Shard Of The Heart:

Stealing Dragon's Heart Susan Laine, 2016-03-02 A Lifting the Veil Story Notorious master thief Finn Grayson is hired to break into a high class skyscraper in New Shanghai and steal a priceless artifact known as the Shard But someone's gotten to the Shard first and the penthouse suite turns out to be a dragon's lair Cameron Feilong Guardian of the Earth Shard is ancient enough to realize that he and his unbidden guest are being used like puppets on a string Forming a shaky alliance is the only way for them to survive and to stop their ruthless foes Unfortunately Finn and Cam seem to be forever one step behind To learn more about their clandestine enemy they travel together from walled Asian cities barren tundras and underwater temples to secret paranormal clubs and legendary elvish cities rising high in the trees or buried deep under glaciers Finn and Cam must learn to trust each other before it's too late for bringing together the five Elemental Shards will spell the end of the world

Shard in the Heart Ellen Clarke, Gandalf Clarke, 2021-09-07 We are born into this world without understanding that the circumstances around us will inevitably cause heartache Heartache forms a dark shard that grows until we either die of a broken heart or seek help I wrote until I gained freedom from the shard in my heart Shard in the Heart is born from the idea that multiple versions of one's self exist Every time you make a decision another version of you makes the opposite choice There are versions of ourselves that have lost their lives to suicide When suicide occurs there is so much pain that the soul shatters and the soul split into shards These painful shards are embedded into the living versions of the self Those of us who exist must bear the pain and carry on even though we do not understand why our heart aches The poems in this compilation were born of a need to spill the frustration onto pages and away from our hearts My greatest hope is that by sharing my words you can relate to my stories and find a way out of the darkness a way to pull the shard out of your heart Open your heart pour out the words and experience life
