## **Share The Care An Evaluation Of A Familybased Respite Care Service:**

"Share the Care" Kirsten Stalker,1990 Share the Care examines the different ways in which respite care schemes operate focusing in particular on the Share the Care service in Lothian and the experience of parents of children with learning difficulties of using the scheme respite carers families facing an extended wait for respite and families who withdraw from the scheme     *Development in Short-term Care* Kirsten Stalker,1996 The first book to bring together and review the findings of research into short term care services for a range of user groups this book addresses the question of short term care from many perspectives Particular attention is paid to the views of those in direct receipt of the service while the issues of costings and quality and the current research on provision to particular groups including disabled children and people with dementia are also examined     **The Children Act** Great Britain. Dept. of Health,1991 How will the Children Act affect work with disabled children This guidance outlines the responsibilities of social services departments SSDs under the Act stating that they have a clear duty to provide services to children with disabilities Treating disabled children as children first is of paramount importance However there is a need for all staff who may be involved in providing a service to a child with a disability to be aware of legislation and SSDs should ensure that advice expertise and resources are available for their staff when needed     **The Evaluation Handbook for Health Professionals** Anne Lazenbatt,2002-04-04 This easy to use handbook is a useful resource for all health professionals engaged in processes of evaluation in a variety of contexts within the world of healthcare Encouraging an evidence based approach to practice it provides guidelines on how to design and evaluate an intervention examples of good practice reliable and easy to use measures advice on how to work effectively Designed to prompt self evaluation and group project evaluation it illustrates how simple evaluation methods can help to break down the divisions between research and practice It shows how more practitioners can apply such methods to improve the quality of care as well as the treatments and services which they offer their patients and clients The examples drawn from clinical settings community practice and work in the voluntary sector demonstrate the kind of evaluation that can be undertaken by a small scale team or a single practitioner with limited resources The Evaluation Handbook will be a useful source of reference for those new to evaluation as well as more experienced managers and researchers     **International Review of Research in Mental Retardation** Laraine Masters Glidden,2003-05-03 International Review of Research in Mental Retardation is an ongoing scholarly look at research into the causes effects classification systems syndromes etc of mental retardation Contributors come from wide ranging perspectives including genetics psychology education and other health and behavioral sciences     *Children and Society* Malcolm Hill,2014-09-25 Provides a comprehensive overview of the issues research and debates relating to children and the experience of childhood in late twentieth century Britain This volume will address key issues such as juvenile crime poverty child protection and children s rights and their implications for the development of policy and services for children Presents first hand accounts from children and parents     *EBOOK:*

*Applying Research in Social Work Practice* Brian Corby, 2006-10-16 What are the key issues and concerns raised by the debate about making social work more of an evidence based profession How is it possible to evaluate the strengths and weaknesses of specific research projects How can research findings be applied in social work practice In an era where professions are increasingly being questioned and made more accountable for their actions social workers are required to relate their activities more directly to research findings than ever before In the modern evidence based practice debate there are many claims and counter claims about the benefits of research and about its applicability to social work practice There are also major disputes about what type of research is most valid to the concerns of social work This book tackles these debates with a view to clarifying the issues for students and practitioners in social work and social care fields In particular the book examines The political and ideological disputes surrounding the evidence base debate in social work A wide range of research into social work with children older people mental illness and disability The three main paradigms of social research objectivist subjectivist and critical How research knowledge can be applied to practice *Applying Research in Social Work Practice* presents social work students and practitioners with the background to the key current issues relating to social work practice and social research It also provides guidance on the skills needed to evaluate the strengths and weaknesses of a range of research studies Finally it offers help and guidance about how research can actually be applied in practice

*Reconceptualising Work with 'Carers'* Kirsten Stalker, 2002-11-15 Demonstrating the scope and diversity of caring the contributors highlight the positive aspects of caring and the interdependence of many caring relationships but also broach the sensitive and complex subject of poor care and the importance of identifying and meeting the needs of hidden carers

**Growing Up with Disability** Carol Robinson, Kirsten Stalker, 1998-01-01 This book encompasses a wide range of perspectives on childhood impairment and its social implications The book adopts a child centred approach stressing the importance of communicating with disabled children and includes pieces of writing by young disabled people Preschool and school age children describe their behavior and feelings within their own families substitute families and residential homes The book explores how such children can best be protected and how their quality of life can be improved Using the social model of disability which identifies the material and social barriers to inclusion contributors give examples of progressive practice and examine the aspirations of young disabled people their friendships and how they come to terms with adolescence and the transition to adulthood

**Making Leisure Provision for People with Profound Learning and Multiple Disabilities** James Hogg, J. Cavet, 2013-11-11

**A Textbook of Children's and Young People's Nursing E-Book** Edward Alan Glasper, James Richardson, 2010-05-19 This popular textbook is aimed at children's nurses in a wide range of practice settings including primary ambulatory and tertiary care Covering the full age and specialty spectrum this text brings together chapters from among the best known children's nurses in the UK It describes family centred child healthcare drawing upon practice throughout the UK and further afield This innovative text provides up to date information

on a wide range of topics Each chapter offers readers additional material on Evolve Full Microsoft PowerPoint presentations that facilitate interactive learning augment the written chapters and provide information not normally possible in a standard textbook e g colour photographs video clips Although intended for nurses the book adopts an interprofessional problem solving and reflective approach aimed at students practitioners and child health educators Material is offered from levels 1 3 and some of the ancillary material extends into the postgraduate arena Each chapter offers readers additional material on an Evolve website Full Microsoft PowerPoint presentations augment the written chapters and provide extra information that includes case studies moving image photographs and text Aims objectives learning outcomes a summary box in each chapter and key points assist learning and understanding Professional conversation boxes enliven the text on the page and make it more interesting to dip into Suggestions for seminar discussion topics to help teachers Case studies help to relate theory to practice Prompts to promote reflective practice Activity boxes suggested visits Evidence based practice boxes which highlight key research studies annotated bibliographies including details of web sites and full contemporary references to the evidence base Resource lists including recommended web site addresses New chapter on blood disorders of childhood New material on caring for young people and transitions in care More on childhood eczema childhood and adolescent mental health solid tumours of childhood

**Law, Rights and Disability** Jeremy Cooper, 2000-12-01 This comprehensive volume assesses the relationship between legal rights and disability and the effect of law legal process and third party professional intervention on the lives of people with disabilities The contributors who are all either academics or other professional experts in their field write in a jargon free accessible style

**Nursing Times, Nursing Mirror** ,1992

**Planning for Life** Liam Concannon, 2005 Based on original research and interviews with service users carers and service providers this book traces the development of services for people with disabilities and discusses how much things have really changed for today s service users since the days of asylums

### **Share The Care An Evaluation Of A Familybased Respite Care Service Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Share The Care An Evaluation Of A Familybased Respite Care Service PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Share The Care An Evaluation Of A Familybased Respite Care Service PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Share The Care An Evaluation Of A Familybased Respite Care Service free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
