EU Financial Framework from 2014 Great Britain: Parliament: House of Lords: European Union Committee,2011-04-05 The EU Multiannual Financial Framework MFF will shape what the EU achieves in the second half of this decade This report is set against the themes of the EU s Europe 2020 strategy smart sustainable and inclusive growth The report includes three principal recommendations Common Agricultural Policy must be reformed the EU s budget must not grow in real terms the EU must spend its money more carefully The Common Agricultural Policy must be reformed to release resources for other priorities including research One third of the EU s budget still goes on agricultural subsidies Overall funding must be reduced And the CAP must shift resources behind rural development pillar two from production pillar one The Committee calls for an end to trade distorting subsidies and a focus on today s challenges global food security biodiversity and climate change The Committee found proposals for new EU revenue streams or taxes own resources to be an unfortunate distraction on which it will be impossible to reach agreement It also recommends that the Financial Framework be for five years not seven as at present so that it has more flexibility to respond to changing events such as recent events in North Africa and

economic circumstances like the financial crisis EU mismanagement of large scale projects is unacceptable And the EU s regional development funds should go to where they are most needed the EU s poorest countries And the EU should not spend at all where EU spending adds no value compared with spending at national or regional level

Transforming Our World Ivo Šlaus,2020-05-15 This book addresses the survival of humankind Our world is the best it has ever been but it is not sustainable It is self destructive it is marked by war which can destroy the world in a single day the destruction of natural and human capital within 10 years and technologies which could be both beneficial and destructive We have no future if we continue living as we do currently and even if we do nothing This book highlights the kinds of changes which are required Wars are not biologically necessary and are useless the culture that established wars can eliminate them Poverty hunger and inequality destroy human capital These destructions can be overcome by changing economic and political paradigms and our mindset Empathy freedom curiosity and wisdom are required

OUR WORLD AND ITS VALUES Edward R W Makhene,2006-12-04 What are values What principles underlie them How ought we to apply them to our relations with our environment other people in our communities and international relations What is the state and how should it treat its citizens with justice and fairness Can we have a morality without religion Can we divest ourselves of the corrupting influence of money on human relations and the environment Can we live honestly without assuming simulacra pretending to be what we are not or not to be what we really are
