**Evangelism on the Go!** Michael McGuire, 2018-05-21 Athletes don't suit up just to sit on the sidelines while others play the game yet week after week Christians suit up at church just to watch others perform Do you find yourself sitting on this proverbial bench off to the side while others share the gospel Do you want to get into the game but think that it's better left to professionals or to people with more experience Evangelism on the Go shows you that the greatest discovery you can ever make in your spiritual life is how God wants to use you to reach other people and it will give you insights into how you can become a powerful witness for Christ Author and pastor Michael McGuire provides both spiritual and practical steps you can take to search for opportunities to tell others about Christ and by developing a sensitivity to the Holy Spirit's guidance you too can have the joy of seeing others commit their lives to becoming followers of Christ You do not have to become a professional minister before God can use you to share the gospel and seeing others come to Christ is one of the most exciting parts of the Christian life So don't let fear bench you and keep you out of the game If you want to overcome fear and grow in your faith you must give it away Vision Moments Bo Boshers, Keith Cote, 2004 Visions can offer inspiration encouragement and hope It is in vision moments that lasting imprints of what God would have for our lives are stamped on each of our hearts Vision Moments will provide leaders of student ministries with the essential tools and examples in areas

such as spiritual growth evangelism community ownership and being a difference maker to begin building lasting vision in the hearts of their teams

**An Hour Glass Through Time** Robert Jacobs,2021-01-19 An Hourglass through Time gives us a view of biblical interpretation as it should be viewed from our time to theirs applying it to today after we understand how it was viewed then It is all based on the biblical interpretation model of seeing how the scriptures were received by the original biblical audience then building a bridge for relevance to the contemporary audience The biggest mistake we make in our Christian walks is to think God s words evolve and mean something different as time goes on it is simply applied differently as time goes on and as our circumstances change This process is done over and over as society and time marches on When we look at biblical texts as we are looking through an hourglass we grasp the word differently and with a fresh perspective not necessarily a different one

**Awake and Arise the Dying of the American Church** Dr. Stan Mars,2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don t make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God s church God s way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey
