# Sharing A Continent An Introduction To Canadian American Relations

**John N. Jackson**

## **Sharing A Continent An Introduction To Canadian American Relations:**

Sharing a Continent Janet Kerr Morchain, 1973      *An Introduction to Canadian-American Relations* Edelgard Elsbeth Mahant, Graeme Stewart Mount, 1984      **The Canada Year Book**, 1974      The Mighty Niagara John N. Jackson, 2003-03

makes some notable contributions to the popular and scholarly literature about the Niagara region a welcome addition to the literature of US Canada cross border studies The Canadian Historical Review provides a most engaging and eloquently written story a learned tale of the Niagara region's associated historical triumphs and abiding challenges The book's geographical and social histories will be of interest not only to residents of the Niagara Frontier but to anyone who has ever been fascinated by the complexly related natural and technological wonders that have helped to make Niagara one of the world's most famous and enduring icons

ISLE This in depth regional study of the Niagara Frontier traces the evolution of landscape and patterns of settlement on both sides of the Niagara River extending from St Catharines Ontario to Lockport New York This significant region astride an international frontier both connects and separates unites and divides Canadian and American territories bordering the Niagara River Like map overlays that build on an underlying base geography Professor Jackson's chronological approach begins with the qualities of the physical background and their ongoing ramifications up to the present for the use and development of land He then adds the Native settlements showing their trails and economic activities while highlighting the amazing fact that certain Native features remain an intrinsic part of the modern landscape The next time period reveals that the previous human landscapes once continuous across the Niagara River became acutely discontinuous with the creation in 1783 of an unseen but divisive international boundary Subsequent chapters follow the changes over the course of time as canals railways hydroelectric power and the dominance of the automobile in the present era all transform the environment Jackson also discusses Niagara Falls as the fulcrum around which the Niagara Frontier has developed and the impact of the tourist industry on the region This thorough analysis of an important international region will be of great use to students of regional urban and historical geography as well as to anyone involved in cross boundary trade education or tourism

John N Jackson St Catharines Ontario is professor emeritus of applied geography at Brock University and the author of fourteen previous books on regional geography and history John Burtneck St Catharines now retired was the special collections librarian and university archivist at Brock University Gregory P Stein Buffalo NY is associate professor of geography and planning at SUNY College at Buffalo

*America's Alliances and Canadian-American Relations* Canadian Institute of International Affairs, Dartmouth College. Institute on Canada and the United States, 1988

**Beyond Mexico** Jean Daudelin, Dosman, 1995-03-15 As a result of the North American Free Trade Agreement Canada's relations with Mexico and Latin America have reached a turning point both politically and economically Beyond Mexico is a timely assessment of the dynamic state and the prospects of Canada's relations with Latin America Every day trade developments under NAFTA are redefining political economic and social connections between Canada Mexico and

the United States In this well documented policy relevant and eminently accessible study specialists address the challenges raised by non governmental organizations security and human rights issues inter municipal exchange programs Canada s membership in the Organization of American States and by successive crises in Haiti This collection looks beyond NAFTA to explore the range and realities of Canada s involvement in the entire hemisphere

**A Bibliography of Works on Canadian Foreign Relations, 1971-1975** ,1977 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1975 **Canadian Review of Studies in Nationalism** ,1974 **A Bibliography of Works on Canadian Foreign Relations** ,1981 **Curriculum Series** Ontario Institute for Studies in Education,1980

**Canadian-American Economic Relations** Kent State University. Graduate School of Management,Kent State University. Department of Economics,1988-10-26 This volume brings together leading academic experts from the U S and Canada to explore the crucial economic relationship between their two countries each of whom is the other s largest trading partner The essays all specially written for this study provide an integrated balanced examination of the strengths and weaknesses inherent in the relationship and discuss reasons for the increasing difficulties experienced in the past few years An indispensable supplement for courses in international business and regional economics the study will also provide economists political scientists and environmentalists with important new insights into this most critical relationship Following an overview of the economic structure of the two nations the contributors focus upon three general areas of Canadian American economic relations The section on natural resources and related issues presents an up to date view of energy and environmental considerations and explores shared problems of agricultural competitiveness Turning to a discussion of trade issues the contributors analyze the effects of the October 1987 accord address the impact of the U S balance of payments position on Canadian economics and examine ways in which each country can expand its international trade Finally a group of essays on taxes financial markets and bilateral investment offers an in depth treatment of issues such as U S direct investment in Canadian manufacturing the development of an integrated North American venture capital market and investment patterns Numerous tables and figures amplify the discussions

**Prejudice and Pride** Damien-Claude Bélanger,2011-01-01 As a country with enormous economic military and cultural power the United States can seem an overwhelming neighbour one that demands consideration by politicians thinkers and cultural figures Prejudice and Pride examines and compares how English and French Canadian intellectuals viewed American society from 1891 to 1945 Based on over five hundred texts drawn largely from the era s periodical literature the study reveals that English and French Canadian intellectuals shared common preoccupations with the United States though the English tended to emphasize political issues and the French cultural issues Damien Claude Belanger s in depth analysis of anti American sentiment during this era divides Canadian thinkers less along language lines and more according to their political stance as right wing left wing or centrist Significantly the era s discourse regarding American life and the Canadian American relationship was less an

expression of nationalism or a reaction to US policy than it was about the expression of wider attitudes concerning modernity

*Canadian Bibliography of International Law* Christian L. Wiktor, 1984      **The U.S. Navy and Its Cold War Alliances, 1945-1953** Corbin Williamson, 2020-08-12 After World War I the U S Navy s brief alliance with the British Royal Navy gave way to disagreements over disarmament fleet size interpretations of freedom of the seas and general economic competition This go it alone approach lasted until the next world war when the U S Navy found itself fighting alongside the British Canadian Australian and other Allied navies until the surrender of Germany and Japan In The U S Navy and Its Cold War Alliances 1945 1953 Corbin Williamson explores the transformation this cooperation brought about in the U S Navy s engagement with other naval forces during the Cold War Like the onetime looming danger of Nazi Germany and Imperial Japan growing concerns about the Soviet naval threat drew the U S Navy into tight relations with the British Canadian and Australian navies The U S Navy and Its Cold War Alliances 1945 1953 brings to light the navy to navy links that political concerns have kept out of the public sphere a web of informal connections that included personnel exchanges standardization efforts in equipment and doctrine combined training and education and joint planning for a war with the Soviets Using a history from the middle approach Corbin Williamson draws upon the archives of all four nations including documents only recently declassified to analyze the actions of midlevel officials and officers who managed and maintained these alliances on a day to day basis His work highlights the impact of domestic politics and security concerns on navy to navy relations even as it integrates American naval history with those of Britain Canada and Australia In doing so the book provides a valuable new perspective on the little studied but critical transformation of the U S Navy s peacetime alliances during the Cold War      **Understanding Canada** Wallace Clement, 1997 The new Canadian political economy has emerged from its infancy and is now regarded as a respected and innovative field of scholarship Understanding Canada furthers this tradition by focusing on current issues in an accessible and informative way      **Continental Community?** Andrew Axline, 1974-01-04      The Fight for Canada David Orchard, 1993      The Canadian Historical Review , 1929      Library of Congress Catalogs Library of Congress, 1976
