions in order to maintain or increase their share of world power and the shape of those institutions reflects the wishes of their most powerful members Rosato applies this balance of power theory of cooperation to several other cooperative ventures since 1789 including various alliances and trade pacts the unifications of Italy and Germany and the founding of the United States Rosato concludes by arguing that the demise of the Soviet Union has deprived the EC of its fundamental purpose As a result further moves toward political and military integration are improbable and the economic community is likely to unravel to the point where it becomes a shadow of its former self      **Rebuilding Europe** David W.

Ellwood,2014-02-04 With the end of the Cold War and the prospect of a federal Europe ever closer this book is a timely reassessment of the processes by which western Europe was reborn out of the devastation and despair of 1945 Concentrating on the first postwar decade and making rich use of the latest research findings David Ellwood gives a detailed account of the practicalities of reconstruction how it was done what it cost who paid for it and what those involved hoped for expected and actually received      Duncan Sandys and the Informal Politics of Britain's Late Decolonisation Peter Brooke,2017-11-08 This book throws new light on the impact of informal old boy networks on British decolonisation Duncan Sandys was one of the leading Conservative politicians of the middle decades of twentieth century Britain He was also a key figure in the Harold Macmillan s Winds of Change policy of decolonisation serving as Secretary for the Colonies and Commonwealth Relations from 1960 to 1964 When he lost office he fought strenuously to undermine the new Labour Government s attempts to accelerate colonial withdrawal and improve race relations in Britain Sandys developed important private business interests in Africa and intervened personally through both public and official channels on the question of Rhodesia Commonwealth immigration and the East of Suez withdrawal in the late 1960s This book will appeal to students of decolonisation and twentieth century British politics alike      **Forging Democracy** Geoff Eley,2002-04-11 Democracy in

Europe has been a recent phenomenon Only in the wake of World War II were democratic frameworks secured and even then it was decades before democracy truly blanketed the continent Neither given nor granted democracy requires conflict often violent confrontations and challenges to the established political order In Europe Geoff Eley convincingly shows democracy did not evolve organically out of a natural consensus the achievement of prosperity or the negative cement of the Cold War Rather it was painstakingly crafted continually expanded and doggedly defended by varying constellations of socialist feminist Communist and other radical movements that originally blossomed in the later nineteenth century Parties of the Left championed democracy in the revolutionary crisis after World War I salvaged it against the threat of fascism and renewed its growth after 1945 They organized civil societies rooted in egalitarian ideals which came to form the very fiber of Europe s

current democratic traditions The trajectories of European democracy and the history of the European Left are thus inextricably bound together Geoff Eley has given us the first truly comprehensive history of the European Left its successes and failures its high watermarks and its low tides its accomplishments insufficiencies and excesses and most importantly its formative lasting influence on the European political landscape At a time when the Left s influence and legitimacy are frequently called into question *Forging Democracy* passionately upholds its vital contribution *Explorations in OEEC History* OECD,2009-07-08 This book examines the major moments punctuating OEEC history from the original offer of Marshall Aid in 1947 to the decision to create the OECD in 1960 *The European Productivity Agency and Transatlantic Relations, 1953-1961* Bent Boel,2003 The European Productivity Agency EPA was initially designed as a means to Americanize Western Europe through the transfer of American techniques know how and ideas to the Old Continent It increasingly became a framework within which the member countries sought European solutions to their problems This study of the EPA sheds new light on the nature of European cooperation and transatlantic relations in the 1950s as well as on the changes these relations underwent during the early postwar period **The Rise and Fall of the European Defence Community** K. Ruane,2000-06-06 Using the European Defence Community EDC as a case study this book examines the competing and often conflicting view of the British and American governments towards European integration in the early 1950s The British fearing an agonizing reappraisal of the American defence commitment to Europe if the supranational EDC failed went to great lengths to ensure the success of the scheme When despite these efforts the EDC finally collapsed in August 1954 NATO was plunged into arguably the most severe crisis in its history The crisis also possessed an Anglo American dimension with London and Washington badly divided on how it should be resolved In the end the British were instrumental in the creation of the Western European Union as a successor to the EDC Their crisis management however had been rooted in fear of the agonizing reappraisal a danger dismissed by many historians as exaggerated but which the British in 1954 were perhaps right to take seriously **The Postwar Legacy of Appeasement** R. Gerald Hughes,2014-01-16 Focusing on the Cold War and the post Cold War eras R Gerald Hughes explores the continuing influence of Appeasement on British foreign policy and re evaluates the relationship between British society and Appeasement both as historical memory and as a foreign policy process The Postwar Legacy of Appeasement explores the reaction of British policy makers to the legacies of the era of Appeasement the memory of Appeasement in public opinion and the media and the use of Appeasement as a motif in political debate regarding threats faced by Britain in the post war era Using many previously unpublished archival sources this book clearly demonstrates that many of the core British beliefs and cultural norms that had underpinned the Chamberlainite Appeasement of the 1930s persisted in the postwar period

Right here, we have countless book **Shaping Postwar Europe European Unity And Disunity 1945 1957** and collections to check out. ## **Shaping Postwar Europe European Unity And Disunity 1945 1957 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Shaping Postwar Europe European Unity And Disunity 1945 1957 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Shaping Postwar Europe European Unity And Disunity 1945 1957 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Shaping Postwar Europe European Unity And Disunity 1945 1957 free PDF files is convenient, its important to

note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Shaping Postwar Europe European Unity And Disunity 1945 1957. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Shaping Postwar Europe European Unity And Disunity 1945 1957 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Shaping Postwar Europe European Unity And Disunity 1945 1957 Books**

**What is a Shaping Postwar Europe European Unity And Disunity 1945 1957 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shaping Postwar Europe European Unity And Disunity 1945 1957 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shaping Postwar Europe European Unity And Disunity 1945 1957 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shaping Postwar Europe European Unity And Disunity 1945 1957 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shaping Postwar Europe European Unity And Disunity 1945 1957 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
