blamed rap music and its tales of gang life on bullet ridden US streets for the rising use of firearms in Canadian crime Were these songs artful accounts of a terrible truth or a self fulfilling prophecy Rodrigo Bascunan and Christian Pearce have interviewed many of the major players in the hip hop world As publishers of an award winning magazine of urban culture they d watched rap music become a scapegoat for society s much older and widely spread fascination with guns What follows is their international adventure to deconstruct modern gun culture in all its manifestations Bascunan and Pearce seek out hip hop artists illegal gun runners firearms aficionados and manufacturers museum curators academics politicians video game creators activists victims of gun violence and the family and friends left behind Somewhere between Fast Food Nation No Logo and a Michael Moore documentary featuring sly sidebar material and original artwork Enter the Babylon System is part outrageous journalistic pursuit and part passionate cri de coeur for sanity in the face of a society s obsession
